World-class biblical scholar/author Fitzmeyer has written a masterful study on Paul's Epistle to the Romans that will rival the great commentaries on Romans by Martin Luther and Karl Barth. Fitzmeyer is the author of the popular Anchor Bible commentaries on the Gospel according to Luke.

Communion with God, or in full, "Of communion with God the Father, Son, and Holy Ghost each person distinctly, in love, grace, and consolation; or, the saints' fellowship with the Father, Son, and Holy Ghost unfolded," is John Owen's finest devotional treatise. This work expounds "the most glorious truth that believers may have distinct communion with the three persons Father, Son, and Spirit," and being addressed to the "Christian reader" is simpler than much of Owen's theology. (Unabridged. Includes all footnotes.)

Martin Luther's writings console us, surprise us, and nourish our faith. These selections, arranged for daily reading, address contemporary spiritual concerns. Paired with a biblical text, each reading offers timeless truths to guide and inspire a new generation.

Peter and Jude offer important insights for Christians in their daily walk. In this commentary, Luther explores the text in the clear yet direct style for which he is known.

Commentary on Romans Kregel Publications

Building on his own translation from the Greek, Hultgren walks readers through Romans verse by verse, illuminating the text with helpful comments, probing into major puzzles, and highlighting the letter's most inspiring features. He also demonstrates the forward-looking, missional character of Paul's epistle -- written, as Hultgren suggests, to introduce Roman Christians to the major themes of Paul's theology and to inspire in them both confidence in the soundness of his teaching and support for his planned missionary efforts in Spain.

Romans: the apostle Paul's magnum opus. It is a book that has changed the lives of countless men and women throughout the history of the church, and it could change your life as well! The Just Shall Live by Faith begins by clearly outlining the whole book of Romans and then sets about explaining each section of the outline in commentary form written from a pastoral perspective, with illustrative material and practical applications. There are questions for each section that can be used for individual study or small-group discussion. It has been field-tested by small groups of women and men, and has proven to be insightful, encouraging, and spiritually challenging. Romans is not a book meant to be casually read. The Just Shall Live by Faith will ensure that you go deep.

W. E. Best is a Baptist pastor and an excellent teacher of the Bible. The author chose this title (not to sin) to describe the Christ because it expresses the divine truth that Christ could not sin for the reason that as God He was perfectly holy, and as man He was perfectly holy. "Holiness is far more than the absence of sin; it is positive virtue. The Lord Jesus could not sin because the days of His flesh meant only addition of experience, not variation of character. Holy humanity was united to Holy Deity in one indivisible Person, the impeccable Christ." It could not be otherwise, else, the holy Deity would have been defiled by any unholiness in the human flesh. This book slays completely Satan's lie which says that Christ was human, therefore, He "could have sinned, but did not." Yes, He was "tempted (tried) in all respects according to our likeness, apart from sin." However, the trial, or test, was to demonstrate His perfect holiness, that regardless of stress or trial, it was impossible for Him to sin. In short but powerful sentences, the author comprehends the mysterious and marvelous Person who is the Christ. He covers such pregnant subjects as The Eternal Son of God; The Son Declares the Father; The Mystery of Godliness; The Incarnation; the Virgin Birth; Christ's Human Nature; Christ's Human Soul; Christ's Human Growth; Christ's Baptism; Christ's Temptation; Christ's Impeccable Life; The God-approved Man; Christ's Prayer Life; The Drawing Power of Christ; Christ's Discriminating Message; Christ's Miracles; Christ's Death; Christ's Headship; and, Christ's Kingship.

The book of Romans is one of the best-loved books in the entire Bible. Paul's explanation of the doctrine of justification by faith is rooted deep within the hearts of most Christians. Further, the acknowledgment that we are not under law, but under grace has given Christians freedom from the bondage of legalism for centuries. However, Romans is a complex book filled with difficult theology. To make this revolutionary book more accessible to the common man, Alan Johnson has written Everyman's Bible Commentary on Romans. The original two volumes are now combined into one complete volume. The commentary is also updated, expanded, and revised. The easy style and careful presentation make this an excellent commentary for laymen and pastors alike. Study Paul's discussion of the believer's new life in Christ, with their release from sin and death, and the faithfulness of God. Be encouraged and strengthened with a more in-depth understanding of your position before Christ with this commentary on Romans.

This introduction to the interpretation of Romans aims to encourage in-depth study of the text, and genuine grappling with the theological and historical questions raised, by providing a 'map' to the letter as a whole, and to key interpreters and interpretative debates. It will draw on a range of methodological approaches (author-, text- and reader-centred), as complementary rather than mutually exclusive ways of interpreting the text. In particular, this new introduction will attempt to reflect the growing scholarly attention to the reception history of biblical texts, increasingly viewed as a vital aspect of interpretation rather than an optional extra

This exposition on the book of Galatians by Martin Luther was the most powerful discussion of justification by faith prepared by any of the Reformers, a work that has had a profound impact on many Christian leaders throughout the centuries.
