What does a to-the-core, orphaned Marine have in common with an introverted electronics expert with too much family? A dog, of course. Lainy Morrison, self-proclaimed nerd, helps Captain Mitch Monahan by taking his dog while he's deployed. Through e-mails, family DVDs, and pictures, the pair get to know one another. They soon fall in love, but can love sustain a relationship formed an ocean apart and overcome old fears? Set in contemporary Hershey and Kuwait the Nerd and the Marine encompasses humor, poignancy, and the relationship between two people oceans apart.

Explains the online dating process, from choosing the right site to creating a profile to sorting through matches, while also offering safety tips and advice on preparing for a first date.

Steamy romance and scintillating mystery in one hilarious romp! Fans of Janet Evanovich and Katie MacAlister will love this sexy new adventure. Luke Hansen, gentle giant and piano tuner from Minneapolis, is on a mission. He needs to catch the con man who sleazed off to Florida with a treasured piece of Piano Tuners Guild property. But when he tracks the thief down to the Castillo Import Company in Miami, he has no idea what kind of sexy Cuban insanity he's in for. Esmeralda Castillo, swimsuit model and aspiring zookeeper, is not going to let some hunky piano man get in her way, not when there are elephants that need saving from unscrupulous ivory dealers. But when she finds herself up to her bikini in cocaine gangsters, drag queens, and alligator catchers, she decides that a smokin' Minnesotan who can beat the daylight out of all of them just might come in handy. Esmeralda and Luke soon find themselves in a fight to the death over illegal commodities, family, and honor. But the most dangerous thing they'll encounter? Love. Rated R for sex, violence, and pianos!

Devdutt Rastogi fell in love with Pritha Bakshi when he was 15 years old. He didn't know that then. His life fell apart after Pritha's father had to move to Delhi. There was a void left in his life, the kind only a girl could leave behind... What if that girl comes back to his life 9 years later... but now she has a boyfriend? And what if that boyfriend is an IIM grad, drives a C class Mercedes Benz, looks like a supermodel and worse of all, is his new boss?!! What does Devdutt do? Does he accept life as it is, like he has done all his life? Or does he fight back? Devdutt aka Dev is a mechanical engineer and works with Von Wahl (VW) electric. Devdutt isn't from IIT or IIM. He is not a genius. But he is hard working. He hasn't talked to more than 4 girls in his life, and one of them is his mother. Maybe he is a nerd. He is a really nice guy but is that enough? Akshay Sarin, the flat mate, who is known for his exploits and is quite the lady-killer, helps Devdutt the nerd, with dating tips to get Pritha to fall in love with him again. But will these tried and tested tips work on a girl as educated like Pritha a doctor MD (medicine) from AIIMS, the top medical institute in the country? What plan does Akshay come up with? How do Dev's other flatmates Umesh Purohit, who takes a dump every morning at 6 and then goes back to sleep and Kunal Nair, the Aamir Khan look-alike who has a crush on Silk Smitha, the mallu actress, fit in this plan? Interweaved within this story is the story of Devdutt's father's revenge. It is safe to say that Dev's father is the hero of this story in his own right. If it hadn't been for him, this story wouldn't be written. Does Dev get his girl back? Does he have his father's revenge? How and why does he bring down a Business Empire built on fraud and deceit? How I got my girl back...A nerd's guide to dating - an amazing love story and more... set in the beautiful city of Pune.

If you're religious about your coffee, you're in holy company. If you like your coffee with a bit of inspiration, a hint of humor, and a dose of insight, you'll enjoy pouring a mug full of java and curling up with *Holy Grounds*. Popular author and avid coffee drinker Tim Schenck brews just the right blend of the personal and historical as he explores the sometimes amusing and often profound intersection between faith and coffee. From the coffee bean's discovery by ninth-century Ethiopian Muslims to being condemned as "Satan's drink" by medieval Christians, to becoming an integral part of Passover in America, coffee has fueled prayer and shaped religious culture for generations. In *Holy Grounds*, Schenck explores the relationship between coffee and religion, moving from faith-based legends that have become entwined with the history of coffee to personal narrative. He takes readers on a journey through coffee farms in Central America, a pilgrimage to Seattle, coffeehouses in Rome, and a monastic community in Pennsylvania. Along the way, he examines the power of ritual, mocks bad church coffee, introduces readers to the patron saint of coffee, wonders about ethical considerations for today's faith-based coffee lovers, and explores lessons people of faith should learn from coffeehouse culture about building healthy, authentic community.

She's a nerd in nerd's clothing, easily identifiable, so why is a prince attracted to her? Why would his hotness, Prince Aleks, want her, Dr. Tia Morrison, major nerd? And why on earth did she give her cell phone number to a bona fide prince? She's not princess material – ask any of her three obnoxious brothers. But it would take a stronger nerd than Tia to resist Aleks's pleas. His water wells are dying and his country is running out of water sources. He needs a microbiologist. He needs Tia. And Tia figures, what could go wrong? Watch out Rurikstan, there's a Bad Nerd Rising.

This volume presents the most recent developments in diagnosis and treatment of patients with gastroesophageal reflux disease (GERD) and those who continue to be refractory to conventional GERD therapies. The book delineates the role of newly developed endoscopic therapies in GERD and outlines the best candidates for surgical fundoplication. Topics as the risks associated with GERD, lifestyle modification in GERD and the role of H2RA and proton pump inhibitor therapy in treating reflux disease are also explored. Written by authorities in the field, Diagnosis and Treatment of Gastroesophageal Reflux Disease is a concise yet comprehensive resource that is useful for primary care providers, gastroenterologists, pulmonologists, surgeons and ENT specialists.

Clayton Hargrave is successful, wildly good-looking, super intelligent and will do anything to get what he wants. When he meets Katy Maldon she ticks all the boxes for exactly what he's looking for in a short term, intense relationship. The woman is strong willed, beautiful and most of all, she has the kind of intelligence that makes him weak at the knees but hard in all the right places. The problem is that Katy is a fugitive from justice who has turned living off grid into an art form. Romantic relationships, short term or otherwise do not enter into her secretive world. She cannot and will not reveal anything of her past to anyone, least of all this controlling, know-it-all billionaire with his massive sense of entitlement. Will this desperate woman be able to

side-step the crazy world of the billionaire's secret desire and keep her precious anonymity? Or will she give in to her own desires and be brought to her knees by this achingly hot man?

ABOUT THE BOOK Love is a kind of feeling which we invite in our lives. But, we do not have any control over it. We have no idea about how, when and where it will happen. But, we know one thing that it will happen. Rachel, who never thought of falling in love unless she met Abhishek. She had feelings for him. She felt that he was the one meant for her. Abhishek assumed, telling Rachel about his feelings towards her might result off the track. And their friendship may get broken into small pieces. And he was not okay with it. 'The Pending Coffee' is clearly a story about friendship that later turns into love. ABOUT THE AUTHOR In case you don't know Deval Gadhvi - the author of the book, she's a book nerd. Her childhood has been all about books. Her parents used to get her books to read during holidays since she was seven years old. She's someone's daughter, someone's sister and someone's friend. She's known heartbreak and joy and digests both in company unlike anyone I've ever known. Deval has a way of looking at the world with wonder and appreciation. She believes in staying happy with whatever she has. Her favourites include reading, music, watching movies and TV shows, going out to brunch on Sundays, exploring places and living alone. Her previous works are 'The Happenings', 'Enriched With Love' and 'The Feelings' which you can find on amazon. To know more, follow her on Instagram and Twitter under the id @penwomanshares. You are free to mail her at [devalgadhvi0@gmail.com](mailto:devalgadhvi0@gmail.com).

He doesn't believe in fate. She's fine with single life. The gods have other plans. Seamus MacNamara may be a mythical creature, but that doesn't mean he has to believe all those legends about selkies finding their fated mates. Specifically, that his mate will rescue him. Complete nonsense. If he is going to ask a woman out, he'll do it because he likes her personality, not because she saves his life. Problem is, the barista Seamus has tried his hardest to flirt with ends up giving him the Heimlich when a cookie goes down the wrong pipe. What would a siren want with a selkie, anyway? Neri Onassis may have thought Seamus was cute at first, but when he freaks out after her acting the badass hero, her tiny crush evaporates. Good thing, because she needs to put all her brain power toward figuring out her new life in Folk Haven, the mythic-filled town next to Lake Galen. After an awkward break up with both a man and her parents, Neri left her old life behind, determined to figure out what kind of person, and siren, she wants to be. An ungrateful selkie is only a distraction. But when the two continue to cross paths, a spark of attraction refuses to extinguish. Is it the gods? Is it chemistry? Does it matter?

Digestive complaints have become increasingly common. Recent statistics show that gastrointestinal complaints account for nearly a third of all visits to primary care doctors and that nearly one in two Americans suffer from digestive disease. Millions more suffer from conditions such as migraine headaches, arthritis, mood disorders, chronic fatigue, asthma, allergies, and menstrual dysfunction, which are all related to a disorder in digestive health. Despite the evidence in support of integrative approaches to treatment and prevention of digestive symptoms, these approaches are largely overlooked in treating gastrointestinal disorders. Rather, treatment plans tend to be exclusively pharmacologically based and have appreciable toxicity. Integrative Gastroenterology, Second edition, is a comprehensive guide to helping health care practitioners understand and appreciate how to manage patients with gastrointestinal conditions integrating conventional and complimentary approaches. This text reviews the latest advances in science and research with regards to the gut microbiome, physiology, and interconnections between the gut and other organ systems. Coverage includes a diverse range of treatment methods, such as probiotics, meditation, massage, yoga, supplements, special diets, energy medicine, homeopathy, and acupuncture, as well as a special section devoted to mind-body medicine in digestive health and disease. In discussing unconventional treatments, the authors address many of the controversies that surround the

remedies.

Christian Gunn and Stella Harte are estranged step-siblings. They hated each other's guts growing up and stayed away from one another as they grew older. Stella was too stuck up for Christian, and Christian was too lazy for Stella. But, when the death of their parents forces them to come together for the reading of the will, their relationship gets even more tense. Stella's father leaves the family company to Christian, and her world begins to fall apart. But, what happens when Christian admits he needs help? What happens when this man stands up to run the company? What happens when Stella Harte slowly lets in the one person she's pushed away all her life?

Cian Hunter is tasked with the impossible: find Verity Wellington and bring her home safely. His survival is not guaranteed. Everyone in their business knows Verity is perfectly capable of getting herself home, since she's the gut-them-first-and-ask-questions-later type of operative. She also has the advantage of knowing where she is,

pest has come to destroy his life. Ozz is unwittingly thrust into a world of extreme danger over and over and just when he thinks it's over, his tormentor reemerges to continue the onslaught of sinking him into the deep end. It turns into a series of life and death situations, and once it started he knows it will never stop.

When KC Gilmore wanted something to heat up her cold, lonely nights, she should have been more specific. Sand, unbearable heat, and caring for the wounded in Kuwait wasn't what she had in mind. An ocean between her and Max Morrison, her business partner and best friend and the man caring for her son and dog has caused her to view Max in a different light. Now she has to struggle with growing feelings for the one man she can't do without. Will telling him destroy their precious friendship?
