

## Covenant Book Club List

Forgetting the past, facing the future Stephanie Phillips is sick of charm. And Clint Morgan, the newest resident of Covenant Falls, has it in spades. Stephanie knows she should run the other way because the former Blackhawk pilot is too good-looking, too charismatic...and much too sexy. As the town veterinarian, Stephanie has truly found her home here. Clint, on the other hand, is staying for only a short time while he recovers from an injury. But when he starts to fit seamlessly into the close-knit community, the irresistible risk-taker makes his way into her heart.

Your past can be as unpredictable as your future if you don't know what is following you. Glenda was adopted as a small child. Her past had been effectively erased, and her future had been planned for her. It wasn't until after her doctor husband had been killed in a car accident and she and her daughter, Darla, were alone that she realized life had a dark side. Having an orphan's mentality, Glenda finds herself as many adopted children do-seeking her identity, defining herself as a woman. Four years after her husband's death, she meets Loren, a lawyer, with a past of his own. Lies from the past and promises for the future prompt her to seek the Father's love. In whatever form the Tempter takes-

little outdated, but Brenna is struck by the brave and honorable man he is and, despite her better judgment, she's falling deeper and deeper for him.

Discusses social and political issues affecting African Americans today, including health, housing, crime, criminal justice, education, and economic parity.

Do you trust your government? Dr Owen Hughes didn't and he was killed en route to London's Heathrow Airport. His American colleague, Alan Milner waiting for him at his Sierra Nevada ski lodge also had his doubts, and like Owen Hughes he did not live long enough to express them. What was the conspiracy the Western governments were trying so hard to cover up? Who gave authority for government agents to assassinate medical researchers? David Hughes a newspaper features editor in Edinburgh did not accept the finding of the coroner's court following the post-mortem of his father. After an aborted attempt on his life to recover research notes his father had sent him, he sets of to California to visit Alan Milner's medical research facility in San Francisco. This brings him into contact with Susan, Alan Milner's daughter, and Lieutenant Chang of SFPD who is also investigating a serial rapist and murderer operating in the Bay area. The snow covered Sierra Nevada Mountains now play a large part in helping to bring both the Federal Agents and the Bay area murderer to book.

separately in some years); issues for include American Jewish Committee. Proceedings of the annual meeting.

The AIDS CovenantAuthorHouse

This major intellectual response to the leading theologian of liberal Judaism provides a significant indication of future directions in Jewish religious thought.

In his famous Manifesto of 1890, Mormon church president Wilford Woodruff called for an end to the more than fifty-year practice of polygamy. Fifteen years later, two men were dramatically expelled from the Quorum of Twelve Apostles for having taken post-Manifesto plural wives and encouraged the step by others. Evidence reveals, however, that hundreds of Mormons (including several apostles) were given approval to enter such relationships after they supposedly were banned. Why would Mormon leaders endanger agreements allowing Utah to become a state and risk their church's reputation by engaging in such activities--all the while denying the fact to the world? This book seeks to find the answer through a review of the Mormon polygamous experience from its beginnings. In the course of national debate over polygamy, Americans generally were unbending in their allegiance to monogamy. Solemn Covenant provides the most careful examination ever undertaken of Mormon theological, social, and biological defenses of "the principle." Although polygamy was never a way of life for the majority of Latter-day Saints in the nineteenth century, Carmon Hardy contends that plural marriage enjoyed a more important place in the Saints' restorationist vision than most historians have allowed. Many Mormons considered polygamy a prescription for health, an antidote for immorality, and a key to better government. Despite intense pressure from the nation to end the experiment, because of their belief in its importance and gifts, polygamy

endured as an approved arrangement among church members well into the twentieth century. Hardy demonstrates how Woodruff's Manifesto of 1890 evolved from a tactic to preserve polygamy into a revelation now used to prohibit it. Solemn Covenant examines the halting passage followed by the Church of Jesus Christ of Latter-day Saints as it transformed itself into one of America's most vigilant champions of the monogamous way.

This book addresses how relationships need to be refocused when couples face such changes as the launching of young adult children, a new job, the death of a parent or a child, the arrival of a "surprise" child, infidelity, illness, retirement, role change or reversal, and many others.

This fascinating account of the book publisher who is home to more Nobel Prize-winning writers than any other publishing house in the world reveals the era and city that built FSG through the stories of two men—Roger Straus, and Robert Giroux.

One brave step at a time Lieutenant Andrea Stuart survived the warzone attack that took her fiancé. A therapy dog and a cabin in Covenant Falls are all the risks the former military nurse is willing to take anymore. But as Andy's drawn into writing the history of the small town, she's also drawn to Nate Rowland.

Hip Hop literature, also known as urban fiction or street lit, is a type of writing evocative of the harsh realities of life in the inner city. Beginning with seminal works by such writers as Donald Goines and Iceberg Slim and culminating in contemporary fiction, autobiography, and poetry, Hip Hop literature is exerting the same kind of influence as Hip Hop music, fashion, and culture. Through more than 180 alphabetically arranged entries, this encyclopedia surveys the world of Hip Hop literature and places it in its social and cultural contexts. Entries cite works for further reading, and a bibliography concludes the volume. Coverage includes authors, genres,

This detailed reference provides advice on how to expand and improve marketing opportunities, communications, and online relationships with this valuable tool. Marketers are guided through a step-by-step process of creating and implementing an e-mail marketing plan for their specific needs. This updated edition includes the latest information on e-mail newsletters, online networking, signature files, and e-mail promotions.

Stephen R. Donaldson's *Chronicles of Thomas Covenant* examines Donaldson's first three novels in an attempt to define their place in the fantasy canon. The book begins with an extensive introduction to the fantasy genre in which W.A. Senior eloquently defends fantasy against charges of being mere escapism, or simply juvenile, and not warranting serious critical consideration.
