In October 1928 Virginia Woolf was asked to deliver speeches at Newnham and Girton Colleges on the subject of 'Women and Fiction'; she spoke about her conviction that 'a woman must have money and a room of her own if she is to write fiction'. The following year, the two speeches were published as *A Room of One's Own*, and became one of the foremost feminist texts. Knitted into a polished argument are several threads of great importance – women and learning, writing and poverty – which helped to establish much of feminist thought on the importance of education and money for women's independence. In the same breath, Woolf brushes aside critics and sends out a call for solidarity and independence – a call which sent ripples well into the next century. 'Brilliant interweaving of personal experience, imaginative musing and political clarity' — Kate Mosse, *The Guardian* 'Probably the most influential piece of non-fictional writing by a woman in this century.' — Hermione Lee, *The Financial Times*

Many of these questions—and others—are answered when a person learns how the Bible was put together. This book does not deal with theology or doctrine. It is an account of how the various parts of the Bible came to be included. Further, the book traces the journey of the Bible from its initial collections to Jerome and continues until its publication in the English language, in both the Protestant and the Catholic versions. The author has written this book for the eager layman and woman and also for the first-year college or Bible school student who is in a religious studies program.

What Promises Can You Believe? In The Promises of God, Dr. R. C. Sproul shows how God—the one true Promise Keeper—always keeps His promises. Drawing from his expansive theological background, Dr. Sproul addresses questions such as these:· How do we know that God will fulfill His promises to us?· What can we learn about God's faithfulness as we wait for His promises to be fulfilled?· What was the agreement God the Father had with Jesus before the beginning of the world?· What does God's covenant with Adam mean for us today?· What common covenant do atheists and other non-Christians participate in with God?· What does God's covenant have to do with His forgiveness of our sins today?· Why did Jesus have to die to complete God's covenant with us? God's promises throughout history are the foundation for your relationship with Him. Here you will see how and why He keeps His promises to you, from now through eternity.
