Simplified Chinese edition of Midnight on the Moon (Magic Tree House, No. 8) Ride with the tide! Deep beneath the waves, King Triton's powerful trident has passed through the magical barrier that surrounds the Isle of the Lost-keeping villains in and magic out. And when Mal's longtime rival Uma, daughter of Ursula, gets wind of this, she can't believe her luck. The tide has dragged in something good for a change, and Uma is determined to get her wicked hands on it. But first, she needs a pirate crew. A storm is brewing back in Auradon, and when Mal, Evie, Carlos, and Jay hear that the trident has been washed away, they realize they'll have to find it before anyone from the Isle does. Luckily, they seem to have a talent for locating missing magical objects. As Uma readies for the high seas alongside Harry, son of Captain Hook, Gil, son of Gaston, and the toughest rogues on the Isle of the Lost, the reformed villains of Auradon devise their own master plan. And with King Ben away on royal business, they won't have to play by all the rules. Using bad for good can't be totally evil, right? One of the great exponents of the direct cinema style, Quebecois poet, essayist, and film-maker Pierre Perrault (1927-1999) began his documentary career in radio before joining the more traditional Ren'e Bonni'ere filming life in the lower St. Lawrence. In the 1960s he joined the National Film Board of Canada to shoot films in the new direct style, taking a small two-man crew into communities to reveal their beliefs and allegiances as they coped with social change. His legendary trilogy on the Ile-aux-Coudres opened with his most famous work, Pour la suite du monde (1963). Ostensibly a look at the local people's effort to revive a traditional beluga hunt, it is actually the beginning of a lifelong inquiry into the relationship between community and national identity. This relationship emerges most clearly in the highly poetic Un pays sans bon sens! (1970), which brought Perrault into conflict with the NFB. The film was sidelined for many years. After a trip outside Quebec to Moncton to document francophone student unrest, Perrault made a second trilogy, this one in northwestern Quebec, showing the collapse of traditional farming communities relocated to the Abitibi during the Great Depression. Further explorations took Perrault to the northern interiors of Quebec, the hunting woods of Maniwaki, and to the tall ships retracing Jacques Cartier's voyages of discovery. The trilogy culminated in the desolate arctic landscapes of the mysterious muskox, and two of his most haunting creations. The first major publication on Perrault in English, Pierre Perrault and the Poetic Documentary discusses not only the world that Perrault's cinema revealed but a revolution in film-making from a great poet. Co-written and edited by David Clandfield, Principal of New College in the University of Toronto, Pierre Perrault and the Poetic Documentary also features contributions from scholar Jerry White, as well as translations of some of Perrault's writings on film. her own thoughts and feelings!

The children of Maleficent, the Evil Queen, Jafar and Cruella De Vil have never ventured off the Isle of the Lost. . . until now. Invited to pristine Auradon, to attend prep school alongside the children of beloved Disney heroes, Mal, Evie, Jay and Carlos must carry out their villain parents evil plot to rule once again. The #1 New York Times best-selling sequel to The Isle of the Lost Mal's an expert at intimidating her enemies, but she's broken the habit since leaving her villainous roots behind. So when she and her friends Evie, Carlos, and Jay all receive threatening messages demanding they return home, Mal can't believe it. Sure, she's King Ben's girlfriend now, and she's usually nice to her classmates, but she still didn't think anyone would be silly enough to try to push her around. The thing is, it kind of worked. Especially since she and her friends have a sneaking suspicion that their villainous parents are behind the messages. And when Evie looks into her Magic Mirror, what she sees only confirms their fears. Maleficent's just a tiny lizard after her run-in with Mal at Ben's Coronation, but she's the worst villain in the land for a reason. Could she have found a way to escape? Whatever's going on, Mal, Evie, Carlos, and Jay know they have to sneak back to the Isle and get to the bottom of it. Without its infamous leader, the island's even worse than when they left it, but the comforts of home-even a home as gloomy as the Isle of the Lost-can be hard to resist for recently reformed villains. Will the kids be able to beat the evil bubbling at the Isle's wicked core, or will the plot to destroy Auradon succeed?
