Elegance at the tip of your needles! Cables and lace are special enough by themselves, but there is something graceful, even magical, about combining the two. Refined Knits concentrates on these two techniques, along with incredibly unique Aran Lace which combines the two, and the results are sure to impress. • Enduring Cables: discover cable-work with interesting structure in its details • Graceful Lace: explore the delicate sophistication of open-work • Elegant Aran Lace: combine lace and cables in unexpected and stunning ways Knitwear designer Jennifer guides you through knitting these timeless, classic techniques, resulting in finished garments and accessories with a decidedly modern feel you'll treasure for years to come.

These knitted and crocheted fashion accessories and decorative accents for the home vary in their required levels of skill, but all can be completed quickly and require only one skein of yarn. The stitch patterns and clear instructions make it easy for even procrastinators and the less-than-diligent to create a ruffled cravat, a drawstring bag, a tank top, cozy scarves, arm and leg warmers, lace wristlets, fingerless gloves, a mohair pillow, and even a sweater for a baby. Several projects do not require any new yarn at all—instead projects such as the Felted Striped Tote or the Labyrinth Circle Rug are designed using up a skein's worth of leftovers from other projects. A guide to terms and techniques, a resource directory, and a bibliography are also included.

Discover the relaxing craft of crochet! Creative and calming, crafting is the perfect way to destress! In Crochet to Calm you'll learn how the repetitive motion of this popular craft can not only clear your mind but also result in beautiful projects you'll be proud to show off! Best yet? All you need is a hook and a bit of yarn to get started! From home accent projects such as the Zinia Pillow, Meditative Mandala coaster, and the Papillon Pouf to cozy wearables like the Pinecone Infinity Scarf, Slouchy Slipper Boots, or Peachy Arm Warmers, you'll find 18 fun, easy projects that can be completed in almost no time at all! And with easy-to-follow photography and clear illustrations, you'll be inspired to try every last one. Featuring a foreword by Mandy O'Sullivan, founder of CraftasTherapy, Crochet to Calm will take your stress away, one stitch at a time.

Join the seamless revolution! Traditional motif seaming techniques require crocheters to painstakingly sew together hundreds of seams and weave in countless ends. Not with Seamless Crochet! With Seamless Crochet, innovative designer Kristin Omdahl has pioneered a new technique for crocheters of all skill levels to create motif-based patterns in one piece, eliminating seams and leaving only two ends to weave in. Kristin's revolutionary modular construction allows one motif to flow into the next, creating secure joins and beautiful geometric patterning on the exterior round. Inside you'll find a showcase of 18 garment, home decor, and accessory projects from Kristin that will change the way you crochet forever. From pillows to shawls to blankets, these projects illustrate just how versatile and time-saving this "tail-free" construction method is. As a bonus, Seamless Crochet also includes a helpful instructional DVD of Kristin explaining

Designer Kristin Omdahl is one of the most innovative designers working today, and in this collection, she showcases her signature motif designs and experimental construction in 18 original patterns--five scarves, six wraps, five shawls, and two skirts--that provide new ways to think about knitting pieces that wrap, drape, or tie. Unlike other wrap books, this collection offers ingenious ways for wrapping your knitting, whether around the neck, shoulders, or waist. The designs for these garments are just what you've been waiting for--inspirational, creative patterns that advance your skills, explore shape and silhouette, and are beautiful to wear year-round. All of the garments incorporate interesting elements, from reversible stitch patterns and unique knitted edgings to interesting closures. Each project is knitted, but much of the aesthetic draws inspiration from the geometry, motifs, and techniques of crochet. Some of the techniques are quite unusual and the enclosed DVD will demonstrate them in-depth before you cast on for a project. With her passionate attention to stitch detail and one-of-a-kind motif designs, Kristin offers a wide range of projects in *A Knitting Wrapsody* for a variety of skill levels and time commitments. Expand your wardrobe with bold, stylish shapes and add form-flattering pieces perfect for layering.

Knit your sweaters in one piece—from the top down, from cuff to cuff, or from back to front—for the whole family, with minimal seaming required! Written by renowned knitting author and expert Margaret Hubert, *One-Piece Knits* offers charted patterns sized from toddler to adult and in multiple gauges for classic pullovers and cardigans in four styles: top-down (both raglan and yoke), side-over (from one sleeve edge to the other), and back-to-front (from back waist to front waist, then picking up stitches at the shoulders to knit the sleeves). Additional patterns for each style feature alternate stitches, simple colorwork, and neckline and sleeve variations. A helpful resources section offers guidance on basic techniques. With one-piece knits, you can knit classic sweaters for the whole family—from every direction!

Take a step in a new direction! Go beyond top-down or toe-up construction in *New Directions in Sock Knitting*. In the eighteen designs curated by knitting superstar Ann Budd, you'll be treated to projects that range from traditional sock patterns to more challenging and innovative sock constructions. The socks in this collection use a variety of knitting techniques including double knitting, intarsia in the round, short-row shaping, mirrored color and texture patterns, and multi-directional knitting in both traditional and innovative ways. These techniques will have you casting on and knitting your socks from unexpected places--starting at the heel or sole or even from side to side! The instructions are all written in step-by-step detail that will ensure success, no matter which design you choose to knit. Original, innovative, and unique, it's *New Directions in Sock Knitting*!

With a range of clothing and accessory patterns, dress up your doll for home and abroad, from basic underwear and shoes to dresses, dungarees, sweaters, coats, and hats. As well as wardrobe essentials, you can create accessories to match each outfit, including a teddy for bedtime, a bucket for the beach, cakes for the kitchen, and even a penguin for the North Pole! There's a range of dressing-up costumes, with an adorable bear suit and a fun superhero mask and cape. The cute mini suitcase pattern is the perfect for storing all of your dolls belongings and it doubles up as a bed too! Be aware that crochet terms in the United States are different from those in the U.K. This can be confusing as the same terms are used to refer to different stitches under each system. All crochet patterns in this book are written in U.K. and European terms. U.S. crocheters must take care that they work the correct stitches. One way to tell which system is being used in other patterns is that the American system starts with a single crochet, which the U.K. system doesn't have; so patterns with "sc" in them can be identified as American patterns.

Fiber and yarn enthusiasts nationwide will celebrate Ann Budd's latest addition to The Knitter's Handy Book series. Answering to a growing interest in knitting sweaters from the top down and knitting seamless sweaters that require little finishing, this handy book offers instructions for knitting five basic sweater types: circular yoke, raglan, modified-drop shoulder, set-in sleeve, and saddle shoulder. Patterns are offered in multiple sizes and yarn gauges and for a broad age group. Following the basics for each of the five sweater types are three diverse patterns from top designers that illustrate some of the many ways that instructions can be used as springboards for creative expression, including color, texture, and shaping variations. Also included for intermediate to advanced knitters are personal design touches, detailed charts, clear instruction, and quick tips to expand knitting possibilities and maintain creative originality. A key reference for knitters of all skill levels, this is the new essential knitting resource on your bookshelf.

Did you know certain yarns glow in reaction to ultraviolet light? You may already own some that do. Evin Bail O'Keeffe, author of *Bake Knit Sew* and award-winning craft blog *EvinOK.com*, has designed 12 knitting patterns to bring out the best in ultraviolet-reactive yarns. These were inspired by the night's sky, some from the view from Earth, such as star-gazing from a porch swing, while others pay homage to astronomy. Each works well with bold, speckled, and vibrant yarns as well as semi-solid and neutrals.

These accessory designs are excellent for travel knitting. The patterns included in this collection: - Aerglo Wrap (two sizes) - Altair Cowl - Betelgeuse Shawl - Cassiopeia Mini Skein Shawl - Elara Shawl - Firefly Hour Mitts - Midnight Waffles Cowl - Phare Hat (three sizes) - Porch Light Wrap - Rigel Cowl - Rigel Mitts - Wreath Nebula Mitts
