Against the odds, the Canadian Football League continues to entertain and enthrall Canadians from coast to coast. And the biggest event on the football calendar—the most popular sporting event in Canada no less—is the Grey Cup. While the battle for the championship is always a memorable event, this collection highlights the 10 greatest Grey Cup games in the history of the event.

Jamie has got it made. A great apartment, an excellent job flying all over the world selling something he would rather not talk about - accounting software. When he comes home to Seattle, the love of his life is waiting for him - a mint condition 1972 Faema one group espresso machine. Jamie loves coffee. Good coffee. Really good coffee. Oh, and he lives with a great girl named Ellen who loves him for exactly who he is. Except Jamie is rarely who he says he is. Jamie gives everyone in his life exactly what they want to see - Sensitive Boyfriend, Caring Son, Crazy Friend, Brilliant Salesguy - but only lets the real Jamie out over coffee with strangers...who he will never see again. The only trouble is as Jamie tries to make sense of his life, one espresso at a time, everyone else seems to be getting on with theirs. Funny and fearlessly self-reflective, the book perks along and makes readers thirsty for more.

Now a Netflix original movie, this deeply scary and intensely unnerving novel follows a couple in the midst of a twisted unraveling of the darkest unease. You will be scared. But you won't know why... I'm thinking of ending things. Once this thought arrives, it stays. It sticks. It lingers. It's always there. Always. Jake once said, "Sometimes a thought is closer to truth, to reality, than an action. You can say anything, you can do anything, but you can't fake a thought." And here's what I'm thinking: I don't want to be here. In this smart and intense literary suspense novel, Iain Reid explores the depths of the human psyche, questioning consciousness, free will, the value of relationships, fear, and the limitations of solitude. Reminiscent of Jose Saramago's early work, Michel Faber's cult classic *Under the Skin*, and Lionel Shriver's *We Need to Talk about Kevin*, "your dread and unease will mount with every passing page" (*Entertainment Weekly*) of this edgy, haunting debut. Tense, gripping, and atmospheric, *I'm Thinking of Ending Things* pulls you in from the very first page...and never lets you go.

Seven European Cup finals. Seven fans. Seven amazing adventures following the team they love. This book celebrates the achievements of Liverpool FC in Europe, and in particular a love affair with Old Big Ears - the European Cup. It's an ongoing affair that began with the legendary and, in those days, unprecedented exodus of 30,000 Liverpool fans to Rome in 1977, has taken in the glories of Paris and Istanbul, endured the horror of Brussels, and still burns as brightly today with Athens 2007, just the latest staging post of Liverpool's trans-European express. Above all, Here We Go Gathering Cups In May tells of the bond between a club and its fans: the lengths those fans will go to in order to be there at the final to cheer on their team, vivid accounts of what happened along the way, their escapades in some of Europe's iconic capitals, and their recollections of those historic nights – nights of glory and, sometimes, nights of tragedy.

Book 4 The Fool's Journey Series Noel Eastwood's unique blend of rollicking good storytelling and the wisdom of esoteria and the Tarot continues in this long awaited sequel. Follin and his wife, Eve, have completed their lessons with the pragmatic Pentacles, the intellectual Swords and are now faced with the heady world of emotions in the Cups Kingdom. The lovers find that a safe and secure relationship is not so simple, it requires considerable insight and personal sacrifice. The spiritual lessons outlined in the Cups journey will benefit those on the same mystics journey as our heroes, be it to go beyond the world of matter in the astral planes, or to develop strategies that will make your love life fulfilling and secure. Adopting a narrative approach, Noel once again demonstrates how he uses the imagery and metaphors of tarot

"Heartfelt, deeply moving." —Buzzfeed "Dark and thought-provoking." —Publishers Weekly "A stunning debut." —VOYA A poignant, lyrical debut novel about twins who navigate first love, their Jewish identity, and shocking results from a genetic test that determines their fate—whether they inherited their mother's Huntington's disease. Eighteen-year-old twins Adina and Tovah have little in common besides their ambitious nature. Viola prodigy Adina yearns to become a soloist—and to convince her music teacher he wants her the way she wants him. Overachiever Tovah awaits her acceptance to Johns Hopkins, the first step on her path toward med school and a career as a surgeon. But one thing could wreck their carefully planned futures: a genetic test for Huntington's, a rare degenerative disease that slowly steals control of the body and mind. It's turned their Israeli mother into a near stranger and fractured the sisters' own bond in ways they'll never admit. While Tovah finds comfort in their Jewish religion, Adina rebels against its rules. When the results come in, one twin tests negative for Huntington's. The other tests positive. These opposite outcomes push them farther apart as they wrestle with guilt, betrayal, and the unexpected thrill of first love. How can they repair their relationship, and is it even worth saving? From debut author Rachel Lynn Solomon comes a luminous, heartbreaking tale of life, death, and the fragile bond between sisters.

In Megan Gebhart's senior year of college, she started a project in which she talked to someone she didn't know over a cup of coffee once a week for a year. Her project was so successful, she traveled for 14 months having conversations with cultural leaders, business people, a first-grader, fellow travelers and many others before returning to San Francisco and consolidating her interviews into a book.

What if God has had a plan for your life since the very beginning? Not just the beginning of your life, but from the foundations of faith itself? In *Four Cups*, pastor and New York Times best-selling author Chris Hodges shares an astonishing truth: The key to your spiritual fulfillment is found in four promises that God first spoke to His people in the Old Testament, and that are still at the core of his heart and his plans for you today. God wants to rescue you; to deliver you from whatever holds you back; for you to live out His plan for your life; and for you to be part of a family that is making a difference. Steeped in Jewish history and tradition, yet breathing the transforming hope of Christ on every page, *Four Cups* will help you move forward on your spiritual journey. You'll understand the four stages of faith, believe the promises of God for your life . . . and discover what it means to be truly fulfilled.

An encouraging devotional for modern believers who have not found satisfaction in the self-help, do-it-yourself approach to the Christian life helps meet the need for the unlimited, powerful, unconditional love of God, washing away the confusion, weariness, and shame. 20,000 first printing.

Iona and Peter Opie were twentieth-century pioneers. Their research and writing focused on the folklore of British children – their games, rhymes, riddles, secret languages and every variety of the traditions and inventions of the children's collective physical and verbal play. Such closely observed, respectful, good-humoured and historically attuned writing about the traditions of childhood was a revelation to English-language readers around the world. Their numerous books were a rare phenomenon: they attracted a popular readership far beyond the professional and academic communities. For those who work with children, their collaborative research was a powerful influence in confirming the immense capacities of the young for cooperation, conservation, invention and imagination. Their books challenged – then

and now – the bleak and limited view of children which focuses on their smallness, ignorance and powerlessness. The writers in this volume pay their tribute to the Opies by exploring a wonderfully varied topography of children's play, from different countries and different perspectives. Their research is vivid and challenging; that is, as it should be, in the tradition of the Opies. This book was originally published as a special issue of the International Journal of Play.

A mother's advice to her daughter--a guide to daily living, both practical and sublime--with full-color illustrations throughout. One sleepless night while she was in her early twenties, illustrator/writer Hallie Bateman had a painful realization: her mom would die, and after she died she would be gone. The prospect was devastating, and also

scary--how would she navigate the world without the person who gave her life? She thought about all the motherly advice she would miss--advice that could help her through the challenges to come, including the ordeal of losing a parent. The next day, Hallie asked her mother, writer Suzy Hopkins, to record step-by-step instructions for her to follow in the event of her mom's death. The list began: "Pour yourself a stiff glass of whiskey and make some fajitas" and continued from there, walking Hallie through the days, months, and years of life after loss, with motherly guidance and support, addressing issues great and small--from choosing a life partner to baking a quiche. The project became a way for mother and daughter to connect with humor, openness, and gratitude. It led to this book. Combining Suzy's wit and heartfelt advice with Hallie's quirky and colorful style, *What to Do When I'm Gone* is the illustrated instruction manual for getting through life without one's mom. It's also a poignant look at loss, love, and taking things one moment at a time. By turns whimsical, funny, touching, and above all pragmatic, it will leave readers laughing and teary-eyed. And it will spur conversations that enrich family members' understanding of one another.

This young readers edition of the worldwide bestseller *Three Cups of Tea* has been specially adapted for younger readers and updated by Greg Mortenson to bring his remarkable story of humanitarianism up to date for the present. Includes new photos and illustrations, as well as a special interview by Greg's twelve-year-old daughter, Amira, who has traveled with her father as an advocate for the Pennies for Peace program for children.

The astonishing, uplifting story of a real-life Indiana Jones and his humanitarian campaign to use education to combat terrorism in the Taliban's backyard Anyone who despairs of the individual's power to change lives has to read the story of Greg Mortenson, a homeless mountaineer who, following a 1993 climb of Pakistan's treacherous K2, was inspired by a chance encounter with impoverished mountain villagers and promised to build them a school. Over the next decade he built fifty-five schools—especially for girls—that offer a balanced education in one of the most isolated and dangerous regions on earth. As it chronicles Mortenson's quest, which has brought him into conflict with both enraged Islamists and uncomprehending Americans, *Three Cups of Tea* combines adventure with a celebration of the humanitarian spirit.

This country and its people are made of the same hardy stuff that makes our game and our league. The Grey Cup has helped unite our country for 100 years now. And it has revealed us, built our pride and our sense of Canadianness in annual tributes to effort, sweat and toil. But what does 100 years of history and cultural relevance add up to? When we Canadians look at the Grey Cup, we see far more than a gleaming football trophy; we see a reflection of ourselves. After its first years as an amateur challenge cup, the Grey Cup would go on to be awarded to the best football team in Canada, with Western challengers traveling back east to fall at the hands of the more established Toronto teams. That is, until a group of frustrated Winnipeggers paid an enormous sum during the Depression to buy up star players and bring the cup

west for the first time. Following this, the games became about the pride of the country, East versus West, the national identity fought over the gridiron, all chronicled dutifully by bestselling author Stephen Brunt. From the birth of the modern CFL in 1958, through the dynastic Edmonton Eskimos and into the nineties, attempted USA expansion, franchise re-birth in Montreal, 100 Grey Cups has it all: behind-the-scene anecdotes, never-before-seen photographs, and unprecedented access to the CFL archives. It is a must-have for all fans of this national tradition

In a quaint California town, a new tea shop is drawing lots of attention—and an occasional murder—in this mystery by the New York Times bestselling author. The quaint coastal town of South Cove, California, is buzzing with excitement about the new specialty tea shop, Tea Hee—not to mention its beautiful owner, Kathi Corbin. But while the men in town are distracted by her looks, Jill Gardner, owner of the local bookshop café, senses something peculiar about the South Cove newcomer. Why, for instance, does Kathi get so pale and flustered when she hears that her sister Ivy is in town? With a festival drawing plenty of tourists, everyone's focused on business—until a dead body is found in a seedy motel and identified as someone connected to Kathi. Now the town is buzzing with suspicion, and it's up to Jill to clear Kathi's

name without getting herself in hot water. Includes an excerpt from A STORY TO KILL, Lynn Cahoon's BRAND NEW series
