Reach every student by pairing this text with MyLab Finance MyLab(tm) is the teaching and learning platform that empowers you to reach every student. By combining trusted author content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student.

Help students practice and connect to real-world financial decisions. Fundamentals of Corporate Finance offers a practical introduction to modern-day core principles, arming students with a problem-solving methodology, real-life financial management practices, and an overarching valuation framework that they can apply in their future careers. Updated with new data, examples, and exercises, the 5th Edition gives students the opportunity to practice and apply course concepts, while connecting them to the latest financial issues and policy in today's world of business. For undergraduate courses in corporate finance or financial management. Pearson eText is a simple-to-use, mobile-optimized, personalized reading experience. It lets students highlight, take notes, and review key vocabulary all in one place, even when offline. Seamlessly integrated videos and other rich media engage students and give them access to the help they need, when they need it. Educators can easily customize the table of contents, schedule readings, and share their own notes with students so they see the connection between their eText and what they learn in class -- motivating them to keep reading, and keep learning. And, reading analytics offer insight into how students use the eText, helping educators tailor their instruction. NOTE: This ISBN is for the Pearson eText access card. For students purchasing this product from an online retailer, Pearson eText is a fully digital delivery of Pearson content and should only be purchased when required by your instructor. In addition to your purchase, you will need a course invite link, provided by your instructor, to register for and use Pearson eText.

NOTE: Before purchasing, check with your instructor to ensure you select the correct ISBN. Several versions of MyLab(tm) & Mastering(tm) products exist for each title, and registrations are not transferable. To register for and use MyLab & Mastering products, you may also need a Course ID, which your instructor will provide. Used books, rentals, and purchases made outside of Pearson If purchasing or renting from companies other than Pearson, the access codes for MyLab & Mastering products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. For undergraduate courses in corporate finance or financial management. This package includes MyLab Finance. "What are the best investments for me?"... "What about risk?"... "Do I need professional help with my investments and can I afford it?" Mastering the language, concepts, vehicles and strategies of investing can be challenging.

*Fundamentals of Investing* shows how to make informed investment decisions, understand the risks inherent in investing and how to confidently shape a sound investment strategy. *Fundamentals of Investing 3rd edition* is completely updated and introduces core concepts and tools used by Australian investors, providing a firm understanding of the fundamental principles of investments. Focusing on both individual securities and portfolios, students learn how to develop, implement and monitor investment goals after considering the risk and return of both markets and investment vehicles.

*Fundamentals of Investing* is suitable for introductory investments courses offered at university undergraduate or post-graduate level, as well as colleges, professional certification programs and continuing education courses.
