Malachi Malone is an ordinary twelve-year old schoolboy living in Enniscorthy, Southern Ireland. The fact that he was born with the tattoo of a dragon might also mean he's not that ordinary. In his search to retrieve the Lost Treasures of Ireland, which alone will bring peace back to the world, Malachi must decipher clues laid down many hundreds of years ago. The Forces of the Dark are awakening as they realise the threat that this seventh son of a seventh son is to their growing Power. Malachi must seek and find the An Chláirseach Óir, the Legendary Golden Harp of Ireland, in a desperate bid to keep safe his and our world.

Stanislavski's 'system' has dominated actor-training in the West since his writings were first translated into English in the 1920s and 30s. His systematic attempt to outline a psycho-physical technique for acting single-handedly revolutionized standards of acting in the theatre. Until now, readers and students have had to contend with inaccurate, misleading and difficult-to-read English-language versions. Some of the mistranslations have resulted in profound distortions in the way his system has been interpreted and taught. At last, Jean Benedetti has succeeded in translating Stanislavski's huge manual into a lively, fascinating and accurate text in English. He has remained faithful to the author's original intentions, putting the two books previously known as *An Actor Prepares* and *Building A Character* back together into one volume, and in a colloquial and

A “superb [and] often hilarious” memoir of a life in journalism, from the Pulitzer Prize–winning author of *Growing Up* (The New York Times Book Review). “Baker here recalls his years at the Baltimore Sun, where, on ‘starvation wages,’ he worked on the police beat, as a rewrite man, feature writer and White House correspondent. Sent to London in 1953 to report on the coronation, he spent the happiest year of his life there as an innocent abroad. Moving to the New York Times and becoming a ‘two-fisted drinker,’ he covered the Senate and the national political campaigns of 1956 and 1960, and, just as he was becoming bored with routine reporting and the obligation to keep judgments out of his stories, was offered the opportunity to write his own op-ed page column, ‘The Observer.’ With its lively stories about journalists, Washington politicians and topical scandals, the book will delight Baker’s devotees—and significantly expand their already vast number.” —Publishers Weekly “Aspiring writers will chuckle over Baker’s first, horrible day on police beat, his panicked interview with Evelyn Waugh, and his arrival at Queen Elizabeth’s coronation in top hat, tails, and brown-bag lunch.”—Library Journal “A wonderful book.” —Kirkus Reviews

Today's young women are lost. They have more opportunities to seize their independence and realise their dreams than ever before, but they're encouraged to embrace a porn-led culture of riotous drinking and casual sex to the extent that they're in danger of losing the protection and respect of men altogether. Surrounded by lousy role models, loose morals, unrealistic expectations, mixed messages from modern literature and a new wave of feminism that does them no favours, our girls have never been more in need of some good, old-fashioned advice. In her work as a make-up artist in Britain and the US, Zoe Rene has been talking and listening to women for over 20 years; from the girl-next-door to the lady who leads a double life as an accountant by day and a dominatrix by night. Here she shares everything she's learned about our relationships with men (and each other) and sets out to prove that real girl power comes from courage, confidence, quick thinking, and

Parker shares her personal story of being raped and molested by her stepfather at a young age. She exposes the controversial topic of molestation, its long-term adverse effects on interpersonal relationships, its role in promoting self-destructive behaviors, and the need to find control. In this inspirational memoir, Parker, now fifty-three years old, comes to terms with her early abuse and tells about taking the crucial steps needed to find her way back. *Take a Walk in My Shoes* narrates Parkers story and how she adopted a life of alcohol and drugs to ease the constant emotional pain and how she chose to be homeless rather than live in a dwelling that had everything, including her abuser. Her story follows her journey through childhood and as a runaway teenager, a high school dropout, and a single mother. *Take a Walk in My Shoes* tells how she overcame the stigma of abuse
