

Cry Wolf

Witch and werewolf, wicked and wild—what happens when a woman has to choose? As a werewolf and witch, Kelly belongs to neither pack nor coven, making her a perfect addition to the ragtag collection of dogs, humans and canine shapeshifters at the Chambers Dog Sanctuary. After recently being transformed against his will, Malcolm—one of the Sanctuary residents—wants nothing more than to shed his werewolf skin and return to his shapeshifter pack. Kelly tries to help him accept his new wolf nature, but then some of the shapeshifters discover Salvation, an organization that claims to cure magical hybrids. Kelly has long since made peace with lycanthropy, which tempers her volatile magic, but when Malcolm begs Kelly to accompany him for one last attempt to resume his old life, she agrees for his sake. Upon arriving at Salvation, however, the already shaky balance of her life becomes even more tenuous, forcing Kelly to decide which part of herself, wolf or witch, she loves—or fears—more.

Running With A Dangerous Crowd Lucas Simone is not the kind of guy you mess with. He's big, he's strong, and his eyes hint at a wilder side most women can't handle. Of course, that's because his predatory instincts are no metaphor—he's a genuine Grade-A top-quality werewolf, tough enough to fight his way to dominance over the scariest pack on the West Coast. There's only one chink in his armor. Unlike most alpha dogs, Lucas has a reputation for protecting the weak and innocent. Sarah King is counting on that protective impulse—it's the only thing standing between her and certain death. There are only two problems: one, she's not quite as innocent as she'd like Lucas to believe. And two, if he doesn't stop stoking Sarah's animal lust, it's only a matter of time before her own wild side gets unleashed. . . "A fast-paced, sexy thrill ride you won't want to miss. . .
