The book covers the entire syllabus for gaining clear concepts in English. It is an excellent book for grammar practice and has many exercises and detailed explanation. The book is very nice and explanation is very simple and good. The book is very helpful for the beginners also since it gives detailed explanations of the different concepts of English grammar. Examples, Exceptions, Exercises, and Everything You Need to Master Proper Grammar Complete English Grammar Rules is a comprehensive English grammar guide covering both basic and advanced grammar rules. Learn proper English grammar with simple, in-depth explanations, featuring key exceptions, common grammar mistakes, and thousands of real-world usage examples, plus valuable grammar exercises-every topic includes a grammar quiz. With Complete English Grammar Rules, you'll be able to: Quickly master basic English grammar while learning more advanced topics along the way. Easily identify nouns, pronouns, verbs, adjectives, adverbs, prepositions, and other parts of speech. Master verb tenses and conjugation, including irregular verbs and exceptions. Learn about every type of sentence and avoid common writing mistakes. Test your knowledge with grammar quizzes designed to help you retain the most important information. Finally, you can get answers to all your questions about grammar. Complete English Grammar Rules gives you all the rules of grammar, all in one place, logically organized in a user-friendly format. Preface Grammar is without a doubt one of the most daunting aspects of the English language, an area riddled with complexities, inconsistencies, and contradictions. It has also been in a state of flux for pretty much its entire existence. For native speakers of English, as well as for those learning it as a new language, grammar presents a very serious challenge to speaking and writing both accurately and effectively. Having a single, reliable, go-to reference guide should therefore be indispensable to those trying to learn, improve, or perfect their speech or writing. This book is that guide: a clear, unambiguous, and comprehensive source of information that covers all the relevant topics of English grammar, while still being easy to understand and enjoyable to read. Every topic in the book has been broken down into basic units. Each unit can be read and understood in its own right, but throughout the book you will find cross-references to other sections and chapters to help make it clear how all the pieces fit together. If you're having trouble understanding something, try going back (or forward) to other related topics in the book. Finally, it must be mentioned that, because English is such a flexible, inconsistent language, the "rules" that are often bandied about are usually not rules at all, but rather guides that reflect how the language is used. Accordingly, the guidelines contained within this book are just that-guidelines. They are not intended to provide constrictive or proscriptive rules that confine everyone to a particular way of speaking or writing. Learning how the English language works will enhance your engagement with speech and writing every day, from the books you read, to the e-mails you write, to the conversations you have with friends and strangers alike. As such, mastering grammar is not an exercise that is confined to the classroom. While it is certainly important to learn the structures, styles, and rules that shape the language, the key to truly learning English is to read and listen to the way people write and speak everyday, from the most well-known authors to the people you talk to on the bus. Take the information you find in this book and carry it with you into the world. -P. Herring

"A comprehensive visual guide to English grammar with clear, simple explanations that are ideal for learners of all levels,"--page [4] of cover.

### A book on Grammar

This complete reference guide to modern Catalan grammar presents an accessible and systematic description of the modern language, and acknowledges regional diversity by including Balearic and Valencian varieties alongside the standard forms.

A Comprehensive English Grammar A Comprehensive Grammar of the English Language London ; New York : Longman

The author has been a renowned teacher in the eastern zone of India. He has earned great reputation as a teacher of English Grammar & Composition. He commands great respect & is held in high esteem as a English language teacher because of his clear & unambiguous instructions and information of different items of Grammar and ways of composition have enabled his disciples not only to write correctly, but also to write nicely and ostentatiously. Even now when he is a retired teacher he remains surrounded by hosts of teachers as well as students who, as they are after and have great thirst for clear, easy & graspable instructions regarding different grammatical items, flock over to him to satisfy their mind. It has been they who pressed the author to bring into writing at least a synopsis of different chapters of English Grammar to the comprehensive extent of their usual need so that future generation may go on getting its benefits, because of its easy way to imparting the subject lucid style of impressing the learners and vivid imagery enabling them to get acquainted with all the concepts of English Grammar employing almost no effort or calling on no teacher for help.

Those pesky dangling modifiers, split infinitives, and comma splices they infect our spoken and written language with such frequency that even native English speakers find it difficult to determine what's right and what's wrong! The McGraw-Hill Handbook of English Grammar and Usage shows you how to fix these everyday English language mistakes. With commonsense, easy-to-remember usage tips throughout, this handbook features incorrect and correct grammatical examples, a short review of basic grammar, a glossary, and more.

From the time when we started collaborating as a team in the 1960s, we envisaged not a grammar but a series of grammars. In 1972, there appeared the first volume in this series, A Grammar of Contemporary English (GCE). This was followed soon afterwards by two shorter

works, *A Communicative Grammar of English (CGE)* and *A University Grammar of English (UGE)*, published in the United States with the title *A Concise Grammar of Contemporary English*. With *A Comprehensive Grammar of the English Language*, we attempt something much more ambitious: a culmination of our joint work, which results in a grammar that is considerably larger and richer than GCE and hence superordinate to it. Yet, as with our other volumes since GCE, it is also a grammar that incorporates our own further research on grammatical structure as well as the research of scholars worldwide who have contributed to the description of English and to developments in linguistic theory. - Preface.

An Introduction to English Grammar provides a comprehensive overview of all aspects of English grammar. The first part of the book ('The Grammar') provides a step-by-step introduction to the key topics in English grammar. The second part ('The Applications') shows how a grasp of these topics can be helpful in resolving usage problems, in developing a clear writing style, and in mastering punctuation and spelling. A whole chapter, 'English in Use', is devoted to illustrating the grammatical features of a wide range of modern text types, including emails, Facebook pages, and 'tweets'. It also looks at the special grammatical features of English in everyday conversation. Each chapter is followed by two sets of exercises. The first set can be used in self-study or in the classroom. The second set deals with more advanced topics, and can be used for classroom discussion or essay writing. This fourth edition has been fully revised and updated and includes: clearer descriptions and improved presentation new material on word structure and word formation new exercises, examples and extracts updated further reading Assuming no prior knowledge of English grammar, this book is ideal for beginning students on a one-semester course and provides everything a student needs on the theory and practice of English usage. A comprehensive Glossary of grammatical terms is included and a website provides invaluable additional exercises.

???

We may all speak the same language, but getting to grips with grammar is the ultimate challenge. You could be puzzled by prepositions, confused by comparatives, or muddled over modals. Thankfully, this complete visual aid to everything in the English language sets you straight with a clear and concise format for easy understanding. The rules of English grammar are beautifully presented with eye-catching illustrations, step-by-step graphics, and straightforward explanations to help you learn.
