On a dark, rainy night I drove my overstuffed junker car back to a town I never expected to see again. And when I needed a rescue by the side of the road, a six-foot tall piece of hot, unfinished business named Mark was what the universe sent me. Three years earlier I'd fled town (and Mark) to follow my wrongly-convicted father to his federal prison, working crappy jobs to stay afloat and visit him every second I could. But now Dad's dead and I'm mysteriously offered the best job of my life at the college where his life blew up when he was accused of a crime he didn't commit. Someone wants me here. Desperately. I didn't do it. I never betrayed my friend. Last year, I was kidnapped along with presidential candidate's daughter Lindsay Bosworth, forced to help her assailants, my mother implicated in one of the biggest political scandals in American history. I've been cleared of any wrongdoing, but that doesn't matter. Once you're tried by the media, you're guilty as sin. The truth doesn't get the public's attention. But shame? Shame sells. And everyone assumes you're tainted. Now I have my own personal security team, courtesy of the United States government. Not the one you learned about in civics class, though. I'm being tracked by the deep state. The shadow government. They've assigned Silas Gention to be with me twenty-four seven. He thinks he knows everything about me – all of it bad -- and he does. On paper. Like everyone else, he assumes I'm a traitor. A backstabber. A betrayer. Someone who helped a group of violent psychopaths, puppets of powerful men in Washington who made me into a tool. Yet I see how he looks at me. True desire can't be faked. Or hidden. And that goes both ways. He assumes I'm trying to fool him. And he might be right. But not for the reasons he thinks. *A Shameless Little Con* is the first book in the *Shameless* trilogy by USA Today bestselling author Meli Raine. Dangerous Love is the latest romantic suspense thriller from USA Today and Wall Street Journal bestselling author Riley Edwards. New series, new steamy, hot heroes. Welcome to TAKEBACK. One night. No names. Two hearts forever changed. There wasn't a lot that surprised me. My years in the Navy taught me a lot, my years hunting human traffickers taught me the rest. Then I found myself staring at a sexy stranger across a crowded bar, fell in love, and spent six hours living out my wildest fantasies. But I ran when I learned love at first sight stole your breath and left you afraid of a broken heart. Brooklyn Saunders has a secret to tell. One that will change everything for Rhode. Freak. Witch. Ugly. Abomination. Having grown up with a port-wine birthmark on her face and neck, Quinn Dixon's heard them all. Her own mother couldn't bear to touch her, let alone strangers. Years of stares and insults from everyone from classmates to foster families have made her understandably reluctant to trust. So when John comes along, of

course he couldn't be interested in more than a brief affair. He'll get sick of all the gawking and whispers soon enough and leave her...just like everyone else. John "Driftwood" Trettle was captivated by Quinn the moment they met. After months of skirting around their attraction, one pivotal evening finds John seizing the reins and refusing to be denied a chance to prove he's worthy of Quinn's time, her trust, and her love. To show her he'll have her back, always, and defend her against anyone cruel or stupid enough to hurt his woman. But he can't protect against an unknown threat. Even if it wears a familiar face... \*\* Shelter for Quinn is the 13th book in the Badge of Honor: Texas Heroes Series. This second volume details the continued spread of Muslim culture and peoples during the sixteenth, seventeenth and eighteenth centuries, a period that saw the height of the powerful Ottoman, Safavid and Mughal empires, followed by their precipitous decline. The contributions of Muslims to the development of Western civilization continue to be highlighted in this chronology, most notably the impact of the Ottoman Empire on Western art and literature and its role in creating an environment in which the Protestant Reformation could take root. This volume reveals the interconnectedness of the Muslim, Jewish, African and European diasporas during this period.

She has no idea what she's doing. Loose cannons never hit their targets. And they take out plenty of collateral damage. Four years ago Lindsay experienced the unspeakable right before me, and I couldn't stop them. But that's all changed now. When her father, Senator Bosworth, contacted me to ask — demand — that I protect her, it was a second chance. A shot at redemption. An opportunity to right an unspeakable wrong. Controlling Lindsay as she seeks her revenge on the monsters who hurt her won't be hard. Containing my own out-of-control feelings for Lindsay and keeping up this ruse of cold-blooded distance will be. Even harder than admitting to her what really happened that night four years ago. It turns out I don't have to, though. Someone else did it for me. And I'll make sure they regret it. \* \* \* \* \* A Harmless Little Game is the first in this political thriller/romantic suspense trilogy by USA Today bestselling author Meli Raine. Four years ago I lost my virginity on live, streaming television. Too bad I wasn't awake for it. The video went viral. Of course it would. A Senator's daughter on camera? Wouldn't you click "share"? Besides, that's what three of the four guys in the video did. Share. They shared me. But that fourth guy? The nondescript one in the background in the upper left corner of the screen, just sitting on the couch? The only one who did nothing? Not one single thing. That was my boyfriend, Drew. And that was the last time I saw him. Until today, when my father—now on a path to the White House—hired him as head of security for my new team as I return home after four years of "recovering" in an undisclosed location that involved white lab coats, needles, pills and damage control. You see, the other three guys never went to jail. Never had charges pressed. Never faced consequences. Until today. What happens when the conman collides with the good girl? "Go With It" That's what I was told, but believe me, I'm starting to wonder if all of this isn't more trouble than it's worth. My new life in the city was supposed to challenge me. Little did I know that the biggest challenge I'd face was out sassing the conman who can't keep his hands off me. Honestly, you'd think that

saving his life would've been enough. But, no, of course not. It's not enough for Ryske. He won't be happy until he's had all of me. Every inch. All to himself. Except I'm no fool. He's a "promise-me-nothing" kind of guy and my ridiculous heart is already trying to sync with his. I'm an idiot. An idiot. I should've let him bleed out. Just walked away and left his world before it became mine. But, it's too little too late. I'm in it. I have a feeling that fortunate fall, our felix culpa, will be the undoing of both of us.
