In The Miracles Answer Book, Christian apologist Lee Strobel explores the exciting, sometimes perplexing topic of miracles, answering people's most pressing questions about them with profound, astonishing, and faith-building insights, as well as real-life examples, that satisfy the mind and heart.

In this New York Times bestselling book, award-winning Chicago Tribune journalist Lee Strobel investigates and unpacks the scientific evidence that points toward God. "My road to atheism was paved by science . . . but, ironically, so was my later journey to God," Strobel says. During his academic years, Lee Strobel became convinced that God was obsolete, a belief that colored his journalism career. Science had made the idea of a Creator irrelevant - or so Strobel thought. But today science points in a different direction. A diverse and impressive body of research has increasingly supported the conclusion that the universe was intelligently designed. At the same time, Darwinism has faltered in the face of concrete facts and hard reason. Has science discovered God? At the very least, it's giving faith an immense boost, as new findings emerge about the incredible complexity of our universe. Join Strobel as he reexamines the theories that once led him away from God. Through his compelling and highly readable account, you'll encounter the mind-stretching discoveries from cosmology, cellular biology, DNA research, astronomy, physics, and human consciousness that present astonishing evidence in The Case for a Creator. Also available: The Case for a Creator small group video study and study guide, Spanish edition, kids' edition, student edition, and more.

Was God telling the truth when he said, "You will seek me and find me when you seek me with all your heart"? In his #1 best-seller The Case for Christ, Lee Strobel examined the claims of Christ, reaching the hard-won verdict that Jesus is God's unique son. In The Case for Faith, Strobel turns his skills to the most persistent emotional objections to belief--the eight "heart barriers" to faith. The Case for Faith is for those who may be feeling attracted to Jesus but who are faced with difficult questions standing squarely in their path. For Christians, it will deepen their convictions and give them fresh confidence in discussing Christianity with even their most skeptical friends. "Everyone--seekers, doubters, fervent believers--benefits when Lee Strobel hits the road in search of answers, as he does again in The Case for Faith. In the course of his probing interviews, some of the toughest intellectual obstacles to faith fall away."--Luis Palau
A riveting journey to the truth about the most remarkable event in history: The resurrection of Jesus Christ and the proof behind it. From the award-winning, best-selling book, The Case for Christ by Lee Strobel, this booklet is perfect for Easter or any time of the year.

In The Case for Grace, bestselling author Lee Strobel crafts a compelling and highly personal case for God, focusing on God's transforming work in the lives of men and women today. In this book, you'll encounter racists, addicts, and even murderers who have found new hope and purpose. You'll meet once-bitter people who have received God's power to forgive those who have harmed them - and, equally amazing, people mired in guilt who have discovered that they can even forgive themselves. Writing with unusual candor, Lee draws upon his own journey from atheism to Christianity to explore the depth and breadth of God's redeeming love for spiritually wayward people. He travels thousands of miles to capture the inspiring stories of everyday people whose values have been radically changed and who have discovered the "how" and "why" behind God's amazing grace. Through it all, you will be encouraged as you see how God's grace can revolutionize your eternity and relationships . . . starting today. Also available: The Case for Grace Spanish edition, kids' edition, and student edition. From college classrooms to bestselling books to the Internet, the historic picture of Jesus is under an intellectual onslaught. This fierce attack on the traditional portrait of Jesus has confused spiritual seekers and created doubt among many Christians--but can these radical new claims and revisionist theories stand up to sober scrutiny?

There's little question that he actually lived. But miracles? Rising from the dead? Some of the stories you hear about him sound like just that--stories. A reasonable person would never believe them, let alone the claim that he's the only way to God! But a reasonable person would also make sure that he or she understood the facts before jumping to conclusions. That's why Lee Strobel--an award-winning legal journalist with a knack for asking tough questions--decided to investigate Jesus for himself. An atheist, Strobel felt certain his findings would bring Christianity's claims about Jesus tumbling down like a house of cards. He was in for the surprise of his life. Join him as he retraces his journey from skepticism to faith. You'll consult expert testimony as you sift through the truths that history, science, psychiatry, literature, and religion reveal. Like Strobel, you'll be amazed at the evidence--how much there is, how strong it is, and what it says. The facts are in. What will your verdict be in The Case for Christ?

DISCOVER THE TRUE CHRISTMAS STORY Even when he was an atheist, Lee Strobel enjoyed the Christmas season--the gift-giving, holiday parties, and being with friends and family. But after his wife became a Christian, Lee started to investigate the real meaning behind all those nativity scenes he had seen outside of churches. In this four-week study, Lee reveals what he discovered as he sought to separate the holiday from the holy day, the facts from the fantasy, and the truth from the tradition. In each session you will explore: What the Bible actually says about Jesus' birth and how you can know it is accurate Whether the Christmas story actually happened or developed from the myths of the day The Bible's claim that Jesus was born of a virgin and why it is important to your faith How Jesus--and only Jesus--fulfilled hundreds of biblical prophecies about the Messiah The Case for Christmas will invite you to look beyond the familiar traditions of the season, challenge you to examine the evidence for yourself, and consider why Christmas really matters. Sessions include: Setting the Record Straight Beneath the Fake News A Mind-Boggling Proposition The Prophetic Fingerprint Designed for use with The Case for Christmas Video Study/The Case for Easter Video Study (sold separately).

discoveries.

Have you ever heard Scripture's truths but wondered where to find those truths in the Scriptures? Or have you ever wondered where to find evidence for belief in God in the Bible? You're not alone. Millions of people have asked these same questions, including Lee Strobel - an atheist who engaged in a thorough search for the truth to decide for himself if Jesus was who he claimed to be. Drawn from Lee's own experiences as a former atheist and featuring his journalistic style from his days as an investigative reporter with the Chicago Tribune, the notes and articles throughout The Case for Christ Study Bible are designed to motivate you to investigate the Bible's claims for yourself. Whether you are a Christian seeking encouragement in your faith and knowledge about who God is or a seeker or skeptic searching for answers, you will benefit from Lee's own extensive search for the truth. Some of the excellent study notes found in this Bible include: The Case for Christ Articles Over 220 The Case for Christ notes explore Jesus' claims and deity and demonstrate that he is the Messiah. The Case for the Bible Notes More than 170 The Case for the Bible notes explore the character of the Bible and the extra-biblical evidence that corroborates Scripture as well as explain apparent contradictions within the Bible. The Case for a Creator Notes Seventy-five The Case for a Creator notes highlight the wonders of creation and demonstrate how the scientific evidence points to one all-powerful Creator. The Case for Faith Articles One hundred The Case for Faith articles address questions such as, "How can there be a God that would allow so much pain and suffering?" and, "Doesn't science prove that the world was created by chance?" The Verdict Notes Twenty The Verdict notes provide testimonies from scholars and other Christians who have examined the evidence, discovered the reality of Jesus, and put their faith in him. The Case for a Creator A Journalist Investigates Scientific Evidence That Points Toward God Zondervan

Is there credible evidence that Jesus of Nazareth really is the Son of God? Retracing his own spiritual journey from atheism to faith, Lee Strobel, former legal editor of the Chicago Tribune, cross-examines a dozen experts with doctorates from schools like Cambridge, Princeton, and Brandeis who are recognized authorities in their own fields. Strobel challenges them with questions like How reliable is the New Testament? Does evidence for Jesus exist outside the Bible? Is there any reason to believe the resurrection was an actual event? Winner of the Gold Medallion Book Award and twice nominated for the Christian Book of the Year Award, Strobel's tough, point-blank questions read like a captivating, fast-paced novel. But it's not fiction. It's a riveting quest for the truth about history's most compelling figure.

Based on the award-winning books, The Case For Christ, The Case For Faith, and The Case For a Creator are now available in this convenient DVD Box Set. The Case For Christ: Retracing his own spiritual journey, Lee Strobel, award-winning former legal editor of The Chicago Tribune, cross-examines the religious experts from Cambridge, Princeton, and other universities with tough, point-blank questions. This remarkable documentary is a riveting quest for the truth about history's most compelling figure. The Case For Faith: Despite the compelling historical evidence, many people grapple with serious concerns about faith in God. Strobel turns his tenacious investigative skills to the most persistent emotional objections to belief - the eight heart barriers to faith. The Case for Faith is for those who may be feeling attracted to Jesus but who are faced with intellectual barriers standing squarely in their path. The Case For a Creator: When objectively considered, does contemporary scientific evidence point toward or away from a supernatural Creator? Using interviews with scientists and scholars from a wide range of disciplines for the answers, The Case For a Creator is a remarkable film about Strobel's journey from spiritual skepticism to a profound faith in the God who has etched His indelible signature upon every galaxy and living cell.

Lee Strobel's bestselling book on forgiveness and grace, adapted for kids. What does grace really mean How can God's grace impact your life How can you experience grace every day This new book by New York Times bestselling author, Lee Strobel, shows how God's love is for everyone-no matter what. Through stories of everyday people whose lives have been changed, you will discover God's love and the power of forgiveness. You will experience God's amazing grace and be able to share it with others.

In The Case for Heaven, bestselling author and investigative journalist turns a critical eye on the evidence for heaven, a variety of claims about the afterlife, and modern day stories of near-death experiences to build a compelling case that death is not the end of our existence but a transition to an exciting and very real world to come.

Of the many world religions, only one claims that its founder returned from the grave. The resurrection of Jesus Christ is the very cornerstone of Christianity. But a dead man coming back to life? In our sophisticated age, when myth has given way to science, who can take such a claim seriously? Some argue that Jesus never died on the cross.

Conflicting accounts make the empty tomb seem suspect. How credible is the evidence for the resurrection? Focusing his award-winning skills as a legal journalist on history's most compelling enigma, Lee Strobel retraces the startling findings that led him from atheism to belief. Drawing on expert testimony first shared in his blockbuster book The Case for Christ, Strobel examines: The Medical Evidence -- Was Jesus' death a sham and his resurrection a hoax? The Evidence of the Missing Body -- Was Jesus' body really absent from his tomb? The Evidence of Appearances -- Was Jesus seen alive after his death on the cross? Written in a hard-hitting journalistic style, The Case for Easter probes the core issues of the resurrection. Jesus Christ, risen from the dead: superstitious myth or life-changing reality? The evidence is in. The verdict is up to you. Book jacket.

Bestselling author Lee Strobel examines how we can know the biblical accounts of Jesus' resurrection are accurate by objectively looking at the evidence surrounding Jesus' death, the evidence of the empty tomb, and the evidence of the many witnesses who saw him alive after his crucifixion.

In this five-session video study, bestselling author Lee Strobel helps participants to understand what the Bible teaches about heaven, hell, and eternity, and how they can have confidence those beliefs are grounded in reality.

Explores the credibility and accuracy of Jesus' biographies, whether archaeology disproves or confirms the biblical records, whether Jesus is divine, and whether Jesus fulfilled the messianic prophecy.
