Customers who place a standing order for the Tests in Print series or the Mental Measurements Yearbook series will receive a 10% discount on every volume. To place your standing order, please call 1-800-848-6224 (in the U.S.) or 919-966-7449 (outside the U.S.). The Mental Measurements Yearbooks are widely regarded as essential references for users and developers of tests. Each yearbook contains reviews of commercially available tests published or revised since the previous edition. A biennial publication schedule for yearbooks and supplements was introduced in 1988 to facilitate access to test evaluation information and better meet the needs of test consumers. The Supplement to the Twelfth Mental Measurements Yearbook contains original reviews of tests published or revised since the 1995 edition of the Mental Measurements Yearbook. Tests are listed in alphabetical order for easy reference. Indexes of titles, classified subjects, names, acronmys, and scores, as well as an index and a directory of publishers, are included. A helpful indexing system integrating references across Buros Institute publications is also provided.

The 2018 edition of *The State of World Fisheries and Aquaculture* emphasizes the sector's role in achieving the 2030 Agenda for Sustainable Development and the Sustainable Development Goals, and measurement of progress towards these goals. It notes the particular contributions of inland and small-scale fisheries, and highlights the importance of rights-based governance for equitable and inclusive development. As in past editions, the publication begins with a global analysis of trends in fisheries and aquaculture production, stocks, processing and use, trade and consumption, based on the latest official statistics,
