A man-shy woman! A wedding-shy man! A preaching-shy preacher! And one conniving outlaw with plans -- take over the town, then the Territory! Middle-aged Pearl King heads to Come-By-Chance, hoping for a quiet life of gentle female companionship, and time to dedicate to the causes she believes in -- Equality for All -- regardless of gender, race or religion. However, when she arrives in town, the entire place is in an uproar -- with a preacher who won't preach, a Mayoral election campaign rife with corruption and Gold Rush Fever! And added to all that, it seems her friend, Beryl, has matchmaking on her mind too -- involving Pearl and "Uncle" Maurice Carlson, who has been commissioned to build Beryl a grand home in the center of town. But it's complicated. Fearless campaigner, Pearl, and normally fearless dabbler, Maurice, both live with the shame and scars of a failed marriage. As if all that isn't trouble enough, the town's popular Kate Davis finds herself up against Slim Jim Murdoch for the position of Mayor -- and it's hardly what you'd call a fair fight. And let us not forget our beloved Preacher, Ernest James Coy, who's come clean with his past and must now deal with the consequences. It might be the pride of hard work on rugged terrain, the welcoming community, or the memories—but wherever the folks of Morgantown may roam, they have a way of coming back to the ranch . . . There's a reason Jackson Lymond left the Air Force, but he's not telling a soul. He'd rather keep things simple, while trying to start a new life helping his older brother on their northern California ranch. At least Morgantown's flirty local bartender can keep his mind off the past—that is, until he runs into Daisy Miller . . . Daisy doesn't really expect Jackson to remember her. Back in school she did her best to blend in—and pretend she didn't have five brothers who'd hogtie any boy who even looked at her. These days though, she and Jackson might have more in common than just their ranching relatives. After all, they both left home only to return. Trouble is, under the watch of her fiercely protective family, Daisy is longing for some privacy. Letting Jackson into her life could make that even more difficult—or it might be the second chance they're both looking for . . . Praise for Kate Pearce's *The Bad Boy Cowboy* "HW and Samantha are unique and memorable, and this is the strongest story yet in Pearce's excellent series." —Booklist

way of that. Not even such a good man as the Come-By-Chance preacher. As for Ernest Coy himself, he sees the new woman in town as the wildest, most dangerous, and wonderful woman he's known. But these are dangerous times, and the preacher must face, not just one, but twomighty conundrums — conundrums that threaten the future of not just himself, not just Jane Waters, and not just the Come-By-Chance townfolk. No, this time, the evil Slim Jim Murdoch might well destroy the lives of everyone in Montana Territory — and perhaps, in time, even the entire country. A timeless story of the importance of love and respect — and the difficult choices good people must make, when faced with evil incarnate.
