Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

The most comprehensive state project of its kind, the Dictionary provides information on some 4,000 notable North Carolinians whose accomplishments and occasional misdeeds span four centuries. Much of the bibliographic information found in the six volumes has been compiled for the first time. All of the persons included are deceased. They are native North Carolinians, no matter where they made the contributions for which they are noted, or non-natives whose contributions were made in North Carolina.

This basic source for identification of U.S. manufacturers is arranged by product in a large multi-volume set. Includes: Products & services, Company profiles and Catalog file.

Popular Mechanics

Vols. for 1970-71 includes manufacturers' catalogs. Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.
