De paashaas gaat op cadeautjestocht. Hij brengt overal lekkers naartoe: naar de aapjes in het oerwoud, de pinguins op de Zuidpool en een beertje in zijn grot. Kun jij alle eitjes en lekkernijen vinden? Groot zoekplatenboek met kleurrijke, gedetailleerde dwarsdoorsnedes waarin gezocht en geteld moeten worden. Vanaf ca. 4 jaar.

An Illustrated Guide to easier more independent living for physically disabled people, their families and friends.

Contains a list of all manufacturers and other specified processors of medical devices registered with the Food and Drug Administration, and permitted to do business in the U.S., with addresses and telephone numbers. Organized by FDA medical device name, in alphabetical order. Keyword index to FDA established standard names of medical devices.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it

better.

Designing for the Disabled is concerned with architecturally disabled people, those who when using or attempting to use buildings can find themselves confronted by impediments.

The residential construction market may have its ups and downs, but the need to keep your construction knowledge current never lets up. Now, with the latest edition of *Architectural Graphic Standards for Residential Construction*, you can keep your practice at the ready. This edition was expertly redesigned to include all-new material on current technology specific to residential projects for anyone designing, constructing, or modifying a residence. With additional, new content covering sustainable and green designs, sample residential drawings, residential construction code requirements, and contemporary issues in residential construction, it's a must-have resource. And now it's easier to get the information you need when you need it with references to the relevant building codes built right into the details and illustrations. These new "smart" details go beyond dimensions with references to the International Residential Building Code—presenting all the information you need right at your fingertips. New features and highlights include: Loads of previously unpublished content—over 80% is either new or entirely revised Sustainable/ green design information in every chapter—a must today's practicing building and construction professionals Coverage of contemporary issues in residential construction—aging in place, new urbanism, vacation and small homes, historic residences...it's all

here. Coverage of single- and multi-family dwellings—complete coverage of houses, row homes and quadraplexes as dictated by the International Residential Building Codes.

A directory of distributors offering address information and a description of merchandise available

For six hundred years after the final war, a handful of survivors live below the fields of Kansas--transformed into ghostlike beings, duendes--to wait for the healing of Earth, but, when they finally emerge, they discover age-old enemies in control

This Second Edition, completely updated for 1999/2000, is a comprehensive guide to resources for and about Older Americans, detailing National and State Organizations, Government Agencies, Health, Research Centers, Libraries and Information Centers, Legal Resources, Discount Travel Information and Continuing Education Programs. The first edition was published by Gale Research in 1994. Older American's Information Directory now includes 4,000 new listings and two new chapters -- Disability Aids & Assitive Devices and Health: Associations, Support Groups and Hotlines, which provides important information on 16 conditions, including Alzheimer's Disease, Arthritis, Heart Disease and Stroke. This Second Edition also contains two new indexes, including a Geographic Index and a Website Section. This comprehensive resource is a highly useful source of information for Older Americans searching for information and for those who care for and support them. Recounts the Hood's service history, describes its technical specifications, and provides detailed drawings of its internal structure

"All the men I did get to know, every single man of them, has filled me with but one desire: to lift my hand and bring it
