Expressly designed for surgeons in training who are new to nasal rhinoplasty, this textbook is written in a simple didactic style. A century after the first open rhinoplasty was performed by Dr. Aurel Réthi in Hungary, open rhinoplasty is now the most commonly used approach to aesthetic and reconstructive nasal surgery; the author's decades of experience will safely guide the reader through her/his journey from the first contact with new patients to the postoperative analysis of clinical results. Instead of the usual classification of surgical techniques and anatomical regions, here the learning process is based on a sequence of steps, each of which addresses the most frequent problems that surgeons are likely to encounter in everyday clinical practice. In addition, the most relevant surgical instruments and electromedical devices are presented, together with their specific features and techniques, such as inclination and positioning during the procedure. Each step is richly illustrated and supported by a suggested reading list, as well as content on ethical and general principles. A specific chapter on radiological pre-evaluation assessment makes this book unique. Given its clear structure, its appealing didactic style and wealth of figures, Basic Open Rhinoplasty offers a much-valued step-by-step companion for postgraduate students, surgeons in training, and medical practitioners who deal with rhinoplasty in their clinical practice.

Muchos son los llamados, pero ustedes son escogidos. Usted los ha visto. Son personas de confianza, generosas y alegres. Conquistan todo lo que hacen. Viven en la dimensión de milagros como si el mismo aliento de Dios estuviera en cada una de las decisiones que toman. Reciben el impulso para subir a nuevos niveles (financiera, espiritualmente y en sus relaciones) mientras que usted permanece en la línea de salida, esperando ese avance. ¿Quiénes son? ¿Cómo obtener el favor de Dios? Usted puede convertirse en un creyente del siguiente nivel porque usted es un escogido. Jesús dijo:"No me elegisteis vosotros a mi, sino que yo os elegí a vosotros... para que todo lo que pidiereis al Padre en mi nombre, él os lo dé" (Juan 15:16). La exitosa escritora Michelle McClain-Walters presenta la diferencia entre los

escogidos, los muchos y los pocos, a medida que lo equipara con conocimiento y estrategias divinas para dar el salto de inicio en su destino. Escogidos le enseñará estos puntos: Fortalecerse para permanecer en el camino de los escogidos de Dios Exponer y superar los ataques, los obstáculos y las actitudes impías que amenazan su vida Entender las funciones internas de la dimensión de los escogidos en donde el cielo converge cob la tierra y donde lo sobrenatural coexiste con lo natural Elija ahora si declara: "¡Soy un escogido!" y observe cómo se abren los misterios celestiales ante usted. MANY ARE CALLED, BUT YOU ARE CHOSEN. This book will equip you with prophetic insight and divine strategies that will jump-start you on the path toward destiny. There is a distinction between the called and the chosen, the many and the few. Who are these people? How did they get exclusive access to the favor of God? They are confident and prosperous, generous and joyful. They live in the realm of miracles and the supernatural, as if the very breath of God is on every decision they make in life. One season after the next they are catapulted to new levels in life. All they do is win and trample over challenges, disappointments, and attacks from the enemy, while others still remain at the starting line, awaiting breakthrough. In her book Michelle McClain-Walters shows readers just what this distinction is and how they can live in the fullness of their identity as God's chosen ones. Built on the words of Christ in John 15:16--"You did not choose me, but I chose you and appointed you so that you might go and bear fruit--fruit that will last--and so that whatever you ask in my name the Father will give you"--and Matthew 22:14--"Many are called but few are chosen"--Chosen is a revelation of the spiritual force behind the life of the next-level believer. Choose now and declare, "I am chosen!" and watch as the mysteries of heaven are opened to you.
