This book is designed to prepare K-12 preservice and inservice teachers to address the social, cultural, and critical issues of our times through the use of multicultural children's books. It will be used as a core textbook in courses on multicultural children's literature and as a supplement in courses on children's literature and social studies teaching methods. It can also be used as a supplement in courses on literacy, reading, language arts, and multicultural education. What would you do if on the very first day of school, Dinosaur wasn't smiling his big, toothy dinosaur smile? This little boy knows exactly what to do. His Dinosaur is worried that school will be too big and too noisy, with yucky food at lunchtime. But with such a good friend to reassure him, Dinosaur soon discovers just how fun and friendly school can be. And by the end of his first day, Dinosaur is once again smiling his big, toothy, dinosaur smile and better still, he can't wait to come back!

After a falling out, best friends Gigi and Lulu discover that, while it can be fun to do the same things most of the time, sometimes it is good to be different.

Three warthogs count to ten as they bake cupcakes.

A smug slug that will not listen to the animals around it comes to an unexpected end.

This book provides a wealth of read-aloud titles and related

activities that provide busy teachers with the tools to help students in grades K–12 become successful writers. \* Includes 14 reproducible sheets that help students practice the skills described in the book \* Provides extensive bibliographies and references to all the nearly 400 books discussed \* Contains an index that enables teachers to readily access different topics \* Presents quotes and advice from 25 experts in the field

The Wright boys' interest in flying began with a toy given to them when they were small children. As young men, they first opened a printing shop and then a bicycle shop, all the while experimenting with how to design a flying machine. Finally they achieved their incredible goal—man's first powered flight. In this accessible picture book with a "House that Jack Built" approach, young readers are gradually introduced to all the steps that led up to the Wright brother's remarkable historic accomplishment.

An alphabetical ant wedding, attended by the other animals, is beset by various disasters.

Why use picture books with children? -- Extending picture books through art -- Extending picture books through drama -- Extending picture books through music -- Extending picture books through math -- Extending picture books through science.

What would you do if a mule knocked on your door one day and said, 'I've come for lunch'? You'd say, 'Hello! Come in, Mule.' But if the mule was badly behaved, he'd need to be taught some manners, wouldn't he?

Building on the author's work in *The Big Book of Teen Reading Lists*, this book provides 101 new and revised reading lists created in consultation with teachers and public librarians—an invaluable resource for any educator who plans activities for children that involve using literature.

This comprehensive listing and discussion of poetic works
