

## Dark Angels Codex

Spine-chilling Warhammer Horror novel set in the Warhammer 40,000 Universe. The planet of Theotokos is dying of thirst. For years, Arch-Deacon Ambrose has done everything in his power to help the people. Charismatic, virtuous, pious, he is as beloved as the corrupt Cardinal Lorenz, who hoards the water reserves beneath the Ecclesiarchal Palace, is feared. When Lorenz dies, Ambrose's moment has arrived. As good as his intentions are, he is also proud. He will be the saviour Theotokos needs, and bring the relief of water to the suffering. But there is something worse than drought to come. Lorenz's death unleashes a terrible plague, soon to be known as the Grey Tears. As Ambrose struggles to save Theotokos from the Grey Tears, the unnatural nature of the plague becomes clearer and clearer, and he is driven to more and more extreme measures. He fears malign forces lurk behind the Grey Tears. The truth is worse than his most awful imaginings.

The Dark Angels Legion go to war, but their primarch's brutal actions threaten to tear apart the fragile alliance of Imperium Secundus. With the Dark Angels spread across a hundred systems, primarch Lion El'Jonson stands as Lord Protector of Ultramar – though his true motives are known to few indeed, and old rivalries on his home world threaten to tear the Dark Angels Legion in half. But when word comes of the Night Lords' attack on Sotha, the Lion's brutal actions bring Imperium Secundus once again to the brink of civil war. Not even the most fearsome warriors of the Dreadwing, nor any arcane secret of the Order, can guarantee victory if he sets himself against his loyal brothers.

As mysterious murders threaten the new peace between Shadowhunters and Downworlders, only Simon, the Daylighter vampire, can help bring both groups together.

In the shadow of the Great Rift, Primaris Marines fight alongside the Dark Angels against the t'au, but as whole worlds burn, a terrible psychic curse is unleashed. Lieutenant Xedro Farren is a Primaris Marine, stronger and more adept than even the Space Marines his brotherhood has been sent to fight alongside. As he and his Primaris brethren support the Dark Angels in fighting a trauma-scarred force of t'au seemingly hellbent on destroying their own allies, their true quarry soon becomes clear: the shadowy instigator of a psychic curse that could plunge a string of Imperial planets into madness. As worlds burn in the fires of battle, an unthinkable pact is struck, and Lieutenant Farren begins to peel back layer after layer of deceit to discover an appalling truth. Can he hope to emerge from this web of lies without losing his honour – or come to that, his life?

More secrets of the Dark Angels are revealed as the Legacy of Caliban trilogy continues. The Legacy of Caliban echoes down through the ages, and the secretive mission of the Dark Angels Space Marines continues. Interrogator-Chaplain Asmodai sees treachery and deceit everywhere he turns – while this serves him well in his hunt for the Fallen, it also strains the Chapter's relations with their Imperial allies. With their true quarry now seemingly within their grasp, Brothers Annael and Telemenus find themselves at the forefront of a new operation that could shake the Imperium itself to its very core.

Four tales of different Space Marine Chapters battling the forces of Chaos across the galaxy. From small scale clashes to total war, all are drawn into the machinations of Kairos Fateweaver. But how does it all link together? The Space Marines stand against the darkness, and yet on countless battlefields they play unwitting roles in the schemes of Fateweaver. From the doomed world of Ilissus,

through the embattled corridors of the Endeavour of Will, to the borders of the Eye of Terror itself – friend and foe alike follow the great plan that he set in motion many thousands of years ago. But not even the Architect of Fate himself can foresee the destiny that lies in wait for him...

Upon steeds of adamantium and steel, the Ravenwing of the Dark Angels bring death to the foes of the Imperium in the first book in a new trilogy from acclaimed author Gav Thorpe. The Ravenwing stand apart from the rest of the Dark Angels Chapter – these dynamic Space Marines take to the battlefield upon steeds of adamantium and steel, and swoop from the skies in lightning-fast speeders to bring death to the foes of the Imperium. Led by the heroic Master Sammael, they prosecute war where their battle-brothers cannot, and are ever at the forefront of the Dark Angels' campaigns.

Formed in the aftermath of the Horus Heresy, the Flesh Tearers, veterans of the Blood Angels Legion now cast adrift, gather behind their leader, Chapter Master Amit, and set out to forge their own destiny. None of the scions of Sanguinius are as bloody or wrathful as the Flesh Tearers. The fury of this Chapter, scorned by the Blood Angels and many of their successors, is legendary. Within them, the Black Rage is made manifest, a curse on the Imperium and its enemies. In the uncertain years following the end of the Great Heresy, it fell to Amit to lead this benighted Chapter. Upon his shoulders lay a heavy burden, for to prevent their own self-annihilation, the Flesh Tearers must not only fight their many foes but their very nature itself.
