Since I was a child, I've been communicating with the angelic realm. They've revealed their presence in many ways, warning me through dreams of events to come and guiding my footsteps along the way. As I grew older, I learned that I could tune in to their frequency, allowing me to receive their messages more clearly. Their presence led me on a journey to self-discovery, allowing me to recognize and break repetitive and harmful patterns, to trust in myself again, and to discover my soul's purpose as a healer. It is a story of inner strength and faith, and as I continue on my journey, I know that I am not alone, and that the angels walk with me.

Augustine's Conversion: A Guide to the Argument of Confessions I-IX by Colin Starnes
The Shadowhunters must catch a killer in Edwardian London in this dangerous and romantic sequel to the #1 New York Times bestselling novel Chain of Gold, from New York Times and USA TODAY bestselling author Cassandra Clare. Chain of Iron is a Shadowhunters novel. Cordelia Carstairs seems to have everything she ever wanted. She's engaged to marry James Herondale, the boy she has loved since childhood. She has a new life in London with her best friend Lucie Herondale and James's charming companions, the Merry Thieves. She is about to be reunited with her beloved father. And she bears the sword Cortana, a legendary hero's blade. But the truth is far grimmer. James and Cordelia's marriage is a lie, arranged to save Cordelia's reputation. James is in love with the mysterious Grace Blackthorn whose brother, Jesse, died years ago in a terrible accident. Cortana burns Cordelia's hand when she touches it, while her father has grown bitter and angry. And a serial murderer is targeting the Shadowhunters of London, killing under cover of darkness, then vanishing without a trace. Together with the Merry Thieves, Cordelia, James, and Lucie must follow the trail of the knife-wielding killer through the city's most dangerous streets. All the while, each is keeping a shocking secret: Lucie, that she plans to raise Jesse from the dead; Cordelia, that she has sworn a dangerous oath of loyalty to a mysterious power; and James, that he is being drawn further each night into the dark web of his grandfather, the arch-demon Belial. And that he himself may be the killer they seek.
