Winner of the 1994 Thomas Cook Travel book Award and Sunday Times Young British Writer of the Year -Dalrymple is probably the best travel writer of his generation"Daily Mail -As the author of the best travel book of recent years at the intensely irritating age of twenty-two, William Dalrymple has now shown that In Xanadu was no fluke. City of Djinns is an entertaining mix of history and diary informed by a deep curiosity about the ways in which the ghosts of even the most distant past still walk in the twentieth century."Christopher Lockwood, Daily Telegraph -Dalrymple has pulled it off again - At a time when the book of travels is beginning to lose its fashionable allure, City of Djinns is not really a travel book at all. It is a kind of memoir recording the response of a single, gentle, merry and learned mind to the presence of an ancient city ... Dalrymple is anything but avoyeur. Even his excursions into the world o the eunuchs are conducted with a kind of grave innocence. He is more a pilgrim than an observer, always trying to understand - It is the work of a man who has consciously chosen to commit himself to the profession of letters, and in it we see the first fine rapture of In Xanadu deepening to a profounder dedication - hours and hours of pleasure for his readers."Jan Morris, Independent -One one level there are the amusing rites of passage, the struggles with bureaucracy, the eccentricity of Dalrymple's landlord, all entertainingly related. Dalrymple has a way of letting you smell and feel the city. There are beautifully chiselled descriptions of a grand capital - but much of the book's strength lies in Dalrymple's skill in peeling the historical onion and showing how (the) New Delhi resonates with the old - A splendid tapestry."Trevor Fishlock, Sunday Telegraph -A sympathetic and engaging portrait of this age-old city"Nicholas Wordsworth, Financial Times -Scholalry and marvellously entertaining - A considerable feat."Dervia Murphy, Spectator -Unlike much of modern travel writing [City of Djinns] is informative, learned and funny - a lively and sometimes profound book."Emma duncan, Economist -An expansive and inclusive work, richly peopled - an enlightening and entertaining book."Iain Wetherby, Literary Review.

A Text book on Statistics

R. K. Narayan (1906—2001) witnessed nearly a century of change in his native India and captured it in fiction of uncommon warmth and vibrancy. Swami and Friends introduces us to Narayan's beloved fictional town of Malgudi, where ten-year-old Swaminathan's excitement about his country's initial stirrings for independence competes with his ardor for cricket and all other things British. Written during British rule, this novel brings colonial India into intimate focus through the narrative gifts of this master of literary realism.

Delve into the turbulent roots of race relations in the United States with this inspirational account from Booker T. Washington, a one-time slave who became an important advocate for African-American education and founded several well-known institutions of higher learning, including the Tuskegee Institute in Alabama. Up From Slavery details Washington's life and outlines his sometimes-controversial views on education, social justice, and racial equality.

The book has been designed topic and subtopic-wise, keeping the students' needs in mind. The current edition has certain unique features: Each chapter starts with a To Do list. It gives the central idea of the chapter and the way it has been addressed. Each chapter is divided into several sections corresponding to different components of the syllabus. Each chapter is splashed with HOTS. This is to promote clarity of the basics. Focus Zones in each chapter present a crux of the concepts. Blocks in each chapter include matter of special significance. Power Points and Revision Window offer a quick glance of the subject matter. 'Exercise' is tuned to the pattern of examination. Answers to important questions focus on the technique of writing. The exercise includes: objective type questions (remembering & understanding based questions), divided into five sections: (a) multiple choice questions, (b) fill in the blanks, (c) true or false, (d) matching the correct statements, (e) 'very short answer' objective type questions reason-based questions HOTS & applications analysis & evaluation CBSE questions (with answers or reference to the text for answers) NCERT questions (with hints to answers) miscellaneous and add-on questions (with hints or reference to the text for answers) Dos and Don'ts (at the end of each chapter) should serve as a safeguard against misinterpretation of the concepts. Ability Zone is a uniquely designed section at the end of the chapter. This raises the difficulty level, of course, but should serve as a useful material for the outstanding learners. Solved & Unsolved numericals are given to boost a grip on the subject.

Traces the life of a young Jewish girl who kept a diary during the two years she and her family hid from the Germans in an Amsterdam attic.

On June 18, 1812, the United States formally declared war for the first time. President James Madison's call to arms against Great Britain provoked outpourings of patriotic fervor and vigorous—some said treasonous—domestic opposition. Over the next three years the War of 1812 would prove as divisive as it was rich in nationalist myth-making: We have met the enemy, and he is ours . . . Don't give up the ship! . . . Oh, say can you see . . . Now, on the bicentennial of a conflict that shaped the future of a continent, here is the first comprehensive collection of eyewitness accounts in over a century. Reflecting several generations of scholarly discoveries, it covers all the theaters of war, from frontier battles in Canada, Michigan, and New York to naval confrontations on the high seas and Great Lakes, from the burning of Washington to the defense of New Orleans. Here are 140 letters, memoirs, poems, songs, editorials, journal entries, and proclamations by more than 100 participants, both famous—Thomas Jefferson, Andrew Jackson, Tecumseh, Dolley Madison, and the Duke of Wellington, among others—and less well known, such as Laura Secord, the Canadian Paul Revere, and William B. Northcutt, whose remarkable diary provides a common soldier's view. Features helpful notes, a chronology of the war, and full color endpaper maps.

In Lajwanti, Mulk Raj Anand focuses on a woman's predicament and struggle to find an identity for herself. Frustrated by a rigid pattern of social relationships, gender bias, religious bigotry and her own petty human foibles, her abject condition serves as a metaphor for sacrifice and servility which forms the thematic heart of these stories.

"Marvelously captivating." — The New York Times. First published in 1940, Saroyan's international bestseller recounts the exploits of an Armenian clan in northern California at the turn of the 20th century. Based on the author's loving and eccentric extended family, the characters in these 14 related short stories provide humorous and touching scenes from immigrant life.

A ghastly creature at loose in a peaceful hill station, a multi-millionaire's murder mystery goes unsolved, another man with a harrowed childhood, and a successful author all unwillingly involved in a drama that might give the latter, his best novel so far. All these events happen in different timelines and cities and yet are connected to each other like the universe's own conspiracy. Read this modern-day re-telling of classic Indian folklore of Vikram and Vetal, with a twist.

In Going to Extremes writer, presenter and Oxford geography don Nick Middleton visits Oymyakon in Siberia, where the average winter temperature is -47 degrees and 40% of the population have lost their fingers to frostbite while changing the car wheel. Next he travels to Arica Chile where there have been fourteen consecutive years without a drop of rain and so fog is people's only source of water. Going from the driest to the wettest, he visits Mawsynram in India which annually competes for the title with its neighbour Cherrapunji. However, Nick discovers even here, that during the dry season, there is water shortage and one entrepreneur has started selling it bottled. Finally his journey takes him to Dalol in Ethiopia known as the 'hell hole of creation' where the temperature remains at 94 degrees year round. Here Nick will join miners who work all day with no shade, limited water and no protective clothing. The book and series consider how and why people lives in these harsh environments. How does Nick's body react to these contrasting extremes? He looks at the geographical and meteorological conditions. He meets local characters and discovers the history of these settlements to find out how they ever became populated. He looks at the way both the population, and the flora and fauna, have adapted physically to the climate, and also considers the psychological impact of living under such conditions.

Galaxy Dog is an epic space opera. What starts as an ordinary invasion of an alien planet brings to light an ancient archeological site of huge importance. A young man called Knave makes a life-changing discovery there and rises from a lowly position as an infantry trooper to become a player among the powers of the galaxy. This is the story of his rise, and the story of the fierce and independent woman and the feisty robot who help him. It is also the story of a spaceship that can upset the balance of power across human space. A spaceship from an ancient time, built by aliens, and full of advanced technology. It is an action-packed, sci-fi page turner that goes in directions the reader just will not expect.

This eBook edition of "Ode to a Nightingale" has been formatted to the highest digital standards and adjusted for readability on all devices. "Ode to a Nightingale" is either the garden of the Spaniards Inn, Hampstead, London, or, according to Keats' friend Charles Armitage Brown, under a plum tree in the garden of Keats House, also in Hampstead. According to Brown, a nightingale had built its nest near his home in the spring of 1819. Inspired by the bird's song, Keats composed the poem in one day. It soon became one of

his 1819 odes and was first published in Annals of the Fine Arts the following July. "Ode to a Nightingale" is a personal poem that describes Keats's journey into the state of Negative Capability. The tone of the poem rejects the optimistic pursuit of pleasure found within Keats's earlier poems and explores the themes of nature, transience and mortality, the latter being particularly personal to Keats. The nightingale described within the poem experiences a type of death but does not actually die. Instead, the songbird is capable of living through its song, which is a fate that humans cannot expect. John Keats (1795-1821) was an English Romantic poet. The poetry of Keats is characterized by sensual imagery, most notably in the series of odes. Today his poems and letters are some of the most popular and most analyzed in English literature.

Amidst rain and fire and ruin, in a land of 'doomed addresses', a poet evokes the tragedy of his birthplace. The Country Without a Post Office is a haunted and haunting volume that established Agha Shahid Ali as a seminal voice writing in English. In it are stunning poems of extraordinary formal precision and virtuosity, intensely musical, steeped in history, myth and politics, all merging into Agha Shahid Ali's finest mode, that of longing.

The Story of My Life is an autobiography by Helen Keller. It is the story of Helen Keller and her life as a deaf and blind girl, and her triumph over these tribulations. In the book, she reveals her frustration and rage over her condition. It details her educational achievements and her introduction to the world through her breakthrough into communication. The story was written by Helen Keller when she was just 22 years old. The Story of My Life is a tale of the courage and unbreakable will of Helen Keller. The book has been adapted into a television series, a Broadway play, a Hollywood feature film, and an Indian feature film.
