A bestselling YA thriller exploring death, revenge and morality. 'The challenge of the Coast to Coast was for the whole PE class to get itself from one side of the island to the other in under six days. "Where to?" "The bush," I croaked. "Hide." We cut back to the right, down off the track, crashing through the undergrowth and sliding down steep slopes. After a couple of minutes we stumbled to a stop, pressed in close . we waited and listened, the others with their heads bursting with questions, mine spinning with answers I didn't want to believe. ' Marko surfaces from a drug-induced haze to find himself hidden from the world in a psychiatric ward. He is certain the 'Doctor' means to kill him, but he in turn has vengeful plans of his own. Who are these people and what happened to the others? Who can Marko trust and how much time does he have? Time enough to write it all down, his story of a coast to coast trip and the earthquake that ripped his world apart. A 'top-notch thriller'

For fans of Elena Ferrante's Neapolitan series comes a captivating family saga focused on a willful young woman's struggles against her oppressive small town by acclaimed Italian author Rosa Ventrella. In old Bari, everyone knows Maria De Santis as "Malacarne," the bad seed. Nicknamed for her dark features, volcanic temperament, and resistance to rules, the headstrong girl can only imagine the possibilities that lie outside her poverty-stricken neighborhood. Growing up with her mother, two brothers,

and a tyrannical father, Maria must abide. She does--amid the squalid life to which she was born, the cruelties of her small-minded neighbors, and violence in a constant threat of eruption. As she reconciles her need for escape with the allegiance she feels toward her family, Maria has her salvations: her secret friend, Michele, son of a rival family and every bit the outsider she is, and her passion for books, which may someday take her far, far away. In this exquisitely rendered and sensory-rich novel, Rosa Ventrella explores the limits of loyalty, the redeeming power of friendship and love, and the fire in the soul of one woman who was born to break free.

Dr. Carrie Nelson and her new husband Dr. Nate Holden are physicians on the Blackfeet reservation in Montana and are trying unsuccessfully to have a baby, when a newborn Blackfoot girl is abandoned and the medicine woman insists Carrie should be her mother--which flies in the face of tribal law and legislation passed to protect Indian children from being raised by non-Native Americans.

Gain the basic skills you'd need to live through a cataclysmic event—one humbling and angst-filled lesson at a time We're inundated daily with images of chaos and catastrophe from movies, books, and the nightly news. When Sam Sheridan became a father, these tales of disaster became impossible to ignore, and he was beset with nightmares about being unable to protect his son. He soon realized, however, that each possible doomsday scenario required a different skillset, and in order to really survive the apocalypse, he'd have to learn everything, from starting a fire to stealing a car,

learning to fight with a knife, and even building an igloo. With just the right mix of seriousness, paranoia, and self-deprecation, *The Disaster Diaries* is irresistible armchair adventure reading that informs as much as it entertains.

Retraces the history of postmodern philosophy and proposes solutions to overcome its impasses. Philosophical realism has taken a number of different forms, each applied to different topics and set against different forms of idealism and subjectivism. Maurizio Ferraris's *Manifesto of New Realism* takes aim at postmodernism and hermeneutics, arguing against their emphasis on reality as constructed and interpreted. While acknowledging the value of these criticisms of traditional, dogmatic realism, Ferraris insists that the insights of postmodernism have reached a dead end. Calling for the discipline to turn its focus back to truth and the external world, Ferraris's manifesto—which sparked lively debate in Italy and beyond—offers a wiser realism with social and political relevance. “In the new atmosphere of Anglophone continental thought, realism is not just a viable option but is arguably home to the most promising innovations of our time. Ferraris will serve as a welcome new influence.” — from the Foreword by Graham Harman

After a series of adventurous jobs around the world, Sam Sheridan found himself in Australia, cash-rich and with time on his hands to spend it. It occurred to him that he could finally explore a long-held obsession: fighting. Within a year, he was in Bangkok training with Thailand's greatest kickboxing champion and stepping through the ropes

for his first professional bout. But one fight wasn't enough, and Sheridan set out to test himself on an epic journey into how and why we fight, facing Olympic boxers, Brazilian jiu-jitsu stars, and Ultimate Fighting champions.

From the acclaimed author of *A Fighter's Heart* comes an “entertaining and enlightening” look inside the mental game of mixed martial arts fighting (Dave Doyle, Yahoo! Sports). In his acclaimed national bestseller, *A Fighter's Heart*, Sam Sheridan took readers with him into the dangerous world of professional fighting. From a muay Thai bout in Bangkok to Iowa, where he fought the toughest mixed martial arts stars, Sheridan threw himself into a quest to understand how and why we fight. In *The Fighter's Mind*, Sheridan explores the mental discipline required of an elite fighter. In his training, Sheridan heard time and again (in Yogi Berra fashion) that “fighting is ninety percent mental, half the time.” But what does this mean, exactly? To uncover the secrets of mental strength and success, Sheridan interviewed dozens of the world's most fascinating and dangerous men. He spoke with celebrated trainers Freddie Roach and Greg Jackson; champion fighters Randy Couture, Frank Shamrock, and Marcelo Garcia; ultrarunner David Horton; chess prodigy (and the inspiration for *Searching for Bobby Fischer*) turned tai chi expert Josh Waitzkin; and the legendary wrestler Dan Gable, among others. “Fantastic . . . The 1st standalone novel in The Pucked Series With a famous NHL player for a stepbrother, Violet Hall is well acquainted with the playboy reputation of many a hockey star. So of course she isn't interested in legendary team captain Alex Waters or his pretty, beat-up face and rock-hard six-pack abs. When Alex inadvertently obliterates Violet's misapprehension regarding the inferior intellect of hockey players, he becomes much more than just a hot body with the face to match. Suffering from a complete lapse in judgment, Violet discovers just how good Alex is with the hockey stick in his pants. Violet believes her night of orgasmic magic with Alex is just that: one night. But Alex starts to call. And text. And email and send extravagant--and quirky--gifts. Suddenly, he's too difficult to ignore, and nearly impossible not to like. The problem is, the media portrays Alex as a total player, and Violet doesn't want to be part of the game.

"Ha forse subito l'influenza di Aliénore, che non si mostra mai in pubblico se non impeccabile, fiera ed eretta nella persona, e quando un dolore la affligge, del corpo come dell'animo, lo cela dietro il radioso sorriso? Strano, il suo rapporto con Aliénore. L'ha temuta, criticata con asprezza, osteggiata. Nessuna donna al mondo l'ha irritato e sconcertato più di lei. Eppure, nessuna ha ammirato di più." Eleven-year-old twins Jason and Julia, along with their friend Rick, search eighteenth-century Venice for Peter Dedalus, the elusive inventor who created Kilmore Cove's Mirror House.

A richly textured historical novel offers a fictional portrait of the life of Maria Anna Mozart, the older sister of Wolfgang Amadeus Mozart and a musical prodigy in her own right, who was forced by their father to put aside her talent to become a piano teacher to support his ambitious plans for her brother, until a potential suitor helps her find a way to express her musical genius. I became what I am today at the age of twelve. I remember the precise moment, crouching behind a mud wall on a frigid winter day in 1975 . . . looking into a deserted alley. It's wrong what they say about the past, about how you can bury it, because the past claws its way out. I realize I've been looking into that alley for the last 26 years. Afghanistan is a divided country on the verge of war and two childhood friends are about to be torn apart. It's a beautiful afternoon in Kabul and the skies are full of the excitement and joy of a kite flying tournament. But neither Hassan or Amir can foresee the terrible incident which will shatter their lives forever. Khaled Hosseini's first and international best-selling novel has now been adapted into a stunning stage adaptation by Matthew Spangler. This edition was published for the production at Wyndham's Theatre, London, from 21 December 2016.

*** The top ten bestselling author *** Discover a brilliant story of love, danger, courage and betrayal, from the internationally bestselling author of *The Survivors*. 1953, the South of France. The fragile peace between the West and Soviet Russia hangs on a knife edge. And one family has been torn apart by secrets and conflicting allegiances. Eloïse Caussade is a courageous young Frenchwoman, raised on a bull farm near Arles in the Camargue. She idolises her older brother, André, and when he leaves to become an Intelligence Officer working for the CIA in Paris to help protect France, she soon follows him. Having exchanged the strict confines of her father's farm for a life of freedom in Paris, her world comes alive. But everything changes when André is injured - a direct result of Eloise's actions. Unable to work, André returns to his father's farm, but Eloïse's sense of guilt and responsibility for his injuries sets her on the trail of the person who attempted to kill him. Eloïse finds her hometown in a state of unrest and conflict. Those who are angry at the construction of the American airbase nearby, with its lethal nuclear armaments, confront those who support it, and anger flares into violence, stirred up by Soviet agents. Throughout all this unrest, Eloïse is still relentlessly hunting down the man who betrayed her brother and his country, and she is learning to look at those she loves and at herself with different eyes. She no longer
