A Red Dragon's breath is all it takes for most humans to lose their minds with desire. For Erika, all she needs is to lay eyes on her lover, Geva, and she's ready to have his babies. Temporarily separated from the true object of her desire, Erika finds herself increasingly distracted by Rowan, Geva's younger, more powerful, and beautiful sister. It doesn't help that dragons are typically open with their affections, or that Rowan and her pair of mates keep inadvertently taunting Erika with their sexual rendezvous. When Erika is finally offered a chance to fulfill her unending curiosity and longing for a deeper connection with the beautiful female Red dragon, she takes it, and not just because her lover would have wanted her to. After an evening of deep sapphic connection, she may find more than another lover. Will Rowan be able to fulfill a need that Erika didn't even know she had? The Slayers have struck a blow against mankind, in bringing a pestilence from the ancient world, which is spreading like wildfire. Sloane Forbes, the Apothecary of the Pyr, knows it is his duty to find the cure, but the solution is elusive, his beautiful neighbor is distracting, and time is running out. In moving to a remote farm in the California hills, Samantha Wilcox has left her demanding career behind by choice and on principle. It's too painful to remember her own failures as both mother and physician, and not a point of pride that she fell short of the measure, so she's determined to start fresh. She's going to live differently, following her instincts and savoring life's pleasures—like the hot sex with no commitment offered by her mysterious neighbor. Sloane Forbes is no more of an herb farmer than she is a tarot card reader, but Samantha is determined to keep their illusions intact—at least until she discovers that Sloane's one of the Pyr, the dragon shifters responsible for the epidemic that stole her son's life. As Slayers and Pyr gather for the final battle, can Samantha and Sloane work together to save the world and build themselves—and their respective kinds—a future? \*\*\* The Dragonfire Series of Paranormal Romances Each Dragonfire Novel is a complete romance, but you would probably prefer to read them in order to follow the story of the Dragon's Tail Wars, the final battle for supremacy between the Pyr and the evil Slayers. She's supposed to help them adjust to being around dragon-shifters while also observing how the clan works on a day-to-day basis. When his firestorm sparks in the realm of Fae, he's sure it's an illusion created by the Dark Queen and a trap. Selkie Lila learned long ago that her independence is her most precious possession. But Rhys challenges everything she believes to be true about mortals—he defends her right to choose, even at his own peril, and that's more seductive than Lila wants to admit. Is it just a trick to convince her to bear his son? Or is this Pyr warrior as honorable as he appears to be? When an ancient and evil dragon prince joins forces with the Dark Queen to eliminate both the Pyr and the selkies, Rhys and Lila must work together to save their kinds—and each other. Another Dragon Fantasy for everyone who fell in love with the Dragon Lore Series and my other dragon-saturated books. By his own admission, Johan's always been one stubborn bastard. He's wedded to his freedom, and the thought of bonding with a dragon has some pretty serious downsides. If he doesn't sign on to become magical, though, he'll be left behind—also not an acceptable outcome. Distant relatives to dragons, sea-serpents are gaining strength shockingly fast. Breeding farms spring up on distant outposts, spitting out all manner of evil. Banished eons ago by the dragon god, the serpents are making a comeback. As the dragons seek allies, they uncover still more atrocities. Katya, dragon shifter and twin to the dragons' prince, thought she wanted Johan as her mate, but he has more rough edges than she counted on. Besides, the serpent problem supersedes everything. She's used to dragons being in charge, but when a serpent almost steals her will, it's quite the wakeup call her magic isn't as potent as she always assumed. Is the age of dragons drawing to a close? If that's true, what will come next? **READER PRAISE FOR THE ICE DRAGON SERIES:** Two humans destined to die in the ice...two last dragon shifters on earth...throw in some sea serpents and you have yourself an intriguing read and a tail that makes your heart sing. But Cassie is hard to forget—and he can't ignore the danger when Slayers target the mate Lorenzo didn't believe he wanted... “In the seventh Dragonfire novel, the defeat of one Pyr's enemies only means that a new threat rises in the form of the crafty and deadly Chen. Princess Faith has been raised with one purpose in life - on her eighteenth birthday, she will be tied to a stake on a hill and left as a tribute to the dragons. She will breed with them, helping to replenish their race. But headstrong Faith hasn't quite accepted the idea. After an ill-fated escape attempt, she is caught by a dragon in his human form - Inaeth, her intended mate. In Inaeth's lair, she must learn her lesson and her place. What she doesn't expect is the desire he awakens in her. **Warning: This 10,000 word story contains explicit sex scenes. For adults only!** Excerpt: Faith's face grew hot with embarrassment and shame, and she looked away to stare at the ground. The dragon-man came closer, until he was standing over her. She cringed as he reached out and laid a hand on her head. He stroked her hair once, and she just had time to wonder what he was doing, before he wound his fingers in the dark tresses. Then he bent lower, and pulled her hair with a painful yank, so that she was forced to get up onto her knees. His hand still entwined, he positioned her head so that she had to look at him. She let out a pained whimper, the fear taking hold again. Her heart thudded in her chest as she stared into his handsome face. The dragon's eyes were still fixed intently on hers, his expression mild. Her lips fell open and she was about to speak - to plead, or curse - when he spoke. "Now, rebellious one." He purred. "You see that I can give you pleasure, but I am quite willing to cause you pain, if I have to. You are mine. The sooner you learn that, the better it will be for you." He seemed to wait then, staring at her patiently. He expected a response. Faith swallowed hard, and nodded. A final tear squeezed from the corner of her eye and slid down her cheek, and she knew she could cry no more. All hope had fled, leaving her feeling numb and empty. She just wished that having her acquiescence, he might leave her alone for a while. A drastic change came over his face then. The glowing in his eyes faded, leaving them placid and dark. His brow smoothed, and his expression became almost tender. His hand loosened its hold on her hair, and suddenly he was caressing her again. Then the dragon smiled, his full lips tilting up at the edges. The smile transformed his face. He was really incredibly handsome. No... handsome was not the right word. He was beautiful. Though her heart still beat hard, something in her shifted then. A queer thrill that started in her belly and settled lower, in her sex. Faith had to look away, angry at herself. "What is your name?" He asked her. "Faith." She murmured. He made a pleased sound; stroking her hair, lifting an end and inspecting it. "I am Inaeth. I will be your mate for life... if you please me." "And... if I don't please you?" She dared, her voice little more than a whisper.
