

It's about time for *Friends on a Rotten Day*, the first astrology book to focus entirely on friendships. After all, lovers come and go, but our girlfriends sustain, nurture, and protect us from cradle to grave. *Friends on a Rotten Day* explores the supportive, uproarious, and sometimes complex, relationships between girlfriends through an in-depth astrological analysis of each Sun sign. Dixon-Cooper shows readers what makes their friend tick on a soul level, revealing each friend's inner character, friendship style, love style (including what to do or not do if a pal picks a loser), and party style. She offers suggestions on the best gifts to buy your friend, how to calm her down, cheer her up, and return the unconditional support and love that she gives you. Readers will discover why their Gemini buddy changes her mind so often, why the Virgo gal pal sweats the small stuff, why a Scorpio girlfriend sometimes seems distant, and why the Leo chum needs frequent headpats. They'll also learn why a Pisces pal should never be forced to make a snap decision, why a Capricorn girlfriend might seem too serious for her own good, the truth about a Taurus friend's hidden anxieties, the competitive side of an Aries chum, what causes Cancer pal's emotional train wrecks, why the Aquarius buddy has a rebellious side, and why the Sagittarius girlfriend has occasional angry outbursts. "Dixon-Cooper reveals what every astrologer knows but none has dared say. (She) takes us on a seriously humorous ride through the land of truth and consequences. I highly recommend it." --Suzanne White

Improve health, attract wealth, strive towards happiness, go against the trend of transshipment! Set up candle formation and form prayer words to make a wish in order to accelerate the power of magical dreams and solve various problems that trouble you. With the energy of candles of different colors, placing them in the right position is enough to affect the energy state of yourself and external things to make you realize what you want and solve your upset problems. This is a classic candle. Love makes fools of us all, and this book shows you exactly how, from the first misguided glance to the last acrimonious injunction. We all want to know when Mr or Ms Right is going to come along - why else do we read our horoscopes every day? But consider just how much more useful it would be to be able to spot Mr or Ms Wrong and get out of love's kitchen before it gets too hot. That is what this book is for. Of course, no one is actually really compatible with anyone else, we just all get swept away by lust, shut down all critical faculties and leap into the unknown. Darkside Zodiac for Lovers will help you take a cold, hard look at all the shabby tricks,

manipulations, lies and cruel intentions each sun sign tries to hide. It won't mend a broken heart, but it may save you from falling for the same old same old all over again; it will also tell you what a conniving, two-timing, icy-hearted little love rat you are, but then nothing comes for free. Stella Hyde is the author of two popular astrology series, who has always felt that zodiac groupies get off too lightly. She thinks everyone should confront their evil twin. Hyde is a grudge-bearing cancer who lives next to the sea in Brighton.

Born under a bad sign? Of course you were, we all were. In this case Aquarius the Water Carrier, the zodiac's resident heartless alien. Everyone knows their bright starry self, but the Darkside Zodiac reveals what you are like on the bad days. Although fascinating, it doesn't bother you, because you're on a gap year from Alpha Centauri and have diplomatic immunity, so it doesn't really matter how you behave. What can you expect in this short, yet vitriol-packed e-volume? Prepare to break bad. Here's the checklist (partial - you think we give this stuff away?) \* Bitch factor? You got it.
