

Come Out De Wilderness

"Often considered alienated from mainstream culture and consigned to negative environments, Afro-American writers have created alternative spatial and geographical metaphors to develop a positive sense of individual and cultural identity. Melvin Dixon demonstrates how three principal figures of the land--the wilderness, the underground, and the mountaintop--have become places of refuge and cultural revitalization for the performance of identity, from early slave songs and fugitive narratives to modern and contemporary fiction"--Jacket. Includes section, "Book reviews".

It is a well-written book. It grabs you right away. Exuberantly mixes sweet things in life such as friendship, love, family and its filled with plenty of action. It is easy to read, can be read by anyone and you don't want to put it down. In Found by Chance Sustained through Struggle you will find: Love, victory, adventure, escape, joy and action.

Paradise or wasteland--the wilderness has always been a challenge to Westerners. Wilderness and Paradise in Christian Thought traces the exciting theme of the quest for the wilderness--both physical and metaphysical--to create a new and important perspective for understanding Christian civilization. With a wealth of knowledge, a renowned historian presents the biblical understanding of the religious and ethical significance of the desert and how this understanding has influenced later Christian history and culture. Dr. Williams specifically applies the paradise theme to the university today and shows the continuing vitality of this ancient concept.

Wilderness and Paradise in Christian Thought Wipf and Stock Publishers
