Rising country music star Cassidy James McCall is living her own version of a bad country song. After undergoing vocal chord surgery, her future is uncertain. To escape the constant presence of tabloid reporters, she accepts an invitation to celebrate Christmas with her McCall cousins. But her idea of a quiet and peaceful holiday comes to a screeching halt the moment she crashes into her former boyfriend, the tough yet noble cowboy that she's never gotten over. Widowed, single father and ex-rodeo bull rider, Ryder Hadley, longs to raise his precious little girl in his safe, secure small hometown of Honor, Texas while bringing his ranch back to life. It's a simple wish that goes haywire when the mega country sensation and the woman who stole his heart years ago gallops back in to town, igniting a firestorm of emotions in her wake. As Ryder tries to protect his heart from falling once again under Cassidy's spell, he soon learns he's not the only one who can't resist her—his daughter wants Cassidy as a bride for her daddy. With the help of some Christmas magic, will Ryder and Cassidy get the second chance that they've always wanted?

Y'all would think with a name like Alex Fancy I'd be a butler or something, not the guy who's soon gonna be the best damn bull rider in the world. Yeah, they say I have a bad attitude, and that I don't deserve the shot, just because I like my women, beer, and fighting. I never much cared what they thought until the most beautiful woman I've ever seen, a model named Emily, suggested we pretend to date. She said she needed my "edge" to help her get more clients, and I needed her innocent reputation to prove to people that I'm not some sort of asshole. Well, not a complete one, anyway. Six months dating a model seems like a nice deal, but one small hitch: she don't want to have sex until she's married, and she won't let me sleep with any other women, even though we're not really dating. This is gonna be a long six months.
