This book is authored with the intention of creating a quick revision guide for IIBA Business Analysis body of knowledge (BABOK) guide v3.0 for CBAP, CCBA and ECBA certification preparation exam. We have not written this guide as an alternative to BABOK v3.0. Instead it is written as a concise and summarised version of BABOK to help you in quick revision of BABOK. What's more, we have added revision exercises at the end of every chapter. So, How to use it? This book should be used once you have gone through BABOK. Going through the 500 pages again is difficult and time consuming. This book allows you to revise quickly. The book is a total of 300 pages with around 250 pages for BABOK summarised version (50% reduction) and remaining 50 pages devoted to chapter wise exercises. The guide is meant for professionals who are planning to undertake ECBA, CCBA or CBAP certification examination. This revision guide captures the key concepts, definitions, business analysis practices as mentioned in the BABOK guide. To really understand the thought process behind this revision guide, consider your university exam and the notes you used to create for every exam. This is essentially a guide comprising of important notes. For best results, this revision guide must be picked up after you have gone through the BABOK guide once. If you are planning for ECBA certification, please read it keeping in mind the knowledge areas weightages applicable for ECBA.

This study guide covers the BABOK(R) guide structure and explains each area to ensure you master business analysis practical application and techniques. The book will help you assess your understanding of concepts with mock exams and give you the confidence to pass the CCBA(R) or CBAP(R) exam, and pursue a career in business analysis. Roseville Civic Theater's programs for shows in the 1962-63 season, The Spellbinder and The Tender Trap. Included are many advertisements of local businesses and list of cast members. Included in donations from Charles "Chic" Courter.

Designed to be a study guide for the CBAP certification from IIBA, this book contains exercises, case studies, and solutions, along with tools, techniques, best practices and templates to help business analysis professionals in their everyday tasks. --

A Guide to the Business Analysis Body of Knowledge® (BABOK® Guide) is the collection of knowledge within the profession of business analysis and reflects current generally accepted practices. As with other professions, the body of knowledge is defined and enhanced by the business analysis professionals who apply it in their daily work role. The purpose of this pocket guide to the BABOK® Guide is to help understand the key knowledge found within the BABOK Guide and how it can be applied to a particular situation. Primary target groups for this pocket guide are: • Individuals interested in how business analysis works or who may want to become Business Analysts; • Business Analysts as a quick reference during the course of their day-to-day work; • Team members working on projects or within normal organizational operations where business analysis is performed; • Managers and executives who need to understand how business analysis can help improve their organizations. This pocket guide is based upon the content found in Version 2 of the BABOK Guide. The BABOK Guide was first published by the International Institute of Business Analysis (IIBA) in 2005. Version 2.0 was released in March 2009. The BABOK® Guide describes business analysis areas of knowledge, their associated activities and the tasks and skills necessary to be effective in their execution. The BABOK® Guide is a reference for professional knowledge for business analysis and provides the basis for the Certified Business Analysis Professional™ (CBAP®) and the Certification of Competency in Business Analysis™ (CCBA®) certifications.

It has usable tools and techniques, as well as templates ready to be used to develop solid requirements to be the cornerstone for any successful product development.

Traditional business analysis jobs are going away and are not coming back. BA tools are growing up, and typical BA tasks are being automated and commoditized. Instead of being regarded as documenters, BAs are being sought out to focus on strategy, innovation, and leadership. Breakthrough Business Analysis: Implementing and Sustaining a Value-Based Practice provides a framework for implementing a BA practice that is strategically positioned and value-based. Realizing the positive impacts of a value-based BA practice could very well mean the difference between success and failure for businesses negotiating 21st century challenges. Value-based business analysis centers on strategy execution, world-class enterprise capabilities, and delivery of innovative products and services. The framework for implementing and sustaining a value-based BA practice involves three phases: 1. Readiness: "Is our organization ready?" 2. Implementation: "How do we build the BA practice?" 3. Sustainability: "How do we institutionalize and continue to improve BA practices?" Take the lead and be your organization's champion of a value-based, breakthrough BA practice that is focused on value to the customer and wealth to the bottom line.

Today's global business environment is complex. Organizations find it a challenge to keep pace with rapid advancements. Business analysts, project managers, process analysts and other information workers have to influence various stakeholders, regardless of their position in the organization. What makes this ability to influence without authority seem so easy for some and nearly impossible for others? Successful influencers have learned to be trusted advisors in their organizations. They employ three critical ingredients which the authors call the Influencing Formula. This book reveals how the Influencing Formula works and illustrates how it is the new mandate required to effectively influence without authority in any type of organization, large or small.

A must-have resource for anyone preparing for the version 2.0 of the CBAP exam.
