Consumed by grief, Nora finds herself alone in the world with no one to help her through such a dark time. She finds herself remembering her life as it slowly passes her by while she sits in prison waiting to meet her fate. Can she fight her demons and face the truth? Or will she lie until she dies?

It would seem that the end of every war has been followed in the United States by social and moral changes, mostly for the worse. Zane Grey certainly felt that way about the effects of the Great War, and to show these changes and how to cope with them became the impulse behind what he called *The Water Hole*. However, before magazine publication, changes were made in his text, including the names of all the characters. Fortunately Grey's original handwritten manuscript has survived, so now this story can be told with his characters named and presented as he intended them to be. In 1925 widowed businessman Elijah Winters brings his daughter, Cherry, from Long Island to stay at a trading post in a remote area some distance from Flagstaff, Arizona. Removed from the country clubs and speakeasies, Cherry is at first bored with simple ranch life, and to entertain herself she flirts with several of the cowboys, not realizing they are very different from the young men she knew back east. Also very different is Stephen Heftral, a young archaeologist who is searching for an ancient and lost kiva of a primitive Indian tribe that disappeared centuries before in what became the land of the Navajos. Heftral believes that this lost kiva is most probably in a desert fastness called Beckyshibeta, the Navajo word for water hole. Elijah colludes with Heftral to awaken Cherry to a new and healthier way of life by taking her, by force if necessary, to the site. Cherry resents being kidnapped but comes to forget the luxury of her past in the beauty and dangers of the canyons-and in the thrill of making an important archaeological discovery.

Mary Shane comes home from school one day to find her mother beaten to unconsciousness, this leads her on a perilous journey to find her father, the man that has spent her entire life on the run, always nothing more than a shadow. She must play his deadly game, become the very darkness he hides in, if she ever wants to have a chance at the love she found and the normal life she used to take for granted. As Mary Shane makes her way into the deadly world her father lives in, a world where people have seemingly magical powers and always seem to be one step ahead of you, she discovers that maybe his frequent disappearances and constant paranoia were justified. She finds herself forced to make dangerous decisions and do things she never in her worst nightmare had to face. With the government chasing her every footstep, she must find her father before they do if she ever hopes to survive this wild ride and earn the right to live. She discovers that everything she's ever experienced is because of her father and as she begins to put the pieces together she wonders if there is more to this story than anyone else knows.

Originally published in London in 1857, *The Garies and Their Friends* is the first novel to chronicle the experience of free blacks in the pre-Civil War Northeast. The novel anticipates themes that were to become important in later African American fiction, including miscegenation and passing, and tells the story of the Garies and their friends the Ellises, a highly respectable and industrious colored family. In addition to this new edition of *The Garies*, we are pleased to include new material by Webb, never before published in book form. These include the stories *Marvin Hayle* and *Two Wolves and a Lamb*, essays and a number of poems, together with photographs presumed to be the writer and his wife, the actress Mary Webb.
