In the last 40 years, there has been a resurgence of New Testament deliverance ministry. On the forefront of this movement is Jim Croft, pastor, teacher, and deliverance minister. In Invisible Enemies, Croft takes readers on a journey into the heart of deliverance ministry, including topics such as the reality of the demonic realm the

different types of evil spirits how demons enter and display their presence why it's not unusual for Christians to need ministry how to minister deliverance Full of personal testimonies from Croft, his family, and others who have been delivered, Invisible Enemies also exposes and counters some of the more aberrant methodologies that have become the norm. Even better, Croft shows believers how to free themselves and others from demonic powers and how they can maintain that freedom.

Will you go to hell for me? asked the Lord. I remember standing in my living room stunned. It took me a few days to be able to answer him. I replied with a shaking, Yes. He then took me in a vision to the gates of hell. I could smell the sulfur and feel the heat. The gates were huge thick black iron, they swung open as I approached. I was standing on stepping stones just big enough for my feet and lava swirled around the stones. I heard the Lords voice, Dont be afraid Carolyn. I have a net around you and yours. I looked and saw a large net all around me. I continued along the stones and then I saw it - a hand reached desperately to me out of the lava. I grabbed a hold and pulled for all I was worth! The vision ended. From that vision, I learned there are people all around us who are in the own personal hells. We are to set the captives free! The Lord gave me a way to help. It is called Spiritual Body Mapping and it works! It is an amazing way to quickly diagnose and target the strengths as well as areas that need to be addressed in an individuals life. When someone becomes a Christian, they belong to God—but the devil doesn't always let go easily.

Sometimes he tries to hold on to what—who—used to be his. That's why deliverance ministry is so important, freeing God's people from the ties that can bind and keep them from knowing the fullness of their new life in Him.

Today, our world is replete with sayings that stem from human wisdom. Hence, they add little or nothing to improve the lot of people who hear or read them. Wise words needed for direction and godly conduct are very hard to come by. Anyone who stumbles on one is fortunate and someone who has 50 pieces of such godly wisdom has treasure. This, then, is a compilation of 50 wise sayings that will serve as beacons to lighten your path. They are words of wisdom mined and distilled from the treasure-room of God. They are inspired and Spirit-breathed for your edification, enlightenment and encouragement. Read and apply them to your life, and you will experience the creative and fulfilling power of God.

A guide to deliverance ministry explains the biblical record and clarifies what a deliverance ministry is and how it functions in the church of today.

Personal encounters with God are vital for the current generation of believers--the postmodern/millennial generation who affirm truth through experience. Instead of the traditional view of inner healing and deliverance (IHD) as a "hospital unit" of the church, this dissertation-turned-book will explain the biblical, theological, and

current relevance of incorporating IHD into the discipleship structure of the local church. With field research based in Singapore and Taiwan, a grounded theory based on empirical research attests to a framework that enables believers to personally and powerfully encounter God, experience divine healing and wholeness, and become equipped for ongoing sanctification.

Even though they lack the words to describe it, most people know that spiritual warfare is real. This book pulls back the curtains and gives the reader a front row seat to the most exciting show of our time. Each chapter pairs riveting personal stories with solid biblical teaching to give the reader practical guidelines for defeating Satan and living a victorious Christian life. Perhaps you feel like Peter felt when Jesus commanded him to leave the safety of his boat and step upon the tempestuous sea. Because he trusted Jesus, he obeyed him. Later, Jesus told the disciples that they would do greater things. This book will help you find the courage to step out of your comfort zone and walk into the world of power ministry. Thankfully, a series of profound encounters with evil supernaturalism forced me to overcome my internal resistance to spiritual warfare. After I learned how to flow with the Spirit, defeat the enemy, and set the captives free, my life has never been the same. Are you ready to join the battle? *Unchained & Under Cover* boldly exposes the motivations behind spiritual attacks against believers. Drawing on the spiritual gift of discernment of spirits, Dr. Wittmann examines demonic schemes and the methodology-of-bondage dark spirits use to hold born-again believers hostage. He examines attacks against the individual, church leaders, and the church itself, from the position that understanding your enemy is critical in defeating him. But understanding the enemy is only

the beginning. The reader then discovers their true identity in Christ and the power that is theirs in the name of Jesus. Dr. Wittmann guides the reader in how to use that power to receive lasting freedom and spiritual protection for both one's self and others. Rarely is there a book that offers such detailed insight into the workings of dark forces in the spirit realm. Included are group study questions as well as armor and deliverance guides.

The gift of discerning of spirits is a powerful weapon in the Christian's arsenal! When God calls us into ministry, He equips us. God has called all of us into spiritual warfare and spiritual battle. His Church will be a militant Church, and the "gates of hell shall not prevail against her." The weapons God supplies us with are not carnal or fleshly weapons, but spiritual ones, they are "mighty through God to the pulling down of strong holds." We are equipped by God for spiritual warfare through the gifts of the Holy Spirit mentioned in 1 Corinthians 12. God has said that these are the channels through which His power will flow, the avenues through which His Holy Spirit will operate. Chief among these gifts for the ministry of deliverance is the gift of discerning of spirits. We must rely upon the Holy Spirit for the ministry of deliverance and nothing else, not the arm of the flesh or the voice of demons. Frank Hammond explains the application of this gift to the believer, and provides examples of how it has worked in his own ministry. He concludes with a prayer of impartation for the reader to receive this gift and the gifts of knowledge, wisdom and faith.

The name of this book, They Came Back Rejoicing, indicates what actually happens when people became free from demons. Those who had the demons rejoice, as do the deliverers. This book discusses numerous aspects of deliverance. The background of the author's awakening to the reality of demons and his personal deliverance are covered. A

discussion, including biblical examples, of whether a Christian can have a demon is then presented. The Old Testament treatment of demons follows. Jesus' mission and ministry provide a background into the New Testament coverage of deliverance. The treatment of healing and deliverance together is provided. The book then goes into action on the mission field, providing numerous examples of healing and deliverance together. These areas are covered: how demons come in, forgiveness, demons in objects, cults and occults, curses, importance in listening, and special circumstances. How to conduct a deliverance and why people do not get delivered are discussed. Finally, there is a listing of groups of demons. Norman Audi has ministered in a number of churches and has given courses on learning to listen to the voice of the Lord and deliverance. He has been on the mission field in 15 countries. He is the pastor of a home church. He has conducted over 6,000 deliverances and has seen numerous healings, including the blind seeing and the deaf hearing. He is married and has six children and ten grandchildren.

All the basic themes necessary to take the reader on a trek of discovery into New Testament deliverance ministry, illustrated with an abundance of testimonies.

Pentecostal scholars from four continents here offer constructive theological proposals focusing on the role of the Holy Spirit in diverse cultural and religious contexts. Typical Pentecostal topics Spirit-baptism, healing, and other charisms are interwoven with such themes as post-colonialism, religious plurality, racial diversity, and cultural heritage. Deliverance is an immense need that even today is largely sidelined in the church. The body of Christ needs more people trained in deliverance to carry out this vital, life-changing ministry. Rebecca Greenwood offers a fresh look into deliverance, but she doesn't stop at explaining what it is;

In early 2002, Derek Shaver, an unassuming factory worker, was visited by a strange and silent angel of the Lord. This angel, with the help of a young gospel singer armed with the Word of God some weeks before, delivered this emotionally scarred shadow of a one time pint-sized preacher from the evil spirits that haunted him. With the looming darkness of his backsliding into drugs, alcohol and the occult now lifted, the blinding light of God could once again shine down. And shine it did, through the person of the Holy Spirit. Shortly before and soon after the angelic visitation, Derek began to receive revelations in the form of dreams, visions and messages from God that some might say are as peculiar as the man. This is his testimony and written record of the events and those revelations. A testimony of the Deliverance, the Salvation and the Power of Jesus Christ and His Revelation. At the cross Christ made possible a "divine exchange" for everyone who believes in him. What is this exchange? Because Jesus endured all the evil due to humankind, believers can actually partake in all the good due to him. Christ. In place of punishment, wounding, death, poverty, shame, and rejection, Christ freely offers forgiveness, healing, life, abundance, glory, and acceptance. In addition, Prince gives biblical grounding for five areas of deliverance that are made available through the cross: deliverance from this present evil age, from the law, from self, from the flesh, and from the world. This brand-new edition includes a new mini-study course at the end of each chapter, perfect for individual or small group study.

### How to Defeat the Enemy During These Dark Days

As the time approaches for Jesus' return, the spiritual battle between good and evil is heating up. Evidence is all around: shootings, genocide, civil wars, increased persecution. Our enemy is real, and it seems as if he is winning. The good news is that God is at work in powerful ways--and that Satan is not winning. But we need to know how to wage war against him and his plans for these turbulent days. We must understand not only the intensified warfare environment of the end times, but how we can walk in our authority in Jesus Christ. Here are the practical insights you need on how to fight using the spiritual weapons God has given us: the blood of Jesus, the Word of God, our own testimony, and more. When we learn how to wield these weapons, we will see victory over Satan and his kingdom and bring hope to these dark days.

I found out many Christians -even longtime

Christians or full time ministers- go through painful lives and broken relationships because they don't know how to forgive "from the heart"(Matt 18:35). This is a book with twenty years of know-how on how to forgive enemies, enjoy the Kingdom's Joy and Peace, and restore relationships. Many people have not only been freed from anger and resentment, but have also restored their broken relationships within a short period of time. Moreover, we need forgiveness every day, everywhere. If we follow the simple prayer written in this book, we can easily keep our hearts full of joy and peace.

Two human personalities can form a relationship, and, through communication and communion, that relationship can be enhanced. Likewise, a person can form and develop a close relationship with an evil spirit, whether for knowledge or gain. When a person forms a relationship with an evil spirit, he then has a familiar spirit. Familiar spirits are counterfeits of the Holy Spirit's work. Anyone who has fellowship with God, and who is led by the Holy Spirit, does not need a familiar spirit, for God provides him with all that he needs. As with anything occult, involvement with familiar spirits creates spiritual defilement: "Regard not them that have familiar spirits...to be defiled by them: I am the Lord your God." Lev. 19:31

your battles and be free from oppression. Full of scriptural, yet practical, teaching this book will help you learn how deliverance was part of Jesus's ministry in the New Testament, and how you have access to the same power— enabling you to live free from the chains of sin.

"The Christian church worldwide has been taken prisoner by Satan's counterfeit healing." This statement is based on the author's personal experience, modest exposure to the Toronto Blessing, observation of parachurch healing ministries, and extensive historical reconstructions. Satan's Counterfeit Healing presents and evaluates Satan's supernatural healing from the Paleolithic period (ca. 45000 BCE) to the contemporary church. The guiding thesis is that Satan and his demonic surrogates perform miracles which are evident as psi paranormal phenomena. These manifestations include physical and exorcistic supernatural healings. Paleolithic and Neolithic periods produced Great Mother goddess worship and healing, which have persisted ever since. These idolatries, combined with OT nature gods, were a backdrop to Jesus' true miracles. For two thousand years of church history there's been a tug-of-war between true and false healing. Mother goddess as Mariological shrine healing joined with natural and demonic magic, and esoteric energy psi. Alongside these the Holy Spirit has raised up genuine healers

and their ministries. Modern healing is marked by energy counterfeits and faith healing, the latter especially accompanied by trance, false prophecy, and psi transformations. True divine healing can be recovered when Christians repudiate nature gods, reject false prophecy, and restore proper eschatology.

"Praying with Passion is the perfect antidote to listless prayer. Judge McCaig's admonitions are on target." --Dr. Charles J. Wisdom, senior associate pastor, Second Baptist Church, Houston, Texas "In fifty-nine years as a pastor, I've read many books on prayer. Praying with Passion is the first that looks at all facets of one's prayer life. I wish I had Praying with Passion during my early years as a believer. I recommend this book to anyone serious about his or her prayer life." --Lowell F. Thompson, retired editor and consultant, Baptist Sunday School Board (now LifeWay Christian Resources) If everyone prayed just like you do, what would the world be like? If everyone prayed exactly like you wish you prayed, what would the world be like? The answers to those two questions are very telling. Praying with passion means having an intense, real relationship with God. It means having a conversation with God in which you truly know in your heart that He hears you. Praying with Passion seeks to help you learn to communicate with God and move closer to Him in all parts of your life. Learn to seek God's will, discern

Beliefs in witchcraft and demons still shape many societies and seem to be increasing rather than disappearing with modernization and urbanization. Witch hunts in Africa and Asia show the scope of the problem. The deliverance practices of Pentecostal and charismatic churches are widely controversial and their effects rather ambiguous. The contributions in this volume, written by experts and practitioners from four continents, analyze these phenomena from the perspectives of intercultural theology, anthropology and ethnology and describe the responses of Catholic and Protestant churches.

PRAISE is a powerful weapon in deliverance and spiritual warfare. As you praise the Lord, things begin to happen in the unseen realm. In the Old Testament, the people of God didn't have the name of Jesus as a weapon, but they did have praise. When Saul was troubled by an evil spirit, the only thing they knew to help him was to call David. What happened when David began to play on his harp and sing praise to his God? The evil spirit departed from King Saul. You can see why praise was so important to those Old Testament saints. You can see why they developed such a lifestyle of praise. We are told to resist the devil and make him flee, and praise is an often overlooked and underused weapon to accomplish this. I want you to understand what your praise does in the spirit realm. A demon cannot exist in that atmosphere - he simply cannot function. Evil spirits have tormented us enough; through praise we get to turn the tables and torment them
