GENRE: Children's Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen)) In their last adventure, the pack of Wolves and their human owner Steve faced a new enemy who threatened them that the villages would be under attack within a month. This new enemy is the Skeleton Leader - who, just like the previous Zombie Leader, is in charge of the Skeleton Spawners in the world. This Leader told the group they can expect other Monster Leaders to attack them as well: the Creeper Leader, the Spider Leader, and even a brand-new Zombie-Leader. Terrified with this bad news, the village leader Hori works really hard to figure out where the Monster Leaders are hiding. Despite his efforts, he doesn't find any real evidence of where they might be. In the meantime, Steve puts his plan in action: to connect the four villages with a long tunnel, and build a cart system where they can safely travel from one village to the other in case of an imminent attack. As Steve works on his project, the other Village Leaders continue trying to discover more about the Monsters and who could be the creature controlling them. Everyone suspects the Monster Leaders have a Boss, someone who entered The End and stole the Ender's egg. Could that mean that another human like Steve is also living in this world? the other wolves courageously fought side by side with Steve to defend the villagers against the infamous Zombie leader. Ever since the defeat of the Zombie Leader and his minions several months ago, life has been peaceful for all of them. There have been no other attacks from Zombies and the other aggressive mobs. But a new adventure presents itself when Steve and the wolves notice that there seems to be a disappearance of the wild animals from their place. There have been no Cows, Pigs, Wolves, Ocelots and other passive mobs sightings in their region for months. Why were the animals missing? Are the animals missing too in other places? Book 8: In Search of the Truth Steve and his valiant wolves are now on a quest to find out what happened to the animals. What is causing their disappearance? Boris, Oopa, Susi and Elly are the loyal wolf pack belonging to Steve. They've been tamed by Steve but remain as loyal wolves who are always ready to take on any missions to protect their owner. After noticing the sudden disappearance of all wild animals from the land, Steve decided to take action. He and the wolves traveled to Kami's village to seek for help, and they heard that the people from a city called Epherl could know something. In Epherl, Steve noticed that everyone was acting strange. Even Steve's old friend, Jeremy, was not normal. Apparently, the citizens had been brainwashed by a guy called Mozeib, who was now the leader of Epherl. Steve and the wolves have decided to investigate the city and its despicable leader, in an attempt to better understand what is exactly going on in the world. Is the city of Epherl involved in the disappearance of all animals? And who is Mozeib, after all? Book 9: Conspiracy Steve and his loyal pack of four wolves went to the city of Epherl to investigate its leader, Mozeib. He is clearly hiding something, and Steve knows that Mozeib must be the reason for the animals' disappearance. Not only that, but Steve receives a new lead from the citizens of Epherl: all of the wild animals are kept in a high-security prison known as the Dump, where guards keep them on watch 24/7. It seems that Mozeib has a boss of some sorts, and he lives in the neighboring city of Morvarth. If Mozeib has a boss, does it mean his boss is the one behind everything? What are the citizens of Morvarth doing? And what is the relation between Morvarth and Epherl? Now Steve and his wolves have three different leads: they can go to Epherl, Morvarth or the Dump. Where should they go first? And what should they do to restore everything to normal? Author's Note: This short story is for your reading pleasure.
