

Cocky

An honorable Earl, an American Girl, and one losing bet that changes everything. Miss Charley Jackson never wanted to sail to England. The British are stuffy, and arrogant, and think far too highly of themselves. Particularly, the ones who referred to themselves as Lords. Julian Wellstone, the Earl of Westerley, had never walked away from a bet but should have known his luck would eventually run out. He should have known a time would come when the gambling tables would turn against him. Which is exactly what happened when he played "one more hand" and lost the game of a lifetime to American Whiskey King, Mr. Daniel Jackson. Jules has no choice but to honor the bet and court the man's daughter—a chit who managed to get under his skin from the moment he met her. But honor is everything. Until love deals him a new hand. And once the lines are blurred, all bets are off. Will he fold and walk away, or will he ante up his heart and risk everything for the love of a lifetime?

My second grade students guerrilla glued my pants. Don't ask. And the attending physician, Johnny... i can't get him off my mind. He's single handedly the handsomest man I ever met. Ever. I mean seriously. Sure I flirted. You would too. Any woman with a pulse would have. And our heated moment was just that. Or it was supposed to be. Turns out he's a single dad. And his son is in my class. His son's always picked up by his nanny, so we'd never met. Until she quits and he's stuck. He offers me the job of professional nanny after school for the rest of the year. And he's right, I do have the time. But I wasn't expecting the magnetic attraction he stirs in me. He says he didn't see me coming either. But he has a bevy of potential women chasing after him. And I'm now the hired help. What I'm not saying is how I wish I actually believed in happily-

ever-after. And I never expected what happened to us.

Four cocky brothers. Four steaming-hot contemporary romances. Four happily ever afters. "Howell and Wolf are becoming the go-to for office romances with this series." - Chelle Bliss, USA Today Bestselling Author of the Men of Inked Series. This AMAZON TOP 50 bestselling series is available in one collection for a LIMITED time! Includes four full-length, standalone romance novels in the Cocky Suits Chicago series. Book 1: Cocky Playboy Book 2: Possessive Playboy Book 3: Filthy Playboy Book 4: Arrogant Playboy What readers are saying: ????? "An enemies-to-lovers-forbidden-office-romance filled with steamy, sexy encounters with just a slight addition of mild angst, concluded with a warm cup of sweet HEA." ????? "Ahhhh I love me some cocky Alphaholes and Decker, damn he gets me going!" ????? "Decker Collins was a hot, cocky, dirty talking hero" ????? "WOW! Great series if you love Vi Keeland and Penelope Ward's Cocky Hero Club! It's out of this world!" ????? "Where have these two authors been hiding? Holy crap I need some more office romance like this! Reminds me of Billions on Showtime but better!" ????? "If you've watched Suits on USA Network, you will fall head over heels in love with Decker and his three brothers! They need to make this into a TV series!"

It was just a typical manic Monday until the blue and red lights flashed behind my Harley. The cop who pulled me over was good-looking, if you're into clean cut guys with expressive eyes. He was also cocky and gave me three tickets. One for speeding. Another for blowing a light. And the third for not producing an insurance card. Jerk. When he finally let me go, I realized I was more than an hour late for my first day as an intern for the infamous advice column, Ask Ida. So much for trying to be the only one in my family with a legit job. Lucky for me, my new boss, Soraya, didn't fire me on the spot. But that's where my luck ran out. A couple of weeks later, in between fetching coffee and finding the missing paperclips, I received a text message from my dad, the president of the Corrupt Hellraisers MC, ordering me to the compound. Yeah, try explaining that to your new boss. Hey, I've gotta go. Everyone in my family is a criminal and we're all on lockdown. You're fired. Sure enough when I arrived at the clubhouse, everyone was in cuffs and the jerk who pulled me over was the one ushering my father out of the clubhouse. They say you never see the bad guys coming. Well, I didn't see the cocky jerk coming either.

Cocky's Castle

A Fake Courtship that becomes all-too-real... The Marquess of Greystone is responsible for carrying on his family's name and he's determined to fulfill his duty. He will marry a proper lady, of a proper lineage, and produce an heir. He's even gone so far as to obtain permission to court Lady Isabella, the debutante he's decided would make an excellent marchioness. But first, as a favor to his friend the Baron of Chaswick, he's promised to assist in easing the man's illegitimate sister's entrance into society. A trip around a lake in a rowboat and a drive through Hyde Park ought to be enough to help the chit feel welcome. Miss Diana Jones believed her brother's title would pave the way for her entrance into society but gaining the acceptance of the ton is not so simple as that. When her brother's friend rows her around the lake and another gentleman takes notice, she cannot help but believe if the Marquess were to appear to be actually courting her, she'd have no trouble at all attracting a suitable husband. Despite Lord Greystone's advanced age of nine and twenty, he is lofty, proper, and a little stuffy. He's the perfect man to pretend that she's captured his heart! And of course, he will help her, he's one of her brother's best friends. What begins as a game of pretend turns both

of their plans upside down when their feigned affection blossoms into genuine feelings neither bargained for. Lust. Joy. Love? Will the marquess and Diana overcome their differences or will those differences keep them from knowing the love of a lifetime?

A duke pretending to be a butler and a very suspicious spinster realize that choosing love isn't as easy as one might think... "The loser must perform butler duties for the winner throughout the Season this spring." The Duke of Blackheart should never have accepted the wager. A foolish drunken night of games had led to an uncomfortable promise, but after considerable planning and a good deal of delegating, he'd found the charade almost too easy... Or so he'd thought, until Lord Greystone's spinster cousin arrives, lips pinched in disapproval, eyes filled with suspicion, with the potential to spoil everything. Miss Violet Faraday had come to London for one reason only—to assist in launching her niece into society. She did not come in hopes of landing a husband for herself, nor had she expected to come face to face with her tragic past. Most of all, she had not planned on becoming extraordinarily fascinated with Mr. Cockfield, her cousin's charming, arrogant, and ridiculously good-looking butler. He is a servant and she is a lady... anything beyond a mild flirtation can only lead to heartbreak...

What happens when a lady breaks the rules? Felicity Brightley is the most genteel of ladies. Raised to marry the Earl of Westerley, she's never failed to follow the dictates of society. Doing so, she'd been promised, ensured lifelong security and happiness. When her future is shattered, however, she decides it's time she tests those rules—perhaps make up a few of her own. Viscount Manningham-Tissinton (Mantis) isn't looking for a wife—especially not a lady considered a diamond of the first water. So when he stumbles upon Felicity, devastated by the betrayal at the hands of one of Mantis' closest friends, he takes it upon himself to comfort her. With a single kiss, and then another—until a storm of passion ignites between them—a storm that threatens to land them both in scandal. Because breaking the rules comes with a price. Will that price be a lifetime of regret, or is it fate's serendipitous design for their happily ever after? Only one way to find out...

I hate him and yet I love him. Trent's my adopted brother ... and he drives me up the wall!

Janie's the daughter of two hippie do-gooders. Her parents have a mission to save the world,

and that includes welcoming handsome quarterback Trent Lewis into their home after his parents pass in an unfortunate accident. Trent's got a chip on his shoulder the size of a house. Our hero's not interested in being "adopted" per se, especially because he's already an adult. But when the alpha gets a look at the curvy girl living under the same roof, suddenly the heat skyrockets ... because he and Janie are about to embark on the taboo! Hey Readers – Can you say FORBIDDEN? Well, we promise that no one is actually related in this fun-loving tale. As always, there's a sweet HEA where the BBW brunette gets her gorgeous man. Love, Katie and Sarah

Curtis Warren is an underworld legend, the Liverpool scally who took the methods of the street-corner drug pusher and elevated them to an art form. He forged direct links with the cocaine cartels of Colombia, the heroin godfathers of Turkey, the cannabis growers of Morocco and the ecstasy labs of Holland and Eastern Europe. His drugs went around the world, from the clubs of Manchester and Glasgow to the beaches of Sydney, Australia. His underlings called him the "Cocky Watchman". His pursuers called him "Target One". This best-selling autobiography uncovers his meteoric rise to become "the richest and most successful British criminal who has ever been caught". It relates how the Liverpool Mafia became the UK's foremost drug importers; tells how Warren corrupted top-level police officers; unveils the inside story of the biggest joint law enforcement investigation ever undertaken; and reveals the explosive contents of the covert wiretaps that brought his global empire crashing down. COCKY is a shocking insight into modern organised crime and a vivid account of the workings of the international drugs trade.

Revenge...Revenge was Killian Kingston's only intention in life. At a young age, he watched his entire family die slowly and painfully at the hands of the Clyper family. The Clyper's were notorious well-known physicians. People traveled all over the world to be seen by a Clyper. Some never came back, yet no one talked about those people. No one talked about the experimentations the Clyper's illegally did. Now, as a prominent doctor, Killian enjoys inflicting pain on his enemies, with no plans to stop until they're all destroyed no matter what. Things begin to change when Alegra a medical student enters his life. She's bright. She's resilient. She's a fucking Clyper. A Clyper that was dismissed the day she was born. Although that makes her innocent...she's still a Clyper.

Mr. Peter Spencer isn't interested in anything but his music, until, that is, a most unlikely lady touches his soul. She reminds him of a perfectly made violin that's languished untuned for far too long. Unfortunately, she also intimidates the hell out of him. Lady Starling has lost hope and faith in everything around her. Love only betrays, it never fulfills its promise. Can Peter convince her to trust her heart or will she turn her back on a future with the man of her dreams? Cocky Brother was initially published in December 2020 under the title Mayfair Maidens. This COCKY BROTHER version includes bonus content and it is Book 4 of the Regency Cocky Gents series. The hero, Peter Spencer, is Stone's--AKA Cocky Mister's--brother. It can be read as a standalone or with the series. I hope those of you who read the first version love the new scenes as much as I do!

Four enterprising young people in Australia set out to renovate a hundred-year-old house known as "Cocky's Castle" for a Historic Homes contest with surprising results.

Ah, Valentines Day. Love is in the air...or not. Something is amiss in the hen house. The girls have lost that loving feeling, and Reginald and the other roosters will do anything to regain their attention, even if it means resorting to drastic measures. Can they woo their ladies back, or is this the end of the flock as they know it? If you like stories with talking animals (and often wise-cracking ones), then you'll love the Cocky Doodle Doo series!

Some loves are worth fighting for. When Cocky sees something he wants he goes for it, consequences be damned. But when what he wants means crossing boundaries and blurring lines that could break more than hearts, he has to decide how far he's willing to go. Everything

he has ever wanted is within his grasp, but life is unpredictable. There's a new enemy in Webb Hollow, threatening to destroy the one he cherishes most. A Fake Marriage, a touch of amnesia, and a pact that whatever happens in Gretna Green, stays in Gretna Green.... If Lady Tabetha Wellstone can land a duke for a husband, she'll have fulfilled her destiny once and for all...so there is no way she'll allow herself to fall for Stone Spencer—a mere Mister—even if he is tall, dark and incredibly handsome. As the loser of a bet, Stone Spencer, second son of the Earl of Ravensdale, “wins” the distinctive honor of watching out for his good friend Lord Westerley’s youngest sister for the duration of the spring season. She’s spoiled, and headstrong, and determined to make his task impossible. In the end, he may be able to protect her from herself, but who will protect her from him? Or is Stone the one who needs protecting?

An unforgettable portrait of the emerging world's entrepreneurial dynamos Brilliant, Crazy, Cocky is the story about that top 1% of people who do more to change their worlds through greed and ambition than politicians, NGOs and nonprofits ever can. This new breed of self-starter is taking local turmoil and turning it into opportunities, making millions, creating thousands of jobs and changing the face of modern entrepreneurship at the same time. To tell this story, Lacy spent forty weeks traveling through Asia, South America and Africa hunting down the most impressive up-and-comers the developed world has never heard of....yet. The individuals profiled in Brilliant, Crazy, Cocky are distinct products of their own cultures, yet they share that same unmistakable cocktail of delusion, ambition, and brilliance that drove Bill Gates, Fred Smith, Donald Trump, and every other iconic American entrepreneur of the last few decades.

Based on the NYT Bestselling series by Vi Keeland & Penelope Ward, Cocky Captain is a sexy standalone novel in the Cocky Hero World. Logan is exactly the kind of man I despise. Cocky jet jock, a former Navy Blue Angel, and full of all the arrogance that comes with being the best of the best, and he's fighting for a forever...with me.

SECRET CRUSH * BROTHER'S BEST FRIEND * COMPROMISED Three years ago, Lady Bethany Fitzwilliam's season in London was cut short when her father was killed in a duel. Shaken by the tragedy, she devotes herself to her grieving mother, sister, and brother and settles into a life of spinsterhood. Besides, no one can ever live up to “Chase” the Baron of Chaswick, who she’s secretly loved for most of her life — and who also happens to be one of her brother’s closest friends. Aside from being the most beautiful man she’s ever known, Chase is charming, kind and all a woman could want. He’d never notice a girl like Bethany and so she’ll suffer her unrequited love from afar. It ought to be enough. And it is. That is... until he has no choice but to notice her.

Two weeks touring art galleries in London-that's what my Uncle Stig promised. It was going to be a nice quiet trip with my favorite relative who also happens to be the US Ambassador to England. The only problem? It's a little too quiet. I crave something more than four o'clock tea and crumpets. Which is how I end up at Jayvee's, a London nightclub. While my uncle

discusses politics with diplomats, I'm on the other side of town, heating up the dance-floor. I capture the attention of Lord Fernborough and he corners me in the nightclub. He's arrogant. Opinionated. And devastatingly handsome. Just as I'm about to be swept off my feet by his icy blue eyes, he tells me how he insulted the US Ambassador on national TV. I return the favor by throwing my Cosmopolitan in his face. No one disses my uncle. His Grace (that's how his employees refer to him) calls twenty-six times before I toss my phone in the Thames. I don't care who he charmed to get my number. I don't care if every muscle in my body thrums with lust within two seconds of meeting him. The cocky duke can go to hell because I'm flying back to the West Coast at daybreak. It's not like he can stop the plane...

"It's about family, being grateful for the ones who love us even when they know us." Laughter ripples through my special guests. "Friends are family, too. Our chosen family. And you're all mine. I couldn't be more thankful to have you in my life." This love story begins with one wild Halloween party then falls deeper into...fall. Like all the holiday novellas in this series, it features a side character. Billy appeared in Nicholas and Caden's books, the friend whose house burned to the ground, the event that made him up his stakes in life, and rise to the challenge. The Cockers make many appearances and clues are left for future books...I hope you enjoy it.

Today is officially the worst day of my life... I woke up five hours late after a reckless one-night stand with the sexiest, cockiest, and most arrogant man I've ever met. (And this asshole actually left a note: I think you were lying to me about being "experienced" last night. You orgasmed three times, and that was before we made it to your bedroom. I also find it hard to believe you "usually wear silk or lingerie." Your drawers are all full of cotton granny panties--The best man you've ever fucked...) My top two clients for my PR company left to my number one competitor, my roommate 'accidentally' bleached my favorite suit, and my favorite coffee shop was shut down for "health concerns." Still, none of those things dimmed my excitement for what was supposed to be the best four o'clock signing session of my career. I was on the verge of signing the highest paying client in my company's history, taking on a so-called "impossible" job that no publicist had been able to handle. But at four o'clock, there was no athlete, television personality, or celebrity. Instead, that sexy, arrogant one-night stand stepped into my office with a familiar smirk and introduced himself as my new, cocky client...

Aubrey et Chance n'ont rien en commun. Sauf peut-être leur destination : la Californie. Ils se rencontrent dans une station-service au coeur des Etats-Unis, et le destin va faire en sorte qu'ils vont faire route ensemble. C'est le début d'un voyage riche en mésaventures plus étranges et amusantes les unes que les autres. Qui aurait cru qu'une figurine du président Obama et une chèvre joueraient un rôle si important dans leur vie ? Aubrey est sérieuse, un brin coincée. Chance est mannequin et ancien footballeur australien. Il déborde de charme, mais il y a peut-être plus derrière son masque prétentieux et provocateur. Ils ont peu de points communs mais ne dit-on pas que les contraires s'attirent ?

I thought the scenery would be the highlight of my working trip to Scotland, then a dark-haired, kilted Highlander walks into the bar. That swoony Scottish accent. Dark eyes and a sexy smirk. Would anyone blame me for a quick holiday romance? Except if I want to keep my job, Ewan is

off limits. I need to lock down my lust. For a former poor kid who's used to deprivation, this should be easier. But my cocky Scot doesn't agree, and he's hell bent on changing my mind. -- Cockey Kilt is a cute and steamy romp between a New York lass and a determined Scot. Expect sexting after dark and a love-conquers-all happy ending. Written in the Cockey Hero Club world, Hailey, our heroine, is first featured in Park Avenue Player by Vi Keeland and Penelope Ward. Cockey Cruiser Cockey Cruiser is a full-length standalone novel in Penelope Ward and Vi Keeland's Cockey Hero World. Adelel never expected to meet a handsome stranger on a family vacation with my brother, Chance, and his wife and son. And I sure as hell didn't expect to hop on a nineteen day cruise with said handsome stranger across the Pacific. Hey, you only live once, right? I didn't have the best track record. I'd made some bad decisions in my life and hurt people in the process. For some reason, this trip felt like a new beginning for me; a fresh start to finally get my life back on track. I just didn't plan to fall in love in the process. Cohen I wasn't sure what made me invite the beautiful bombshell on the cruise with me; maybe I just didn't want to be alone and be reminded of what I'd lost the entire time. I didn't expect anything in return from her. I didn't want to complicate things. But somehow one thing led to another and I kept telling myself that she was just a fling. I didn't do love or relationships and I wanted to keep it that way. Once the cruise was over, we'd go our separate ways and would have some unforgettable memories to last a lifetime. At least that's what my plan was. But sometimes, life doesn't always go according to plan. Author's note - Due to strong language and sexual content, this book is not intended for readers under the age of 18.
