In Renaissance and early modern Europe, various constellations of phenomena - ranging from sex scandals to legal debates to flurries of satirical prints - collectively demonstrate an increased concern with cuckoldry, impotence and adultery. Deploying analytical tools from a range of disciplines, these essays interrogate and explore those phenomena to reveal the central importance of sexuality and sexual metaphor for our understanding of European history, politics and culture.

A popular crowd-pleaser in the late 16th and mid-17th century, the dramatic jig was a short, comic, bawdy musical-drama which included elements of dance, slapstick and disguise. With a

cast of ageing cuckolds and young head-strong wives, knavish clowns, roaring soldiers and country bumpkins, jigs often followed as afterpieces at London's playhouses, and were performed at fairs, in villages and in private houses. Troublesome to the authorities, they drew the crowds by offering a lively antidote to more sober theatrical fare. This performance edition presents for the first time nine examples of English dramatic jigs from the late sixteenth century through to the Restoration; the scripts are re-united as far as possible with their original tunes. It gives a comprehensive history, discusses sources, plots, instrumentation and dancing, and offers practical information on staging jigs today. Includes: Transcriptions of the original texts Contextual notes: plot synopses and discussion of sources, themes and audience reception Musical notation for each tune, with suggestions for underlay and chords, and notes on instrumentation and style Appendix of dance instructions and reconstructions "Oh my god he's so big honey!" The third Inspector Sebag mystery “dives deeper into character than most traditional detective yarns and is written with wit, poignancy, and panache” (Kirkus Reviews). Crime, suspense, and marital woes combine in this atmospheric procedural set in the seemingly quiet Mediterranean town of Perpignan. This winter is going to be a rough one for Insp. Gilles Sebag, for he has discovered a terrible truth: his wife has been cheating on him. Bouncing between depression, whisky, and insomnia, he buries himself in work in an attempt to forget. But his investigations lead him inexorably to bigger tragedies—a woman murdered in a hotel, a depressed man who throws himself from the roof of his building, another who threatens to blow up the neighborhood—all of them involving betrayals of some sort. Perpignan seems to be suffering from a veritable epidemic of crimes of passion. Adultery is everywhere—and each betrayal leads to another dramatic crime. “Vivid and atmospheric . . . A thoughtful, almost lyrical approach to crime fiction, which will appeal to anyone who also liked *In Her*

Wake, The Dying Detective or The Bird Tribunal. Its seasonal themes are also reminiscent of Johan Theorin's Oland quartet, set at a Swedish resort." —Crime Fiction Lover "The most ambitious thematically. In it, Georget takes the stuff of existential novels and folds it into the crime genre's formula." —Los Angeles Review of Books "Engaging . . . The resolution is multilayered and satisfying." —Publishers Weekly "Fans of French settings will enjoy venturing outside of Paris, and the year-end holiday provides an additional measure of atmosphere to the crimes and solutions here." —Library Journal

Intertextual Masculinity in French Renaissance Literature is an in-depth analysis of normative masculinity in a

specific corpus from pre-modern Europe: narrative literature devoted to the subject of adultery and cuckoldry. The text begins with a set of general questions that serve as a conceptual framework for the literary analyses that follow: why were early modern readers so fascinated by the figure of the cuckold? What was his relation to the real world of sexual behavior and gender relations? What effect did he have on the construction of actual masculinities? To respond to these questions, David LaGuardia develops a theoretical approach that is based both on modern critical theory and on close readings of records and documents from the period. Reading early modern legal texts, penance manuals, criminal registers, and exempla collections in relation to the *Cent nouvelles nouvelles*, Rabelais's *Tiers Livre*, and Brantôme's *Dames galantes*, LaGuardia formulates a definition of masculinity in this historical context as a set of intertextual practices that men used to relay and to reinforce their gender identities. By examining legal and literary artifacts from this particular period and culture, this study highlights the extent to which this supposedly normative masculinity was historically contingent and materially conditioned by generic practices.

This hot bundle pulls together three tales of interracial cuckold romance. One story features a couple finding a big black man through an app and inviting him to a bar for a wild night. The second story features a couple that decides to get some room service and gets a lot more than they hoped for. The last features a hot wife and her husband who wants to watch her with a black man in their bed... Cuckold Nights 1 - At the Bar Amy stumbled upon her husband's secret stash of adult videos and is confused by some of the titles. There's a constant reference to an acronym, BBC, and a word she's not familiar with, cuckold. She decides to try watching one and is stunned to see it's an amateur film with a white woman and a well hung black man... with the white woman's husband filming! She's stunned and enthralled by the footage, and doesn't realize when her husband walks in. An awkward silence fills the air before Amy questions her husband on exactly what the footage is. He meekly responds to her, admitting that its his fantasy to see her with a black man, like in the amateur movie. Amy struggles to understand her husband's fantasy but as she glances at the paused footage, she feels her body growing warm at the sight of the black man's impressive member. Amy agrees to fulfill her husband's fantasy and immediately loads a hookup app on

her phone. Her husband is nervous at first but once the married couple meets Tyrone on the app, he gets excited. Amy agrees to meet Tyrone at a bar in a seedy neighborhood and Ryan follows along. The two have quite the wild night at the bar... Cuckold Nights 2 - Room Service Rick and Lyn are on a trip to Jamaica for a long awaited vacation. Rick has been busy at work, getting it ready to go from a bustling private startup to a stream lined public company. Unfortunately for Lyn, that has meant long, lonely nights and she can't wait to get in bed with her husband. When they arrive in Jamaica, she can't keep her eyes off the well built statuesque black men wearing tight briefs on the beach playing volleyball. Rick takes notice but doesn't say a word. Once they reach the hotel, Lyn pounces on Rick but he's a bit quick... He washes up and steps back out to ask if Lyn is interested in fulfilling a fantasy of his. She's hesitant at first but asks what it is. When Rick informs her that its to see her with a big black man, she can't help but say yes, feeling not only frustrated but also wondering if the big packages in the black men's briefs were real... Cuckold Nights 3 - In Our Bed Carrie and John are in a sexless marriage, and with all the stress John has been going through, he's been having a hard time getting excited in bed. They visit a doctor and John informs Carrie that the doctor thinks its mental. Apparently, according to the doctor, John should consider talking through his fantasies with Carrie. Carrie is interested and immediately asks John what his fantasy is. John is hesitant at first but he finally opens up... He wants to see her with a black man, in their bed. Most likely some sort of repressed sexual desire from growing up in Alabama. Even after moving to New York, John thinks the desire must have followed. After a short pause, Carrie agrees to fulfill John's fantasy. John is stunned but the two begin using a casual dating app to find someone. This book is for those who are not yet married and for those who are married and have contemplated an affair. Marriage used to be the reward we sought after graduation. Now, unless we choose carefully, it is more than likely to be a punishment. No matter how carefully one chooses his affairee, the outcome is more often punishment than reward. Whatever way you choose, go slowly. Keep in mind that being single is not so bad and is becoming more popular. That initial fondness or statement of love is no guarantee of long term survival. Being happy and single is a lot easier than being locked into a miserable relationship.

This story is based on a true love story that spanned almost two decades. The names and places have been changed to protect the privacy of the individuals involved in this affair. The chronological sequence of events has been maintained for continuity. All the stories and experiences are based on facts. This book is about a love story that was kept secret for 18 years and perhaps shouldve remained a secret. The first book related to this love story was a book of poems entitled Somewhere, Sometime, Somehow: Love Poems and Short Stories published in 2008 by this author and Xlibris. For the perceptive reader of this book one can trace the ups and downs of our love relationship. These 18 years were filled with robust love and passion for each other. Perhaps it was fantasy; perhaps it was the most real thing we will ever experience. The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her. I opened my heart to her through poetry and thoughtful letters, but she rarely showed me what was in her heart. Perhaps it was a one-sided love affair, but I surely think and hope not. I was convinced that she truly loved me through her words and actions. At least I experienced a pure love that I had only dreamed was possible. The story is told mainly through the exchange of letters and emails to each other. Perhaps readers can experience and hopefully feel the deep love we felt for each other.
