

## Children World Atlas

An atlas introducing basic map skills through maps ranging from the Adriatic Sea to Zimbabwe.

This giant world atlas is part of a selection of titles which are designed for young children. The books are made of durable board which can be hung on any wall. Introduces the places and people of the world through maps, facts, and photographs.

Presents maps showing the world's terrain, climate, major economic activities, and populations.

What is it really like to live in Sweden, Peru, or Bangladesh? With its vivid photographs and up-to-date social and political information, the Children's World Atlas gives children a realistic view of each country. Combining superb maps with expert text, it is suitable for ages 8 years up to use at school or at home.

Presents one hundred drawings submitted by children from around the world to the Barbara Petchenik Children's World Map Competition that express their hopes, wishes, and fears for the world.

A bold and colourful first atlas, packed with illustrations and photos on every page, and covering all areas of the world. Regions are shown using physical and political maps, and feature iconic animals, natural wonders, famous landmarks, and much more. Each spread includes 'sight-seeing' features to whet young explorers' appetites, as well as a Fast Facts panel, great for learning all the top stats at a glance.

This lavishly illustrated, fact-filled atlas--a follow-up to Maps of the World--allows children to discover the fascinating and mysterious world below sea level with links to explore even further on computers and tablets. Covering every ocean and major sea in the world, Maps of the World's Oceans is a vibrant and comprehensive atlas that children of all ages will love to explore. The dozens of colorful, detailed maps are filled with hundreds of illustrated icons highlighting creatures that inhabit the waters of the world from deep-ocean sharks to sea birds that rely on the water to survive. Also featured are vital vegetation, submerged shipwrecks, and icons representing the myths and legends of the various peoples who supposedly lived by the seas. Along the surface, readers will explore ports, lighthouses, famous explorers and voyages, old navigation secrets, and more. Flip the next page from any map and the corresponding icon key explains why these fish, animals, various organisms and more are so vital to the oceans and the seas - and therefore the world. Young readers will learn about waves and tides, currents and oceanic ridges, and more giving them a complete look at the world's waters. Each map includes a link allowing kids to download a version of them on computers and tablets to explore even further. Captivating and comprehensive, Maps of the World's Oceans will entice even the most reluctant young explorer.

An introductory atlas focusing on the political and natural geography, as well as

the industries and resources, of each of the different regions of the world. With over 20 colourful maps to pore over, this atlas provides a fun introduction to the countries of the world. Accompanied by engaging text, each map is clearly labelled and packed with features to spot.

Part of a series of books that can be folded out and used as wallcharts. This book uses illustrations and pictograms to stimulate the child's imagination, showing the capital city, location, animals, plants, industry, agriculture and buildings to be found in different countries.

The atlas opens with the continents, then presents a world view of countries before exploring deeper into each country and the exciting places to visit within each.

A picture atlas that takes young readers on a visual journey around the world, from Spain and Portugal to China and Mongolia. Continents and countries are brought to life through stunning photography and eye-catching illustrations. Uncover incredible geographical features, wildlife, culture, history, and landmarks in unprecedented detail. This incredible and inspiring visual atlas takes you on a fact-filled, continent-by-continent tour of the world.
