This is the true life story of Jason Dunphy, a teen who, while living in a small northern Canadian town in the 70's and 80's, developed schizophrenia. These tales are raw and honest. They describe a young person on random hitchhiking adventures through the wide open prairies of Alberta and his wild fantasies of attaining rock stardom. All this with the background noise of the battle of his disease going on in his fragile mind. In the end, we see how Dunphy overcomes his mental illness and finds a life of peace, happiness and health.

Xun (or Hsun) is the master (inventor?) of the modern Chinese short story. Some of his stories were translated into American English in 1941, but more recent translations have been into a British English. Lyell provides an introduction, notes on pronunciation and further notes on the text, intending to win as wide an audience as possible beyond those already familiar with Chinese history and culture. Gogol's biting satirical comedy, first published in 1835, is an outrageous rant against the civil service and the class system of 19th century Russia. It combines realism with the fantastic and the absurd as one man struggles to be noticed by the woman he adores. Gogol's stories are rooted in commonplace events and his characters are common people but Gogol combined that in a weird world of fantasy, broad comedy and lunacy. Copyright © Libri GmbH. Author, dramatist and satirist, Nikolay Gogol (1809-1852) deeply influenced later Russian literature with his powerful depictions of a society dominated by petty bureaucracy and base corruption. This volume includes both his most admired short fiction and his most famous drama. A biting and frequently hilarious political satire, *The Government Inspector* has been popular since its first performance and was regarded by Nabokov as the greatest Russian play ever written. The stories gathered here, meanwhile, range from comic to tragic and describe the isolated lives of low-ranking clerks, lunatics and swindlers. They include *Diary of a Madman*, an amusing but disturbing exploration of insanity; *Nevsky Prospect*, a depiction of an artist besotted with a prostitute; and *The Overcoat*, a moving consideration of poverty that powerfully influenced Dostoevsky and later Russian literature.

This edition of Lu Xun's Chinese classic A Madman's Diary features both English and Chinese side by side for easy reference and bilingual support. The Lu Xun Bilingual Study Series includes a study guide and additional materials for each book in the series. Published in 1918 by Lu Xun, one of the greatest writers in 20th-century Chinese literature. This short story is one of the first and most influential modern works written in vernacular Chinese and would become a cornerstone of the New Culture Movement. It is the first story in Call to Arms, a collection of short stories by Lu Xun. The story was often referred to as "China's first modern short story". The diary form was inspired by Nikolai Gogol's short story "Diary of a Madman," as was the idea of the madman who sees reality more clearly than those around him. The "madman" sees "cannibalism" both in his family and the village around him, and he then finds cannibalism in the Confucian classics which had long been credited with a humanistic concern for the mutual obligations of society, and thus for the superiority of Confucian civilization. The story was read as an ironic attack on traditional Chinese culture and a call for a New Culture. The English translation is provided courtesy of the Marxists Internet Archive.

Nothing comes of this love he feels for her; Sophie is effectively unaware of him.
