Often dismissed as "not serious", the notion of play has nevertheless been at the centre of classical theories of religion and ritual (Huizinga, Caillois, Turner, Staal, etc.). What can be retained of those theories for the contemporary study of religions? Can a study of "play" or "game" bring new perspectives for the study of religions? The book deals with the history of games and their relation to religions, the links between divination and games, the relations between sport and ritual, the pedagogical functions of games in religious education, and the interaction between games, media and religions. Richly illustrated, the book contributes to

Original. Warhammer Fantasy Roleplay or Warhammer Fantasy Role-Play (abbreviated to WFRP or WHFRP) is a role-playing game set in the Warhammer Fantasy setting, published by Games Workshop or its licensees. Combat in Warhammer Fantasy Roleplay descends from the system used for large-scale miniature combat, making it substantially more deadly than the combat featured in many other systems. Most human-level creatures and characters can absorb only one or two hits without receiving a serious injury, a "Critical Hit" that may instantly kill, cripple, or permanently maim a character. There are no regeneration or resurrection powers in WFRP and limited healing options. "Fate Points", which represent a character's fate or destiny, provide a limited number of opportunities to avoid crippling or killing results. The first edition of WFRP was published in 1986 and later maintained by Hogshead Publishing. A second edition was developed and published in 2004 by Green Ronin and Black Industries, respectively. Fantasy Flight Games published a third edition under license in November 2009. This edition used a new system retaining few mechanics of the original. A fourth edition rooted in the first and second editions was released under license by Cubicle 7 in 2018. Warhammer Empire Campaign Walkthrough

The Walkthrough offers a rare peek behind the curtain of the secretive video game industry from an unlikely perspective, that of a career strategy guide writer. For eighteen years, Doug Walsh was one of the most prolific authors of officially licensed video game strategy guides. One part memoir and one part industry tell-all, The Walkthrough takes players on an entertaining march through gaming's recent history, from the dawn of the PlayStation to the Xbox 360 and Nintendo Switch. Follow along as Walsh retraces his career and reveals how the books were made, what it was like writing guides to some of the industry's most celebrated — and derided — titles, and why the biggest publishers of guidebooks are no longer around. Walsh devotes entire chapters to many of gaming's most popular franchises, including Tony Hawk's Pro Skater, Gears of War, and Diablo, among others. From inauspicious beginnings with Daikatana to authoring the books for the entire Bioshock trilogy, with plenty of highs, lows, and Warp Pipes along the way, Walsh delivers a rare treat to twenty-first century gamers. The Walkthrough is sure to satisfy the curiosity of anyone who grew up with the works of BradyGames and Prima Games sprawled across their laps. With over one hundred books to his credit, and countless weeks spent at many of the most famous studios in North America, he is uniquely qualified to give an insider's perspective of a little-known niche within the multi-billion-dollar industry.

Mlle Lenormand was beyond any doubt one of the most famous and most talented fortune tellers of all times. Her life is also surrounded with stories of amazement and mystery -- and so are her cards! The most comprehensive book ever published on the Fortune Telling Cards of Mlle Lenormand, The Game of Destiny contains the meanings of all 36 cards, card combinations, special meanings and several different spreads of this unique divination system. This is the first book to reveal precisely how these cards work, and explain how this system of divination can provide amazingly accurate answers to questions about love, friendships, family, career, health and spirituality. An extra chapter on how to invoke the aid of the Gypsy Spirits in card divination as well as ideas and recipes to aid clients and readers alike make this book an exceptionally valuable guide for beginners and professional readers alike.

Bombs and bullets have covered up for mankind's failure. Charismatic leaders of ages past have led their people into war with the promises of plenty, the plenty taken from another culture. This day has past. The wide difference between the East and the West has grown wider and wider, and the intenseness of the difference between the two has reached the breaking point. There is no way that those who value human life can withstand the onslaught of those who do not. The intenseness of those who do not value human life including their own are not intimidated by bombs and bullets. In fact they welcome death. What weapon does one use against an enemy such as this, who has no fear? It is imperative therefore that those who value human life become as intense in their faith and traditions as their adversaries, not in the spirit of military might, economic might, or condescension, but in a spirit of conciliation. Only a war of ideas will save the world and its people.

*** ATTENTION! This guide is a work-in-progress guide. That means that it, currently, doesn't cover the whole game. However, it's being worked on and will be updated regularly. Please bear that in mind before you decide to buy the guide. Thank you. *** Welcome, welcome, please come right on in (but mind the Moogles resting there on the floor). I see you're a weary traveller and you're looking for some guidance as you navigate your way around Midgar. Well, you've certainly come to the right place, I can alleviate those frustrations and anger and let you in on some of Midgar's greatest secrets, including: * My one-of-a-kind guidance through each and every chapter. * I overheard someone gossiping in the weapons shop the best ways to beat the biggest, nastiest, boss-like monsters. * You do look like you have a compassionate side, I can help you gain favor with the locals by helping all of them out with their side-quests. * Don't forget, you'll need pockets full of Materia to keep you safe. I'm sure I can tell you everything you need to know about it. * Do you like shiny weapons? Would you be interested in finding out how to get them all and how you can fully upgrade them? Who am I kidding? Of course you do! * Someone dropped this list of every animal you can come across in Midgar. Think you'd be interested in it? * I see you're eyeing up my impressive trophy collection. If you're nice, I'm sure I can tell you how I earned every last one of them, including that super-shiny platinum one. If you think you'd like my help, then I'll gladly sell you this weighty strategy guide walkthrough I put together. However, don't tell my boss. It's 100% unofficial and unauthorized, so keep it a secret between you and me, yea? Thanks! You're awesome. Disclaimer: No Chocobo's or Moogles were harmed in the making of this guide. However,

New York dancing master Hillgrove acknowledges that he has "availed himself of all the books from which he might elicit any valuable information." Indeed, very little of the manual is original. Divided into six parts, Hillgrove's manual discusses the benefits of dance, dress, deportment and etiquette in the ballroom and the supper room. The second part focuses on positions of the feet and bows and courtesies, and provides exercises for the feet and legs. The third and fourth parts discuss the quadrille and provide many figures; the fifth part is devoted to round dances such as the waltz, polka, schottisch, galop, and polka mazurka. The last section focuses on more quadrille figures and other group dances such as the "Virginia Reel," "Money Musk," and "College Hornpipe."

A tale of cursed lovers repeatedly reincarnated. Either they finally fulfill the prophecy, or die for all time. Ancient druid-turned-mercenary, Khyryn of Powys, has loved one woman for two thousand years, and would claim her again if only Wynne Hailey remembered him. But the curse that causes her early demise in each lifetime, ensures he'll never forget her and guarantees she'll never remember him or their love. For Wynne to fulfill the foretold prophecy and break the curse, Khyryn must travel through time to the modern day faire and steal her away to the past. On a mission to clear her uncle's name, Wynne infiltrates the cast at a medieval faire to reclaim a stolen artifact. Instead, she discovers not all the characters at this faire are merely actors. One tries to kill her and another abducts her. Make-believe turns menacing when Wynne and Khyryn are forced to face destiny, desire, and the villain who wants them both dead. In this game of love and war, all is fair...and deadly.
