The following question bank is all about conceptual understanding. Go through all the questions and try to understand what the question is asking about. Most of the times the aspirants know the material but failed to understand the concept or question. That's why they face failure. Candidates must emphasize in these lines. Try to solve as many questions as they can in order to have deep understanding of the CFA material. First read the question and understand it. After that read the given options and select the most appropriate option. After selection of the answer, read the answer, given after each question. The answers are given just after each question so the reader feel comfortable and he does not need to go down in search of the answer and the reason of the answer.
