This historic reference edition of Sergei Rachmaninoff's Piano Concerto No. 2, in C Minor, Op. 18 is considered to be one of the composer's most popular concerti. It is composed of three movements: Moderato, Adagio sostenuto and Allegro scherzando. Also included is an outstanding CD recording, from the Naxos label, by internationally renowned artist, Idil Biret, with the Polish National Radio Symphony Orchestra, Antoni Wit conducting. Biret has made more than 70 recordings and has received numerous awards including: Lily Boulanger Memorial, Boston; Harriet Cohen - Dinu Lipatti gold medal, London; Chevalier de l'Ordre du Merite, France; State Artist, Turkey and many others.

A comprehensive guide to understanding white diamonds and natural fancy colour diamonds, this book includes images of the most fabulous jewels in the world.

From the dawn of time, ruby and sapphire have both attracted and fascinated humans. While objects of desire are found throughout the natural world, physical beauty is too often ephemeral. From the allure of a man, woman, flower or butterfly, through the fleeting moments of a sunset, there is little that lasts and practically nothing that can be passed down to our descendants. The exception is precious stones. Not only are they the most durable creations of mother nature, but their visual splendor is truly eternal. In this companion to his 2013 book, *Ruby & Sapphire--A Collector's Guide*, Richard Hughes examines these gems from the gemological standpoint, delving into them not just from the aesthetic, but also from the scientific point of view. The product of nearly 40 years of firsthand experience, it covers every aspect of the subject from A-Z. History, sources, prices, quality analysis, synthetics and treatments, everything is here. *Ruby & Sapphire--A Gemologist's Guide* represents the most comprehensive book ever written on a single precious stone. With over 1000 photos, maps and illustrations and 3500 references, it is nothing less than a tour-de-force of gemological scholarship. Simplified Chinese edition of a Japanese children's book *Kujirada* or whale by Japan's prolific children's author and illustrator Gomi Taro.
