

Childrens Birthday Cakes The Classic Step By Step Series

Filled with a host of baking tips, frosting recipes, and decorating ideas, a colorful array of sweet and satisfying cakes for every occasion features detailed instructions for creating such confections as German Chocolate Cake, Coconut Cloud Cake, Blueberry Hill Cheesecake, Berry Dotted Angel Food Cake, Chocolate Espresso Torte, and others. Reprint.

A collection of old-fashioned desserts, updated for today's tastes, includes profiles of various chefs, their recollections of favorite desserts, and excerpts from related literature.

From a \$250,000 fête for a seven-year-old Florida girl, complete with helicopter rides, to \$100,000 first birthday parties as reported in the New York Times, this is rapidly becoming the gilded age of children's birthday parties. The cost of these events now averages between \$200 and \$400, fueled by pressure to "keep up with the Joneses." Couple this surge in interest with the fact that births in the United States have exceeded 4 million each year since 2000, and you have a waiting and growing market.

Planning such events has become a profession in itself. More and more, parents are turning to event consultants to plan their children's celebrations. If you've dreamed of your own home business, planned parties for your own children, and want to put your creative ideas to work, this book is for you. Packed with organizing tips, guidelines, checklists, and more, *How to Start a Home-Based Children's Birthday Party Business* will help you hit the ground running.

Resources to use for preschool and early elementary children.

"The Railway Children" tells the story of a family who move from London to "The Three Chimneys", a house near the railway in Yorkshire, after the father, who works at the Foreign Office, is imprisoned after being falsely accused of spying. The children befriend an Old Gentleman who regularly takes the 9:15 train near their home, and he tries to help them prove their father's innocence. The family takes care of a Russian exile who came to England looking for his family and Jim, the grandson of the Old Gentleman. Edith Nesbit (1858-1924) was the author of world famous books for children - the tales of fantastical adventures, journeys back in time and travel to magical worlds.

Simultaneous.

Sam-I-am tries to get his furry friend to try green eggs and ham before deciding that he doesn't like them.

We all have a story. People's stories can make us laugh or cry, trigger joy or fear, inspire us or challenge us to step up and act. Rosemary's book is more than just a story. In telling her story, Rosemary shares her struggle with mental illness and the attitudes of those around her, laced with hope, recovery, and the grace of God. Rosemary explains in simple and engaging terms her own journey through various treatments, attitude changes, and management techniques for Obsessive Compulsive Disorder (OCD). She gives constructive insights into the tension between oversimplified responses framed in spiritual language and the clinical explanations of medical practitioners. The beauty and power of this book is in the healthy perspectives that combine spiritual power and medical evidence. These life-changing perspectives break down the stigma of mental illness, especially among believers, and give hope through well-researched practical information and resources. Ultimately, this is an engaging journey of transformation from crippling fear, guilt, and anxiety to joyful hope, recovery, and freedom. It is an informative journey of the heart, soul, mind, and body.

A lyrical recipe uses seasonal changes to explain to a child the time that passes between one birthday and the next. Includes a recipe for more traditional birthday cake, as well as information about the passage of time and how it is revealed through tree

This chronological guide to the developmental stages, and corresponding literary needs and preferences, of early childhood is the unique result of combining the expertise of educational professionals with that of a children's librarian. Each chapter describes a developmental stage of childhood and presents appropriate books for that reading level, providing expert guidance in today's crowded children's book market.

Being a mom means more than being a wife and parent-it also means being the household accountant, building manager, cook, gardener, housekeeper, and personal shopper-just to name a few of the roles that come with the territory! As America's "Family Manager," bestselling author Kathy Peel has shown millions of moms that running a household is like operating a business. Like any good C.E.O., every mother must know her goals, determine her

strategies, and manage her human resources. Delegate-Motivate-Organize...Relax! Every smart manager knows that success depends on teamwork. Kathy shows readers how to get kids and spouses to help around the house-with lots of practical advice and encouragement to get them motivated and keep them going. Save Time, Money, and Your Sanity With hundreds of time-saving, money-saving, and stress-reducing ideas, this indispensable handbook also shows readers how to take charge of running the home-without running themselves into the ground.

Black Forest Cake, Apple Strudel, German Chocolate Cake ... discover your sweet tooth with tempting German cakes. Written by a native German but specifically geared towards the use in the foreign market, this book features a collection of the most popular German pastries and guarantees an authentic and fun baking experience no matter where you live. The great thing about this recipe book is that it provides in-depth explanations of the often very particular ingredients in German cakes as well as plenty of ideas where to find them. And, even better, it will provide you with options for delicious substitutes! Some of the cakes featured in the book are nostalgia indulged classics from recipes that have been passed on through generations while others are more modern examples of German baking today. You will find simple recipes for every day as well as special occasion dishes, including many layered cake classics, the so called Torten, that allow you to fully embrace yourself in the art of German baking. The rich ingredients in these homemade cakes have an unsurpassed old world taste. With simple step by step instructions and numerous photographs guiding you through the entire process from mixing together the ingredients for the dough to assembling the cake, you just can't go wrong – even if you have never baked before and are just starting out on your culinary adventure. There are few things Germans love more than a steaming cup of freshly brewed coffee and a piece of cake. So get ready because you are about to find out why!

A groundbreaking guide to making profitable business decisions Do you wonder why your value initiatives aren't providing the payoff you'd hoped for? Could it be because you've been thinking about value all wrong? According to the authors of this groundbreaking guide, there's a very good chance that you have. Using examples from leading companies worldwide, they explain why every decision a company makes either creates value or detracts from it, and why, if they hope to survive and thrive in today's increasingly competitive global marketplace, company leaders must make value-creation the centerpiece of every business decision. Authors Kaiser and Young have dubbed this approach "Blue-Line Management," (BLM), and in this entertaining, highly accessible book, they delineate BLM principles and practices and show you how to implement them in your company. Explains why the failure to properly define and assess value often makes it difficult for the people who manage businesses to effect long-term success Offers guidelines for making the satisfaction of customer needs and wants—i.e. value creation—the driver of all business activities The authors are

respected academics at INSEAD, the world's largest and most respected graduate business school, with campuses in Europe, Asia and the Middle East

200 recipes tailor-made for today's extremely busy mom.

A giant new diabetes cookbook from the award-winning 1,000 Recipes series This massive cookbook is packed with tasty, diabetic-friendly recipes the whole family will love.
