Here is a book that every student and teacher of the combat arts will want to have in their personal library. There has never been a book about the combat arts as unique as this one. If you would love to know the basic tactical principles of some of the world's most effective fighting and combat systems this book is for you. There are more than 30 different arts and their tactical principles in this book. This is a manual you will refer to often as an excellent reference source on tactical principles.

Boaz Aviram is the Third in Lineage Israel Defense Forces (IDF) Krav Maga Chief Instructors at the Combat Fitness Academy succeeding Immi Lichtenfeld and Eli Avikzar. The original IDF Krav Maga Curriculum entailed twenty-one hour core training curriculum in which ballpark two hundred and fifteen techniques were drilled in specialized sequences to maximize efficiency and tactical navigation of reaching opponent's pressure points first with devastating results. This twenty-One Hour Core Curriculum was rehearsed over three week period to allow instructors' evaluations and sufficient training. In this manual the author is about to make anyone with sufficient one hundred hours of intensive training in the original Core Curriculum a Krav Maga and hand-to-hand Combat Expert. Current Hand-to-hand Combat Training Methods and Martial Arts at large tend to neglect the human reaction limits and therefore add many drills and techniques that are not suitable to Hand-to-hand Combat!

"Darren Levine has my unqualified support and gratitude for his contributions to Krav Maga."
—Imi Lichtenfeld, founder of Krav Maga THE TOP-SELLING GUIDE TO KRAV MAGA IN AN UPDATED AND EXPANDED EDITION All the defense moves in Complete Krav Maga—from beginner Yellow Belt to advanced Black Belt—are described in depth and illustrated with step-by-step photos: • BEGINNER: Punches, kicks, knee strikes and defense movements • INTERMEDIATE: Counterattacks against knives, guns and sticks • ADVANCED: Advanced strikes and ground fighting techniques Based on the principle that it is best to move from defense to attack as quickly as possible, Complete Krav Maga teaches fast-escape maneuvers combined with powerful counterattacks. Whether you are big or small, male or female, young or old, you can use Krav Maga to protect yourself by exploiting an assailant's vulnerabilities. An accessible primer on the disciplinary form's principles explains how to draw on street fighting skills in order to build self-defense capabilities and promote overall fitness, in a resource that includes coverage of such areas as strength training, fat burning, and escaping a threatening situation. Original.

Disasters often strike without warning and leave a trail of destruction in their wake. Yet armed with the right tools and information, survivors can fend for themselves and get through even the toughest circumstances. Matthew Stein's *When Disaster Strikes* provides a thorough, practical guide for how to prepare for and react in many of life's most unpredictable scenarios. In this disaster-preparedness manual, he outlines the materials you'll need—from food and water, to shelter and energy, to first-aid and survival skills—to help you safely live through the worst. *When Disaster Strikes* covers how to find and store food, water, and clothing, as well as the basics of installing back-up power and lights. You'll learn how to gather and sterilize water, build a fire, treat injuries in an emergency, and use alternative medical sources when conventional ones are unavailable. Stein instructs you on the smartest responses to natural disasters—such as fires, earthquakes, hurricanes and floods—how to keep warm during winter storms, even how to protect yourself from attack or other dangerous situations. With this comprehensive guide in hand, you can be sure to respond quickly, correctly, and confidently

defense training. Besides, he is the owner of Krav Maga Institute which is one of the biggest providers worldwide with more than 1,700 students and teaching modules per year. The author presents all of his broad experience and knowledge in this supplement to Krav Maga lessons. It also contains comments by Mike Diehl, a former member of the German Special Commando Forces (KSK) and instructor at the training center for the Division of Special Operations of the German army. This book decodes the system of Krav Maga and explains its elements instead of limiting itself to the presentation of techniques. In doing so, it provides valuable instructions for teaching this modern system of self-defense. If you want to know about the focus of modern teaching of self-defense in the military, the police or the civil sector, this book is the perfect starting point! Looks at the causes of common shoulder and arm problems and offers step-by-step photographs for exercises designed to build strength, improve flexibility, prevent injury, and speed up recovery.

As the official defensive tactics system of Israeli police, military, and elite special operations units, krav maga has proven its effectiveness from front lines and back streets to prisoner transport and "take no prisoners" missions. For the first time, "Black Belt Krav Maga" teaches and illustrates the discipline's most lethal fighting and self-defense moves in book format. These no-holds-barred street fighting techniques are designed to do one thing and one thing only: end a fight as quickly as possible by completely disabling an opponent. Extensive counterattacks are illustrated for the most dangerous situations, including neutralizing attackers armed with guns, knives, and other weapons. The program in Black Belt Krav Maga trains readers to function during the stress and shock of a sudden, violent encounter and react with a perfectly coordinated counterattack--quickly, automatically, and with deadly accuracy.
