

Descent The Immortal Chronicles Book 1

She was destined to be a weapon. Elise Kavanagh is good at one thing: killing demons, angels, and gods. For years, she was the death that supernatural creatures feared. More myth than woman, she walked the Earth as the embodiment of vengeance. But Elise doesn't want anything to do with destiny. She wants time off to spend with her only friend and former investigative partner, James Faulkner - a powerful witch, the only person she trusts - and try to be a normal person, whatever that means. Destiny hasn't forgotten her. It's not easy to retire when you were born to be a killing machine. Old enemies still hold bitter grudges against Elise. The demon overlord of her new home isn't happy to have the Godslayer hiding out in her territory. And there are still gods that need to be killed... This is a collection of the first three titles in The Descent Series, which are gritty urban fantasy books about an exorcist, a witch, and their battles against the forces of Heaven and Hell. (Approx. 200,000 words total.) Books included: Death's Hand, The Darkest Gate, Dark Union.

DEATH'S HAND Elise Kavanagh doesn't want to hunt demons anymore. It's been five years since she killed her last enemy, and life has been quiet since then. She went to college. Got a job, and then lost it. Made a friend or two. Lived a normal life. Now her former partner, a powerful witch named James Faulkner, wants Elise to fight one more time. The daughter of a coven member has been possessed, and Elise is the only exorcist nearby. Becoming a hero again would mean risking discovery by old enemies. But digging into the case reveals that it might already be too late--bodies are disappearing, demons slither through the night, and the cogs of apocalypse are beginning to turn. Some enemies aren't willing to let the secrets of the past stay dead... **THE DARKEST GATE** When Elise Kavanagh retired from demon hunting, she swore it would be permanent. But an attack from a powerful necromancer forced her back into the business, and now she's trying to balance her normal boyfriend and normal job with everything supernatural. Mr. Black is a demon hunter gone rogue. He's enslaving angels and stealing ethereal artifacts in pursuit of forbidden immortality, and an old grudge drives him to make his final stand in Elise's territory. Destroying her life and killing her friends isn't the goal, but it's a definite perk. A demonic overlord offers to join against Mr. Black and protect Elise's loved ones. All she needs to do is ally with the demons she's sworn to kill, at the cost of her morals--and maybe her immortal soul. But once she crosses that line, there's no turning back. Nothing is sacred when Heaven and Hell collide on Earth... **DARK UNION** Every fifty years, the most powerful ethereal and infernal beings convene on Earth to resolve conflicts with mediation by kopides--humans born to police relations between Heaven and Hell. They're meeting in Elise Kavanagh's territory this year, and she used to be the greatest kopis in the world. But she's not invited. An old friend, Lucas McIntyre, asks her to attend the summit in his place. But when she arrives, she discovers that a human faction called The Union has taken

charge of the summit, and they're not playing nice. Worse yet, someone has killed a prominent Union member... and now they're demanding blood. dark urban fantasy, demon hunter, exorcist, fallen angels, witches, witchcraft, occult supernatural, free fantasy book, bargain fantasy book, urban dark fantasy, paranormal romance, werewolves, werewolf pack, free, freebie keywords: urban fantasy, paranormal romance, urban fantasy romance, werewolf romance, shapeshifter romance, angels, demons, science fiction romance, free urban fantasy novel, free books, free paranormal, exorcist, urban fantasy series

Books 2-3 Omega Chronicles Nevaeh & Crux Ansata Part I and II Book 2 of the Omega Chronicles, Part I "If you were to destroy the belief in immortality in mankind, not only love but every living force on which the continuation of all life in the world depends, would dry up at once." – Fyodor Dostoevsky Many people believe that being immortal is a bliss, something that is priceless... something that one would do next to anything for. Would it be a bliss to live long enough to see all your loved ones perish? To wander around the world in loneliness, for every friend you ever made have run out of time to spend with you? Personally, I think not! It's not a bliss. If anything, it's a downright curse. This story about the lost city of Nemea is a subgenre of the fantasy or science fiction genres that involves the discovery of an unknown world out of time and place. The second novel in the Omega Chronicles series is also a subgenre of the late Victorian adventure romance. This story has a similar theme to other mythical kingdoms, The Lost City of Altinova in Book 1 and others, such as Atlantis and El Dorado. Lucas Petersen, a professor at the University of Texas, is resting quietly in his apartment on Guadalupe Street near the main campus. There's a knock at his door that surprised him. He is visited by Tommy Hansen, a good friend. With him, he brought a steel box, set it down at his friend's table, and explained his unusual request, including the fact that he was soon to die. Part of the request was that the contents of the box couldn't be disclosed for twenty years. ***** Book 3 of Omega Chronicles: Part II, a Sequel to Nevaeh, Part I "True love is not necessary the number of kisses, or how frequently one gets them, TRUE LOVE is the feeling that still remains long after the kiss is over." Crux Ansata – The Lost City of Ankara is a gothic-fantasy novel that follows as a sequel to Nevaeh – The Lost City of Nemea from the Caves of Chivateros in Peru. It is Book Three in the Omega Chronicles. Freja Jensen, contemplating retiring from BeeBop Publishing Group in Austin, Texas, received a brown paper parcel in the mail. She opened the package and saw that it was from Lucas Hansen, or his pen name, Lucas Pedersen. With the letter was a manuscript. Another letter received was from a doctor who asked to remain anonymous. Included in a small teakwood box was an ancient sistrum, an Egyptian musical instrument with magical powers, and had the etching of an ankh on top. In this sequel to Nevaeh – The Lost City of Nemea, a twenty-year search begins by Lucas and Oliver Hansen to try and find Oliver's lost True Love. You might ask, "What is true love? No one can really define what it is. Thousands upon

thousands of people will have an answer. Many answers will point to a feeling they experience, but never has the Truth been more known until one reads the dramatic conclusion in this sequel, CRUX ANSATA. In the case of Oliver Hansen, also known as the Golden One, his love, unlike feelings, doesn't come and go. It stays with him for over twenty years as he searches for that one true love, the Goddess Nevaeh. He explores through the good and the bad... and when we say bad, we mean

A powerful vate and the last in her line, Keleigh denies the potent magic singing through her blood because she wants to be Ordinary. Keleigh has the ability, but not the training, to save her parents from slaughter by beasts most only see in horror movies. But after they perish, her mother reaches out from the OtherWorld, freeing Keleigh from her oath never to practice magic and imploring her to find an ancient relic powerful enough to destroy this realm. Keleigh, no longer able to deny her true calling, begrudgingly turns to her sworn enemy for help. Locke is a damaged druid whose family is entrusted with keeping witches cloaked in the Ordinary world in Salem. But Locke has a mission of his own, one that might not align with Keleigh's. Can the two come together to find the ancient artifact in time to save each other and the world from plunging into complete chaos? This fairy tale is about to become deadly because all's fair in vanity's war.
