The 2008 edition of CIMA's Official Learning Systems has been written in conjunction with the Examiner to fully reflect what could be tested in the exam. Fully revised and now in 2 colour, paperback format, the 2008 Learning Systems provide complete study material for the May and November 2008 exams. This edition maintains the popular loose-leaf format and contains:

- * Assessment of CIMA Matrix
- * Analysis of past cases
- * How to approach the TOPCIMA exam
- * topic summaries
- * recommended reading articles from a range of journals
- * 2007 Q & A's

CIMA Learning Systems are the only study materials endorsed and recommended by CIMA. The Official Learning Systems are the only study materials endorsed by CIMA. Updated to reflect the new assessment matrix with key sections written by the case study writer. Complete integrated package incorporating TOPCIMA guidance, advice on how to tackle the case study, and case study practice.

Specifically written for the CIMA qualification, this study text is laid out in a user-friendly format and is precisely tied to the content and learning outcomes of the CIMA syllabus. It incorporates mind maps, quick quizzes and other learning tools.

The 2006 edition of CIMA's Official Study Systems are published by Elsevier on behalf of CIMA. It is more of a business management nature. Pure accounting knowledge would not be sufficient. CIMA places emphasis on strategic business skills. A CIMA qualification can widen one's career options, in and outside of finance. In fact, CIMA claims itself as the only accounting body that focuses primarily on business needs. As a Chartered Management Accountant, one is at the forefront of business planning, strategy and change across the sectors - industry, commerce, and the public sector and not-for-profit organizations. It is generally believed that the CIMA certification is more "international" while the CMA certification (the one from IMA) is more US oriented. According to the CIMA, a

Chartered management accountant is qualified to engage in a wide variety of activities, such as: -advising managers about the financial implications of project management -explaining the financial consequences of management decisions and suggesting actions -making strategic decisions and formulating business strategies to create wealth and shareholder value -monitoring spending and financial control -managing risk and business assurance -cost determination and financial control -evaluating existing financial information systems and suggesting improvements -conducting internal business audits and preparing periodic financial statements for managers -explaining the impact of the competitive landscape. The CIMA syllabus has the following exams: E1 enterprise operations E2 enterprise management E3 enterprise strategy F1 financial operations F2 financial management F3 financial strategy P1 performance operations P2 performance management P3 performance strategy To help you focus on the relevant exam contents, we develop the CIMA ExamFOCUS Study Notes to accompany your reading efforts. As a chartered management accountant, you need to be familiar with a wide variety of business management knowledge domains. You do not have to be an expert in each of these domains, but you need to know them well for purpose of the exam, and also for job search. In fact, from a job search site you can find job description like this one: A chartered management accountant applies the principles of accounting to provide the financial information necessary for the planning and financial protection of organizations in the

public and private sectors. They establish and maintain financial policies and management information systems, as well as liaise with management colleagues on all aspects of finance. The role combines accounting skills with business management skills. Chartered management accountants look to the future (rather than the past, as in auditing). They analyze the performance of a business and advise on how to pre-empt problems, adapt to changing circumstances and improve value. They may work in a finance function or within specialist departments providing financial advice and information to support strategic business decision-making and control. This set of study notes provide you with knowledge information on the relevant business management domains. As an effective learning aid implemented in the format of study notes, the ExamFOCUS CIMA Study Notes package covers topics relevant to the nine CIMA exams. It is designed to present information in an easy-to-understand, conversational format. Notes are well-written, technically accurate and completely representative of the key information covered by the exams.

highest proportion of any worldwide accountancy body. Paper P2 - Performance Management is the second paper in the Performance pillar. It builds on Paper P1 knowledge as well as introducing such new topics as transfer pricing. The paper focuses on the ability to discuss and evaluate results as well as use techniques to calculate the numbers. The syllabus is concerned with

- * Analysis and discussion of pricing and product decisions
- * Evaluation of techniques used to in cost planning and analysis for competitive advantage
- * Evaluation of performance using budgets and discussion of issues in using budgets for this purpose
- * Discussion of how to measure performance of responsibility centres and evaluation of the usefulness of these techniques

P1 requires a good understanding of the underlying concepts and techniques in all five areas. P1 also needs you to be able to apply these concepts to practical situations, evaluate them critically and interpret the results. The P2 study text provides comprehensive coverage of the complete P2 syllabus. It features step-by-step guides to such topics as limiting factor analysis, multi-product breakeven analysis and budgeting. Each chapter includes numerous simple and comprehensive examples of how to apply various techniques. Areas that students traditionally find difficult - such as linear programming and transfer pricing - are dealt with in dedicated chapters that break these topics down into

September "I received the fantastic news this morning that I have finally passed T4!! Many thanks for your support and advice in the lead up to the exam, I am certain that without the really important tips on exam strategy you provided I would not have passed. Many thanks again!" Babak Fardaghaie "So I managed a 76% pass for E2 using your notes. They are very well structured and easy to use. Thank you so very much." Amanda Vakalisa "The Astranti method of teaching is systematic and easy to follow. I gained a lot of knowledge and regret not enrolling with Astranti for my earlier CIMA exams. After the course I was confident about my preparation. I would recommend the course to everyone sitting the T4b exam especially the MARKED mocks. Its the section by section detailed feedback from tutors that helps to improve and gain confidence." Gunjan Nagpal "I have cleared all 3 strategic level papers in my first attempt. I used the Astranti learning material during my final revision. They were short, precise and saved a great amount of time which made all the difference for me in the exam. Thank you very much."
