The Princess Guide uses fairy tales—specifically the stories of three princesses (Snow White, Cinderella, and Sleeping Beauty)—to inspire young women to dignity, femininity, and fervent faith. With a timeless yet relevant voice, it explores issues important to women today.

Scenes from the fairy tales are the backdrop for a new way to look at beauty, vocation, sexuality and chastity, modesty in fashion, and friendship. Personal stories and passages from Scripture, the wisdom of the saints, and the Catechism of the Catholic Church help you discover the princess within.

Read Crazy Love in Simplified Chinese! Now you can experience Francis Chan's life-changing message in this Simplified Chinese version of Crazy Love. God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about

it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. "It's a big, big world It's easy to get lost in it..."

—Justin Bieber, "Up" I love those lines in the lyrics.

Sometimes I feel like that's what everyone's

expecting. My world got very big, very fast, and a lot of people expect me to get lost in it. I grew up in a small town in Canada. I taught myself to sing in front of my bedroom mirror and to play guitar on a hand-me-down. My mom posted my first videos on YouTube. Never in my wildest dreams did I think that I'd sell millions of records, sing for the president of the United States and sell out a massive arena tour. So no, I'm not lost. Not at all. If anything, onstage in front of my fans, I'm home. I'm found. And that's what this book is about: my journey, from singing and busking on the sidewalk in Stratford, Ontario, to performing and showing my appreciation to millions of fans all over the world for making this dream a reality. My music and lyrics give a glimpse of what's in my heart, but I think this book is a window into my world. In here are hundreds of pictures of me that no one's ever seen before, and I'll tell you about who I was before I joined forces with Scooter Braun and Usher and got a record deal, and who I've become since I've been blessed with the opportunity to share my music with the world. This is my gift to you, the fans who've supported and been with me on this amazing journey every step of the way. Since its release in fall of 2003, *Dateable* has taken the publishing world by storm, becoming a bestselling teen sensation and breaking the mold of interior design and content for teen nonfiction. Born from a turning point in Justin's life, these 97 random thoughts are like MTV on paper, never letting today's fast-thinking teens get bored. With short entries on everything from skydiving and horseback riding to hands-on scientific experiments and much more, Justin takes teens for an exciting, wisdom-filled ride to bring them closer to God and more in tune with the important things in life.

Breakups are a part of life, but that doesn't mean

they won't hurt. That's why *The Dirt on Breaking Up* gives the lowdown for both the heartbroken and the heartbreaker.

Discusses the different types of recreational drugs, their physical and mental effects, and the disadvantages to taking drugs, and provides confidence-boosting alternatives to taking drugs due to peer pressure.

THE LAST TRAIN TO HEAVEN, is a story for kids from teens to 99. Like a slow starting train, leaving the station, the story accelerates to an earth-shattering conclusion. Justin Mann is graduating from High School. Events have guaranteed that, to say the least, this will be a memorable event. He has no idea that events put in motion on the other side of the world will dictate the outcome of this special evening. Vassily Provotich and three of his friends have been recruited into an extremely secretive project. They were only told that the task they are about to complete was essential to saving the Russian space program. How will four graduate engineering students and a prophet of doom contribute to this otherwise seemingly innocuous night and how many of Justin's friends will actually get to ride that last train to heaven? What will Justin do when he discovers that the old saying, "Seeing is believing," is backwards?

In a straight-up, no-holds-barred approach, Justin Lookadoo tells what you've always wanted to know

about sex but been too afraid to ask!

When Emily Joy Allison outed her abuser on Twitter, she launched #ChurchToo, a movement to expose the culture of sexual abuse and assault utterly rampant in Christian churches in America. Not a single denomination is unaffected. And the reasons are somewhat different than those you might find in the #MeToo stories coming out of Hollywood or Washington. While patriarchy and misogyny are problems everywhere, they take on a particularly pernicious form in Christian churches where those with power have been insisting, since many decades before #MeToo, that this sexually dysfunctional environment is, in fact, exactly how God wants it to be. #ChurchToo turns over the rocks of the church's sexual dysfunction, revealing just what makes sexualized violence in religious contexts both ubiquitous and

uniquely traumatizing. It also lays the groundwork for not one but many paths of healing from a religious culture of sexual shame, secrecy, and control, and for survivors of abuse to live full, free, healthy lives.

This book is like no other, a fictional self-help book with a sense of reality. From Elvis Presley and The Beatles to Justin Bieber, there have always been screaming fans around music stars. All those fans, when they are (or were) in a solitary state, have (or had) visions, thoughts, fantasies, hallucinations, imaginings, or dreams of all kinds, about their idols... So, this is the dreamy or romantic journey into a relationship with Justin, our young celebrity. Even though this is a fictional self-help book, we must be realistic about all aspects of relationships in general. This is not a relationship with an ordinary person, but with celebrity, what adds intricacy to this journey. Also, relationships, in general, can be difficult and complicated, so we must make sense of this

relationship. The aforementioned journey can show you how to make an honest and thriving relationship with Justin. This book is atypical and uncommon. As a reader, consider it as a portal to your better relationship. As relationships are universal, wherever you live on this planet, this book could help you in developing and improving your relationship. You can learn how to follow Justin and be a stalker (ha, ha, ha, just kidding). But you can find out how to intrigue Justin (or your partner) with "Secret Language;" where to have the first date (McDonald's or Kebab House or Noodle Bar or romantic spot around Los Angeles...); how to have an intellectual rendezvous with Kama Sutra; how can movie intervention be helpful in developing your relationship; how to improve your relationship by playing with LEGO; how to have a cultural date in Sin City; how to pimp your ride; how to party together in the brothel; which museums to visit (Museum of Sex comes to mind); how can you and Justin go anywhere in public and don't be bothered by screaming girls; how to nurture love and build a long-term relationship by drawing and painting (full-length portrait of your naked bodies, giggle, giggle...); how can Laker Girls (or any other dance troupe) help you to implement teamwork in your relationship; how can fun physically and psychologically be beneficial for your and Justin's health; how can unpredictability bring enjoyment in togetherness wherever you are and whatever you do; how to spice up your relationship by playing strip poker; how to improve your relationship, and also your well-being and healthiness by buying a new pair of sneakers; how can you experience new and unique aspects of Justin's (or your partner's) personality with "role-plays" (like being Mr. President and White House intern...); how to be Barbie Girl; how to "unplug;" how can North Korea influence your relationship; how to move in or start living together; how to create and indulge in "hygge;" how can putting together

pieces of IKEA furniture be very sexy and super-hot; on the other hand, how can IKEA make or break your relationship; what happens after you argue or have a "fight"?; can Justin propose to you in Alcatraz???.; how to have an epic wedding, could it be in the Republic of Pes?enica..., and much more... This journey is unassumingly mysterious and magical. You know that a lot of boys/men like in a girl/woman something strange or mysterious. Justin Bieber, as well, often used to say that he likes girls who are mysterious. Logically, in accordance with the mysteriousness of this journey, the author of the book is mysterious as well...
