build his working memory by remembering the smart list of items he needs. It teaches children about visual discrimination. The ability to recognize visual details in the image later helps children distinguish shapes, which is an essential reading skill. The temptation of reluctant readers, with simple text and an engaging element of the game, is a fun way to persuade reluctant readers or those who struggle to spend some fun time appearing with numbers and animals, learning and enjoying at the same time. It is the perfect gift for any holiday. Scroll up now and click "Buy" to get started right away. Learning Fun Book For Kids Under 10.00!!!
