Redaction criticism attempts to identify biblical authors' theological interests by examining their adaptation of sources. Focusing on representative studies of Jesus' disciples in the Gospel of Mark, this pioneering book by C. Clifton Black has become the standard evaluation of that method's exegetical reliability. Comprehensively reviewing recent scholarship, Black identifies three distinctive types of redaction criticism in Markan interpretation. He demonstrates that diverse redaction-critical interpretations of the disciples in Mark have bolstered rather than controlled scholarly presuppositions to a degree that impugns the method's reliability for interpreting Mark. The book concludes by assessing redaction criticism's usefulness and offering a more balanced approach to Mark's interpretation. This second edition includes a substantial, detailed afterword that revisits the book's primary issues, converses with its critics, and provides an update of Markan scholarship over the past twenty-five years.

What exactly was Jesus's relationship with the Beloved Disciple, with Mary and Martha? What was he like to be with, and how did he have such an impact on followers from diverse backgrounds? This fiction story is an eye-opening look at what life was like in Palestine during the life of Jesus, at how society functioned, the social pressures of the time, and above all at what the teaching of Jesus on the Kingdom of God really meant. The beloved Disciple tells the story from his point of view, and is also joined by the Prodigal Daughter, the Gethsemane Streaker and other real live Christians.

Craig Keener and Glenn Usry's highly acclaimed *Black Man's Religion* showed in impressive detail that Christianity and Afrocentricity can go together. Now they turn to specific, nitty-gritty questions put to the black church by non-Christians: Is everything good in Christianity plagiarized from traditional African religions? Isn't it intolerant to say Christ is the only way to God? Is the Bible reliable? What about criticisms of Christianity made by the Nation of Islam? Keener and Usry meet these and other important questions head-on, providing responses relevant to and especially for black men and women.

While *Disciples Diary* is designed as a devotional collection; this book is more informational in format. Topics addressed in this study include body image, self -esteem, developing healthy friendships, growing old in a youth oriented culture, developing our spiritual gifts, and finding our place of ministry. *Fearfully Female and Wonderfully Woman* would be a valuable reference tool as well as a guide for individual or small group study. <http://bookstore.westbowpress.com/Products/SKU-000466986/Fearfully-Female-and-Wonderfully-Woman.aspx>
