The Earl's Prize Although exiled to a life of genteel poverty, Miss Amy Bainbridge was a well-bred lady of honour. But when she found herself the recipient of a surprise windfall, her whole life changed! Not only did she re-enter society, she also gained the attention of London's most notorious gambler — a rogue determined to claim her as his own! Joss, Earl of Tallant, was everything Amy despised in a man, but she was utterly intrigued by him. He certainly wasn't interested in her newfound fortune, so why was this renowned scoundrel pursuing her with such intent? And why was she finding his amorous attentions all but impossible to resist? The Chaperone Bride Lady Annis Wyncherley was never the bride. If this young widow was to remain as chaperone to society's misses, no scandal can be attached to her name. Rakes and romance were off-limits, most especially a rogue like the handsome Lord Adam Ashwick! But that was impossible when Adam started seducing his daughter's chaperon. Adam knew his attention could destroy Lady Wyncherley's fine reputation. He had no power to control the strong desires she aroused in him. Soon this reformed rogue was set on convincing stubborn Annis to become his chaperone bride...
