The chances of survival are... quite small to be honest. If I had to guess, I'd say 90% of everything we do as a family comes from ideas Mom gets from that magazine. And when I saw the latest issue I knew it was gonna get Mom's wheels turning. When Greg's mom decides the family are going to have an 'authentic experience' this summer on a family road trip, Greg is less than excited. All the Heffley's trapped in a minivan for miles and miles... it spells disaster. It's summer vacation, the weather's great, and all the kids are having fun outside. So where's Greg Heffley? Inside his house, playing video games with the shades drawn. Greg, a self-confessed "indoor person," is living out his ultimate summer fantasy: no responsibilities and no rules. But Greg's mom has a different vision for an ideal summer . . . one packed with outdoor activities and "family togetherness." Whose vision will win out? Or will a new addition to the Heffley family change everything? F&P level: T

Greg records his sixth grade experiences in a middle school where he and his best friend, Rowley, undersized weaklings amid boys who need to shave twice daily, hope just to survive, but when Rowley grows more popular, Greg must take drastic measures to save their friendship.

Collects the diaries of Greg Heffley as he faces the challenges of middle school, deals with his annoying older brother Rodrick, and is threatened with military school.

Being a kid can really stink. And no one knows this better than Greg Heffley, who finds himself thrust into high school where undersized weaklings share the hallways with kids who are taller, meaner, and already shaving. Luckily Greg has his best friend and sidekick, Rowley.

The highly anticipated third book in the critically acclaimed and bestselling series takes the art of being wimpy to a whole new level. Let's face it: Greg Heffley will never change his wimpy ways. Somebody just needs to explain that to Greg's father. You see, Frank Heffley actually thinks he can get his son to toughen up, and he enlists Greg in organized sports and other "manly" endeavors. Of course, Greg is able to easily sidestep his father's efforts to change him. But when Greg's dad threatens to send him to military academy, Greg realizes he has to shape up . . . or get shipped out. Greg and his family and friends, who make the Diary of a Wimpy Kid books a must-read for middle school readers, are back and at their best in this hilarious new installment of the series, which is sure to please current fans while attracting new ones. Publishers Weekly-1/19/2009: The third book in this genre-busting series is certain to enlarge Kinney's presence on the bestseller lists, where the previous titles have taken up residence for the past two years. Kinney's spot-on humor and winning formula of deadpan text set against cartoons are back in full force. This time, Greg starts off on New Year's Day (he resolves to "help other people improve," telling his mother, "I think you should work on chewing your potato chips more quietly") and ends with summer vacation. As he fends off his father's attempts to make him more of a man (the threat of military school looms), Greg's hapless adventures include handing out anonymous valentines expressing his true feelings ("Dear James, You smell"), attempting to impress his classmate Holly and single-handedly wrecking his soccer team's perfect season. Kinney allows himself some insider humor as well, with Greg noting the "racket" children's book authors have going. "All you have to do is make up a character with a snappy name, and then make sure the character learns a lesson at the end of the book." Greg, self-centered as ever, may be the exception proving that rule. Ages 8-12. (Jan.) F&P level: T

Middle-schooler Greg Heffley nimbly sidesteps his father's attempts to change his wimpy ways until his father threatens to send him to military school.
