This is book 5 of 5 from The Shift. There is a span of time between the first four books and this one. I wanted to wait and see what developed at the end of my take-away program and my final results. I heard The Lord say, "Write 5 books, 5 chapters" several years ago. While I was telling my pastor, she had an open vision and saw an old-time key. I took that to mean that these small books will be the key to the Love Letters from God also titled, Don't Worry God Has You Covered. What I have learned on this journey so far has been amazing. My priorities are completely rearranged, my compassion level has grown, and I have basically taken a complete 360-degree turnaround. I look the same, I guess. People still recognize me. I sound the same, but I am not the same. I am completely emotionally healed. Funny though, I never thought I needed a healing. I used to think I was just fine. Do not settle for "just fine" and "life happens," and "what can you do?" attitude. Life is so much more than "just fine!" You can change "life

happens" with spiritual warfare tools! There is a life out here that can permeate you with a peace that truly does pass all understanding. I highly recommend it! In this book, I will attempt to explain some of the things I have done to help me fight in the offensive instead of the defensive! It doesn't hurt nearly as much and it is good to stay on the alert, for our adversary is constantly searching to and fro in search of whom he may devour. Dr. Cindy Trimm has written an excellent book titled Commanding Your Morning. If you are struggling without seeing victory, I highly recommend you read this book. There are so many wonderful nuggets of information. She talks about prayers during the watches of the night.

Your prayers can change the world Praying for others is the key to the expansion of the kingdom of God. It is the foundational power we have to bring spiritual change into our physical world. God calls us into the dance and dialogue of prayer because He is looking for partners to reach out and save our planet and its people. Once we discover how to pray for others, we don't just get answers to our prayers, we become answers. Our hearts become knit together with God to establish His desires upon the earth: His blessings, His healing, His ways, His wisdom, His kingdom.
