how to trade shares is back - and this time it's even more revealing. In this completely updated and expanded third edition, top trader Robbie Burns gives you the lowdown on the trading strategies you need to make money from the stock market without having to sit at a screen for every second of the day. Robbie quit the rat race more than ten years ago, and believes you can do it too. The first two editions of *The Naked Trader* flew off the shelves as the glowing reviews from readers mounted up. This brand-new third edition contains even more essential content than before: more vital tips, more key facts, more ideas, more insights, more real-life tales and an awful lot more toast. Not to mention twice the number of secret trading strategies: 20 proven techniques that you can use to make money from the markets. Trading shares, eating toast, making money Robbie, aka the Naked Trader, is your expert and highly entertaining guide to the often baffling world of the stock market. In between cups of tea, rounds of toast and watching "Cash in the Attic", he describes the straightforward techniques that have enabled him to succeed in the markets, escape the rat race and ensure he never has to wear a tie again. This book tells you all you need to know to become a successful investor. From how to find good shares in the first place, ensuring you don't buy a complete stinker, to getting your timing right, minimising your losses and learning how to let your profits run. And for the first time, find out how

Robbie even made money and protected himself during market meltdowns and how you too can defend your trading when the market throws a wobbly. He also happily reveals his mistakes too. If you're a complete beginner you can start here. And if you're currently trading but want to learn some new ideas, get reading now! The Naked Trader is packed with practical and easy-to-follow advice, with none of the incomprehensible jargon found in so many other books. Robbie hates jargon and writes in plain English! Whether you just want to make a few quid on the side while you're at work or eventually you want to go on to make money from the markets full-time and quit work like Robbie, this book is all you need to get started. So grab some tea, toast and relax - and start trading the naked way.

A detailed look at one of the most underestimated aspects of trading-selling In The New Sell and Sell Short, Second Edition, Dr. Alexander Elder explains how to exit a stock at the right time and how to initiate a short position to profit from a stock that is showing weakness. Often overlooked, selling properly enables a trader to cut losses and maximize profits. Moreover, short selling in a weak market can generate big profits and should be a part of every trader's arsenal of tools. The new edition contains numerous examples of short selling stocks from the 2008-2009 bear market, demonstrating very clearly why traders do

plan for the often complex world of investment opportunities.” –Dr. Alexander Elder, Author of *Come Into My Trading Room* and *Trading for a Living A Complete Roadmap for Investing Like a Pro That Requires Only 1 Hour Every 3 Months* The easy way to build a winning portfolio—and keep winning Reduce risk, increase growth, and protect wealth even in tough, volatile markets Absolutely NO background in math or finance necessary! You can do better! You don’t have to settle for “generic” investment performance, and you needn’t delegate your decision-making to expensive investment managers. This book shows how you can quickly and easily build your optimal global portfolio—and then keep it optimized, in just one hour every three months. Top investment managers Gerald and Marvin Appel provide specific recommendations and simple selection techniques that any investor can use—even novices. The Appels’ approach is remarkably simple and requires only one hour of your time every 3 months, but don’t let that fool you: it draws on state-of-the-art strategies currently being used that really work. www.systemsandforecasts.com www.appelasset.com www.signalrt.com If you know what to do, active investing can yield far better returns than “buy-and-hold” investing. But conventional approaches to active investing can be highly complex and time-consuming. Finally, there’s a proven, easy-to-use approach: one that’s simple enough for novices, quick enough for anyone, requires no background in math—and works! Gerald and Marvin Appel show you how to identify, and give you specific recommendations for, the best mutual funds, ETFs, bond funds,
