This workbook includes questions that mimic the format and content on official assessment so students can excel on exam day (covering all the 3rd grade math curriculum, including arithmetic, geometry, algebra, and measurement). What You Get When You Purchase this Math 3 Common Core Book Skill-building exercises organized by Common Core standard to help students learn & review concepts in the order that they will be presented in the classroom. These worksheets also help identify weaknesses that need to be addressed to excel on the exam. We include a variety of question types to help build skills in answering questions in multiple formats, so students don't get tripped up by unfamiliar questions on test day. Two Grade 3 Practice Tests: Our practice tests are based on official State assessments for the Grade 3 Common Core curriculum. They contain the major question types, including Multiple-Choice and Constructed Response, and include the same rigorous content found on State tests. Practice with "Technology Enhanced Items" (TEIs) in a paper-based format. By using this workbook, students can get used to all Grade 3 item types & response formats. Answer Keys that contain detailed explanations to help students not make the same mistake twice. If a student is having difficulty in one area, encourage the student to practice that specific set of skills in the relevant worksheet. Test Prep Tips so students approach the test strategically & with confidence. Additional Test Prep Books Kweller Prep creates workbooks and test prep books written by seasoned educators who have familiarity with Common Core assessments and curriculum. This workbook will develop the narrative writing skills described in the Common Core State Standards. It provides the ongoing practice that students need, while being specifically focused on developing the skills listed in the standards. Students will learn how to respond effectively to all types of writing tasks, while developing an understanding of the key features of narrative writing and gaining experience creating stories in many common genres. Section 1: Developing Writing Skills - 12 complete sets of exercises and writing prompts - each set focuses on one key element of narrative writing - each set introduces the skill, guides students through the task, and then builds the skills by allowing independent practice - warm-up exercises are included before many sets to prepare students and introduce key skills - skills covered include sequence, plot, setting, characterization, theme, point of view, dialogue, and using descriptions Section 2: Applying Writing Skills - 10 complete sets of writing prompts - each set focuses on one style or one genre of narrative writing - genres and styles covered include personal narratives, diary entries, letters, science fiction, adventure stories, mystery stories, and more - hints and tips are included to guide students through the tasks - writing prompts include guided planning activities, so students create focused, well-developed, and well-organized stories - prepares students for the types of writing tasks found on assessment tasks and tests About the Common Core Standards The Common Core Standards are a set of standards adopted by most American states. The standards describe what students are expected to be able to do. Student learning is based on these standards throughout the year, and students in many states are tested based on these standards at the end of the school year. This book has been specifically created to develop the skills listed in the Common Core State Standards. It provides full coverage of the narrative writing skills that Grade 3 students are expected to have. The exercises and writing tasks, guidance given, and review and scoring guide have been specifically developed based on the skills listed in the Common Core State Standards.
